The Complete Book of Insurance Richard Wm Zevnik,Richard William Zevnik,2004 Do you have the protection you need? INSURANCE. You have to have it, but do you really know what you have? It is the one purchase that you hope never to use, but when you do, it is all too common to learn that what you thought was covered is not. Do not let your car, home or health suffer because that long, dry policy document is too difficult to understand. Instead, let *The Complete Book of Insurance* guide you through all of your major insurance needs. - If you are concerned with the other drivers and want to know just exactly what uninsured motorist coverage is-use *The Complete Book of Insurance* to evaluate what limits you really need if you are involved in an accident. - Whether you just bought your first house or are moving to a region prone to earthquakes, flood or mold-use *The Complete Book of Insurance* to learn what is really protected under your standard policy. - If you believe that you are too young to worry about life insurance-use *The Complete Book of Insurance* to plan for your family's future security. We all want the best coverage with the least expensive rates. However, finding the right insurance company and the right agent is actually your second step to making it happen. Your first step is to understand the type of coverage you truly need.
