From Soul to Sole Jacques Chassaing, 2022-11-01 The definitive book on the creations, career, and legacy of one of the world's greatest sneaker designers. Often called the father of modern running and basketball sneakers, Jacques Chassaing has shaped and influenced sports and street fashion like few designers ever will. For the first time, Chassaing reveals the story behind the forty-year career of a pioneering designer who has continually pushed boundaries and led the creation of many of the world's most beloved sneakers. Chassaing thrills and provokes readers with his life experiences, taking them on a journey of continual evolution and revolution. We learn about those who have inspired him and meet those he has inspired. We discover what drove his design philosophy and the process behind some of the greatest sneakers and sports technology ever created: the Forum, Rivalry, Lendl, Edberg, ZX series, Predator, EQT line, Torsion, and his Porsche Design collabs, to name but a few. And we see how Chassaing's designs have impacted modern culture and won a place on the feet and in the hearts of millions of people. This book features stories about and contributions from athletes, celebrities, and designers who have worked with and been influenced by Chassaing and his work, including Michael Jordan, Stefan Edberg, Patrick Ewing, Run DMC, Gary Aspden, Paul Gaudio, and many more. Art directed by Peter Moore, designer of the Nike Air Jordan 1 and creator of the adidas Originals line, *From Soul to Sole* is a story, a statement, an experience, and a celebration of a life and career that is still impacting how we think about sneakers and street fashion design today.

*Beer 101 North* Jon C. Stott, 2017-08-08 Oregon and Washington have been leaders in the craft beer boom that began in the 1980s. The number of craft breweries and brewpubs in the U.S. has increased dramatically in recent years--almost 4700 were doing business as of mid-2016. Much of this growth has taken place in the metropolitan areas of Portland and Seattle and in sizable cities like Eugene, Salem, Spokane and Tacoma. Yet many breweries have opened in villages and small towns. The author visits more than three dozen in this exploration of the vibrant craft brew scene along the coast of the Pacific Northwest. Profiles of brewers and owners and descriptions of breweries and their settings are provided, along with tasting notes on more than 200 beers.

*Kit: Fashioning the Sporting Body* Jean Williams,2017-10-02 This is the first edited collection of its kind to analyse the distinct but overlapping topics of dress, costume, sport and leisure history. For researchers of bodily adornment and movement, sport and costume history are both primarily concerned with industrial practice and embodied experience. The ways in which bodies are adorned, embellished and clothed (or revealed) highlights the hybrid nature of dress history, encompassing as it does the everyday clothing solutions of the mass of people and the unusual or more ceremonial aspects of costume, as well as elite high fashion. Although this is as yet an under-researched area, there are an increasing number of fashion and clothing undergraduate and postgraduate courses that specialise in sport and leisurewear. This publication is intended to give an introductory overview of the historical and contemporary issues as it does for the growing number of sport marketing and sports studies courses concerned with dress, costume history and branding. This book was published as a special issue of Sport in History.
