Finding Dora Maar Brigitte Benkemoun,2020-05-19 Merging biography, memoir, and cultural history, this compelling book, a bestseller in France, traces the life of Dora Maar (1907–1997) through a serendipitous encounter with the artist's address book. In search of a replacement for his lost Hermès agenda, Brigitte Benkemoun's husband buys a vintage diary on eBay. When it arrives, she opens it and finds inside private notes dating back to 1951—twenty pages of phone numbers and addresses for Balthus, Brassai, André Breton, Jean Cocteau, Paul Éluard, Leonor Fini, Jacqueline Lamba, and other artistic luminaries of the European avant-garde. After realizing that the address book belonged to Dora Maar–Picasso's famous "Weeping Woman" and a brilliant artist in her own right—Benkemoun embarks on a two-year voyage of discovery to learn more about this provocative, passionate, and enigmatic woman, and the role that each of these figures played in her life. Longlisted for the prestigious literary award Prix Renaudot, *Finding Dora Maar* is a fascinating and breathtaking portrait of the artist. "Beautifully written and

fascinating.”–Paris Match “One of the happy surprises of the end of the literary season.”–Livres Hebdo “A highly moving portrait of the artist.”–Elle (France) This book received support from the French Ministry of Foreign Affairs and the Cultural Services of the French Embassy in the United States through their publishing assistance program.

The Address Book Deirdre Mask, 2020-04-14 Finalist for the 2020 Kirkus Prize for Nonfiction | One of Time Magazine's 100 Must-Read Books of 2020 | Longlisted for the 2020 Porchlight Business Book Awards An entertaining quest to trace the origins and implications of the names of the roads on which we reside. –Sarah Vowell, The New York Times Book Review When most people think about street addresses, if they think of them at all, it is in their capacity to ensure that the postman can deliver mail or a traveler won't get lost. But street addresses were not invented to help you find your way; they were created to find you. In many parts of the world, your address can reveal your race and class. In this wide-ranging and remarkable book, Deirdre Mask looks at the fate of streets named after Martin Luther King Jr., the wayfinding means of ancient Romans, and how Nazis haunt the streets of modern Germany. The flipside of having an address is not having one, and we also see what that means for millions of people today, including those who live in the slums of Kolkata and on the streets of London. Filled with fascinating people and histories, The Address Book illuminates the complex and sometimes hidden stories behind street names and their power to name, to hide, to decide who counts, who doesn't—and why.

God's Address--Living with the Triune God, Revised Edition A. Bryden Black,2019-04-05 How may the notion of Trinity become a practical, down to earth, living reality? The parable of the Good Samaritan must be one of the most familiar stories of Jesus. Yet we often miss what prompted it. Jesus asks the lawyer pointedly, "How do you read?" This workbook seeks to show how people may read their Bibles in a most constructive way that leads to their living with and so loving truly the triune God, the Father of the Lord Jesus Christ, who shares life-giving Holy Spirit with his people. In nine study sessions, for either individuals or small groups, with Questions for Reflection after each, readers are taken through the Story of Salvation. From Abraham to the New Testament church's catechism, they are presented with a particular strategy on how to approach the Christian Scriptures that the central actor in the drama, the triune God, more readily comes into view. This workbook therefore addresses what seems an intractable problem. No longer a formal creed from the fourth century, and certainly not just a medieval scholastic "game," the goal is for the notion of Trinity to become a practical, down to earth, living reality, for the church and for individual disciples of Jesus.

Karma Never Loses an Address K. J. McGillick, 2019-01-10 Betrayal on Every Level Marley Bennington had brutally murdered her older sister Samantha in a drug fueled rage. Only two people know that fact as true. One of those two people, was sitting in a state prison, serving a sentence for a crime he didn't commit. Who was that unfortunate person? Alex Clarke, Samantha Bennington's husband, the man so buried in circumstantial evidence that he confessed to a crime he didn't commit, rather than face a trial. He was now trapped with no way out. It all began as sibling rivalry and jealousy, as so many tales of treachery do. Now, that intense jealousy had ended in her sister's murder. Once Alex was tucked safely away in prison, Marley was set to inherit millions of dollars tainted with her sister's blood. But suddenly, two obstacles stood in her way preventing her from quickly obtaining the reward for her well executed plan. One obstacle was her brother, and the other a nosy little old lady. But for Marley, this wasn't a problem. She had killed twice already and cheated the justice system. What were a few more bodies? Justice delayed is justice denied. Can Marley be trapped by the very people she tried to deceive? Will karma finally visit her door? Another gripping, tangled tale from the author of *Facing A Twisted Judgment*.
