The Power of Connection Rik Rushton,2017-12-11 A simple communication framework to begin practising today We all carry around the technology to stay connected 24/7, yet many of us are disengaged and challenged with our lack of communication skills. The Power of Connection provides you with practical, real-world solutions for improving your professional performance, your personal

relationships and your outlook — one conversation at a time. Becoming a confident and compelling communicator might be the most important skill for leaders in the modern business landscape, parents in the modern home and individuals who use ‘self-talk’ to help shape their world. By adopting the simple strategies revealed in every chapter, you can become an unshakeable success at what you set out to do. This book is designed to help you start communicating better today, so start reading and start practicing with your very next conversation! Understand your communication strengths and weaknesses Become a better listener to build a deeper connection Learn how communication sits at the heart of all relationships Develop the skills to connect, inspire, engage and empower We are surrounded by noise, yet no one is actually saying anything we can connect with — or are we just not listening? Communication is a two-way street, and involves so much more than just speaking. The Power of Connection offers a quick and easy road map for your personal journey of growth and development that will make you a better parent, friend, spouse and employee. It’s the right message for this time considering there’s never a wrong time to level up your skills and become more effective

at work, at home and in life.

**Putin's Oil** Martin Sixsmith, 2010-02-15 This title investigates Vladimir Putin's war for control of Russia's vast oil reserves, in particular Mikhail Khodorkovsky's oil firm, Yukos. *Putin's Oil* investigates the complex world of Kremlin politics, including conspiracies and conspiracy theories, allegations that Roman Abramovitch plotted with Putin to destroy Khodorkovsky, suspicions of betrayal and double agents in the Kremlin and in Yukos, murder charges against Khodorkovsky's partners, and the KGB defector who claims they were carried out by Kremlin agents. After the mysterious death in a helicopter crash of the Englishman who had taken over Yukos, the company's war against the Kremlin is now being waged by a troika of mild mannered Britons, pursued by Interpol arrest warrants and Moscow's fury. Khodorkovsky remains in a penal camp in far Eastern Siberia. Martin Sixsmith, former BBC Moscow Correspondent, has gained unprecedented access to many of the players in the drama. The resulting book is both a thriller and an analysis of the defining moments of Putin's presidency and their ongoing impact in Russian and world politics.
