Runner's World Complete Guide to Minimalism and Barefoot Running Scott Douglas, Editors of Runner's World Magazine, 2013-03-12 Learn Why Millions of Runners Have Decided That Less Is More! No topic in running has gotten more attention lately than minimalist shoes and barefoot running. Proponents say that running barefoot or in lighter, lower shoes leads to better running form and fewer injuries. But others caution that ditching your regular running shoes for barely there models can increase, not decrease, your risk of injury. In this indispensable guide, veteran running writer Scott Douglas draws on the knowledge of leading coaches and other running experts to show how and why to make the move safely to running in less shoe. Full of real-world wisdom, The Runner's World Complete Guide to Minimalism and Barefoot Running explains why most runners should consider minimalism, gives simple tests to determine if you're ready, shows how to make the transition safely to running in less shoe, and reveals easy exercises to improve your running form once you've switched. If you've been wondering whether minimalism and barefoot running are for you, let this book be your guide to a lifetime of healthy, happy running.

Thirty-Three Years of Running in Circles Rand Mintzer, 2015-01-07 Rand Mintzer woke up one day and realized that he was morbidly obese, barely passing his college classes, and without any real goals. Inspired by the memory of a television movie and encouraged by a college roommate, he started running and turned his life around. That was more than thirty years ago, and he's been running ever since—even finishing a marathon. Whether you are

battling a weight problem or already consider yourself a runner, you will be motivated by his personal story of redemption. Every runner's story is at once unique and cut from a common cloth. Rand Mintzer's story is filled with heartwarming lessons and goals reached while saturated with logical and practical advice from which every new runner can benefit. Essentially two books in one, *Thirty-Three Years of Running in Circles* runs from the inspiring personal to the logical and essential practical while covering everything in between. -Rich Benyo, editor, *Marathon and Beyond* magazine

Boston Marathon 2010 Raymond Britt, 2010-04-20 Rave Reviews for Boston Marathon 2010: Great selection of 'around the event' shots that tell a story -- Jonathan Beverly, Editor-in-Chief *Running Times Magazine* // Awesome photos! -- Dave McGillivray, Boston Marathon Race Director // If you want to get to Boston, this would serve as great motivation. If you've been to Boston, this will serve as a cherished memory piece. I loved it. -- Gary Thomas, Boston Marathon Finisher // On Monday April 19, 2010, the Boston Marathon featured some of the most impressive racing in years, several elite and general field records were broken, including the fastest finish, the best American time, wheelchair milestones, number of participants and finishers, and more. The author, a 13-time Boston Marathon finisher, was there to capture the legendary race in images. More than 120 photos are presented here in full-color, in full-size 8x10 coffee table book format. Notably, this book represents the culmination of what is perhaps the most extensive single-day, solo Boston Marathon photo coverage presented as a collection, ever. From sunrise to late afternoon, from Boston to Hopkinton and back again, at the start, on the course's early miles in Ashland, and at the finish line on Boylston, the author was there to record the indelible scenes of this epic event. The author's live-action race photos have been featured by national broadcast, print and internet outlets for years. Boston 2010 was no exception; many of the images throughout this book were featured on CNN's global coverage of the Marathon. In the author's own words: The point of the journey is not to arrive, but to celebrate the moments along the way. That was my purpose as I photographed the race, and that is what I present in this book: the moments that make the Boston Marathon what it is, the moments that make it legendary. This is the Boston Marathon as I see it. This is what Epic looks like.
