PGA Tour Official Fan Guide PGA Tour (Association), 2005 A comprehensive look at the players, tournaments, and records of the PGA tour.

New York Magazine ,1982-06-28 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

How Design Makes Us Think Sean Adams, 2021-03-30 From posters to cars, design is everywhere. While we often discuss the aesthetics of design, we don't always dig deeper to unearth the ways design can overtly, and covertly, convince us of a certain way of thinking. *How Design Makes Us Think* collects hundreds of examples across graphic design, product design, industrial design, and architecture to illustrate how design can inspire, provoke, amuse, anger, or reassure us. Graphic designer Sean Adams walks us through the power of design to attract attention and convey meaning. The book delves into the sociological, psychological, and historical reasons for our responses to design, offering practitioners and clients alike a new appreciation of their responsibility to create design with the best intentions. *How Design Makes Us Think* is an essential read for designers, advertisers, marketing professionals, and anyone who wants to understand how the design around us makes us think, feel, and do things.

The History of the PGA Tour Al Barkow, 1989 Recounts the origins of the PGA tour in 1916 and its development up to the present, highlighting the finest players and notable contests, with statistics for all tournaments through 1988.

Q School Confidential David Gould, 2002-01-16 In 1999, the PGA TOUR Qualifying Tournament---known to many as Q School---found itself sitting on 35 years of unique history. *Q School Confidential* chronicles this tournament's deep, dense story of heartbreak, black humor, back-room politics and magnificent golf under dire circumstances. Using the 1998 PGA TOUR Qualifying School finals as his backdrop, golf writer David Gould recounts for the first time ever the history of the pro tour's annual qualifier, with revealing anecdotes about raw rookies, aging veterans and every dreamer in between. The vintage stories in the *Q School's* near and distant past tell of emotional and physical breakdown---and courage, as well---under pressure: Jim Carter's self-confessed choke stories of 1990 and 1992; Mark McCumber's recurring lost-scorecard nightmare; Peter Jacobsen's ordeal with a cheater on the Mexican border; Jim McLean's bizarre arrest on the qualifier's eve; and Mac O'Grady's violent celebration of his long-awaited *Q School* success. The players captured in these pages turn white with panic, vomit their breakfast, sleep in their cars, practice on interstate ranges, lose golf shoes, forget contact lenses and make fateful decisions based on faulty information. Sifting back through several eras, Gould explains the innocent aims of the first *Q Schools* and uncovers the tournament's pivotal role in the momentous split-up of the PGA and the PGA TOUR. He examines the difficult question of how professional golf should go about bringing in new players and letting former players regain their privileges. In the voices of forgotten or never-known tour pros from the 1970s, he narrates the frustrating rabbit era that *Q School* helped create, and revisits the infamous breakaway *Q School* of 1968. In notes that accompany this book's exclusive year-by-year scoring records, the author picks out hidden turning points, bits of trivia and strange coincidences in the lives of tour players past and present. These profiles and snapshots of the earliest *Q School* survivors and the most recent graduates, as well, are woven together in a warm, engaging and insightful narrative. *Q School Confidential*, sometimes bleak, sometimes triumphant, provides the first and only inside look at a cruel and unusual tournament that many consider golf's toughest test of all.

Golfers Magazine ,1918

Play Better Golf for Seniors Mike Adams,T. J. Tomasi,Kathryn Maloney,1998-08-05 Specially designed for golfers over fifty, from the nation's premier golf school. From the powerhouse author team that created Play Better Golf and Play Better Golf for Women comes a comprehensive new book for the rapidly growing population of senior golfers across America. Mike Adams, known throughout the country as the Swing Doctor, T. J. Tomasi, and Kathryn Maloney share simple, ingenious techniques for developing a swing that the senior golfer's changing body will allow. The dynamic Senior Swing compensates for lost strength and flexibility and allows players to put time back into the hourglass. Throughout the book, beautiful full-color stop-action photo sequences teach proper technique and reveal the swing mechanics of the great stars of the senior tour, such as Nicklaus, Floyd, Irwin, Trevino, Stockton, and Player. Special sections discuss selecting proper equipment, dealing with joint pain and decreased vision, keeping fit as a senior golfer, and, most importantly, putting all those years of golfing experience to the best use, especially against younger opponents. Play Better Golf for Seniors shows the path to success on the course to readers of any age.

Be the Pine, Be the Ball Paul J. Zingg,2018-04-27 Focusing on the landscapes and memory of golf and examining the games nature and appeal,

this collection of seventy-two haiku poems and essays aims to lead readers to a fuller appreciation of the culture and history of golf and a deeper awareness of a players place in the game. Be the Pine, Be the Ball also reveals the compelling beauty and power of haiku, the most popular poetic form in the world. Through the brevity of its style, precise language, and ability to reveal how ordinary moments and elements of our lives are pathways to a better understanding of ourselves and the world around us, haiku can have both a meditative and consequential effect on the reader. A key to the connection between haiku and golf is that both foster powers of concentration and detailed observation with a related reduction of distractions. Both seek to cultivate a more tranquil and disciplined mind and to translate that condition into how a life is lived and a game is played.
