The Visionary Brand Bryan Smeltzer,2022-02-08 The Visionary Brand In my new book, The Visionary Brand, I explore how brands become Visionary, and how they sustain this success for generations. Through both my direct experience with these brands, along with extensive research, I have been able to define the formula for realizing Visionary status. Although I have found no one brand is truly the ultimate Visionary, many are close, and you discover why these great brands are missing one or many ingredients to becoming truly Visionary. What makes a brand truly Visionary? Product, Innovation, Culture, Marketing? It is a harmonious blending of product, marketing, and passionate culture. Along with a visionary who establishes and commits themselves and the brand to ageless foundational principles. What formula has sustained iconic brands such as; Apple, Nike, Adidas, and allowed them to maintain their vision and brand ETHOS for generations? How does one brand lose its premium status, while others thrive from generation to generation? The Visionary Brand explores the core of these generational companies, and how they have evolved to become visionaries. This definitive guide to preserving authentic success through identifying, protecting, and nurturing the brand's core foundational principles will be a timeless leadership resource. Both professionally and personally, serving a purpose from start-up through established category leaders. Most brands at some point lose sight of their vision or have not established their brand core ETHOS. The Visionary Brand will revitalize those who are not yet evangelizing their brand's values and principles, along with guiding those who have yet to define their foundation. To succeed, you must understand who you are, what value you are providing, where you are positioning, and how to engage with your loyal community and brand team. From aspirational, real-life scenarios, to inspirational guidance, The Visionary Brand will provide ongoing support to successfully drive your brand forward. The Visionary Brand outlines the independent elements to emulating and successfully executing this foundational strategy. \* Define your vision and build a Foundational Principles platform. \* Stick to your vision while capturing global market share from your competitors. \* Create a continuous Pipeline of Innovation. \* Establish a Culture of Passionate followers. \* Engage, and build Loyalty. \* Embrace the changing tide of the new age adoption curve. \* Be an Artist, be yourself, and instill the courage to accomplish your Vision. There may be Visionary brands, but no one company exists as The Visionary Brand, while some have most, none have all. I sincerely hope you enjoy the book and find its content useful in your Journey to becoming Visionary! Sincerely, Bryan Smeltzer, Author, The Visionary Brand

Everybody Fights Kim Holderness,Penn Holderness,2021-03-30 A USA Today and Wall Street Journal bestseller! Learn how to fight better and end your arguments with your partner feeling closer, more loved, and better understood. We take our cars in for oil changes. We mow our lawns and pull weeds. Why don't we do maintenance on our marriages? This relationship is the most important one we will ever have, so why not get better at it? For the last several years, Penn and Kim Holderness of The Holderness Family have done the hard maintenance and the research to learn how to fight better. With the help of their marriage coach Dr. Christopher Edmonston, they break down their biggest (and in some cases, funniest) fights. How did a question about chicken wings turn into a bra fight (no, not a bar fight or a bra fight)? How did a roll of toilet paper lead to tears, resentment, and a stint in the guest bedroom? With their trademark sense of humor and complete vulnerability, Penn and Kim share their 10 most common Fight Fails and how to combat them. Throughout the book, they offer scripts for how to start, continue, and successfully close hard conversations. Couples will emerge equipped to engage and understand, not do battle—and maybe laugh a little more along the way. In *Everybody Fights*, couples will learn how to: Use magic words for healthy conflict resolution Address unspoken and unrealistic expectations Banish the three Ds of unhealthy communication—distraction, denial, and delay Carry individual baggage while helping your partner deal with theirs Penn and Kim want you to know you're not alone. *Everybody fights*. Marriage is messy. Marriage is work. But marriage is worth it. Fight for it!

*Raver Girl* Samantha Durbin,2021-10-12 A PopSugar Best New Books of 2021 Selection Weed inspires her. Acid shows her another dimension. Ecstasy releases her. Nitrous fills her with bliss. Cocaine makes her fabulous. Mushrooms make everything magical. Special K numbs her. Crystal meth makes her mean. Sixteen-year-old Samantha, raver extraordinaire, puts the “high” in high school. A '90s time capsule buried inside a coming-of-age memoir set against the neon backdrop of the San Francisco Bay Area's rave scene, *Raver Girl* chronicles Samantha's double life as she teeters between hedonism and sobriety, chaos and calm, all while sneaking under the radar of her entrepreneur father—a man who happened to drop acid with LSD impresario Owsley Stanley in the '60s. Samantha keeps a list of every rave she goes to—a total of 104 over four years. During that time, what started as trippy fun morphs into a self-destructive roller coaster ride. Samantha opens the doors of her mind, but she's left with traumas her acid-fried brain won't let her escape; and when meth becomes her drug of choice, things get progressively darker. Through euphoric highs and dangerous lows, Samantha discovers she's someone who lives life to the fullest and learns best through alternative experience rather than mainstream ideals. She's a creative whose mind is limitless, whose quirks are charms, whose passion is inspirational. She's an independent woman whose inner strength is rooted in unwavering family ties. And if she can survive high school, she just might be okay.
