Gianmarc Manzione

*Bowling in Action* Niki Walker,Sarah Dann,2003 Kids will be bowled over by the subtlety and technique required in this seemingly simple game. *Bowling in Action* uses bright photos and diagrams to help explain the basics of five- and ten-pin bowling, the proper grip, how to get spin on the ball, and how to keep score.

**Bowling In Action** Niki Walker,Sarah Dann,2003-03-01 Offers a brief introduction to the history, techniques, equipment, and rules of bowling, both five- and ten-pin.

**Pin Action** Gianmarc Manzione,2014-11-04 Most of us think of bowling as a sport in quotation marks, and bowling alleys are places with disco balls, matching shirts, and funny shoes. But in the 1960s, New York City was the center of action bowling, a form of high-stakes gambling in which bowlers—often teenagers—faced off for thousands of dollars every night. When money like that is changing hands, you can bet the pressure is on (and the balls are rigged), and losses come with dire consequences. But for a few kids, the world of action bowling would turn out to be a ticket off the mean streets and onto the Professional Bowlers Association Tour. For Ernie Schlegel, it would be a chance to shed his hustler ways and become a bonafide champion.For the more than 100 million bowlers worldwide and for fans of timeless sports histories, *Pin Action* captures the underbelly of 1960s and '70s New York and tells the true story of how the most notorious action bowler of all time became a Hall of Famer. Set in the gritty, flashy, lost world of action bowling, Gianmarc Manzione tells an epic tale filled with seedy characters, uproarious eccentricities,

improbable twists of fate, and a rags-to-riches narrative so crazy it has to be true.
