Blue Dream Ryan Luttrell,2018-02-27 Blue Dream is the firsthand story of how Ryan Luttrell spent his days in class at the University of Memphis and his nights researching and influencing the school's next basketball team. At the time Blue Dream started, Ryan was working on a master's degree in sports commerce, and what a perfect time, as the Memphis Tigers were ranked #1, a dream come true from his childhood. He religiously followed the team and one day decided to attend a practice with his 7-year-old son, Carter. Overnight, he became friends with the new recruits and assistant coaches, and as a result, he was privy to the most intimate secrets of how Calipari and his staff worked and maneuvered in the underworld of recruiting. Ryan seemed to be the only outsider allowed into this world, and the information was flowing so frequently that he began reporting for several local news outlets, including one that became an ESPN affiliate. After completing his master's, he enrolled in law school and dived headfirst into the Tigers' world, calling and texting with boosters to name the next head coach of the university, Josh Pastner. Ryan had moved from being a fan to being an insider to now being an influencer of the entire program and began having daily meetings at Pastner's new office. Then the NCAA changed everything, as it seemed convinced that Ryan coerced athletes from his tournaments to commit to Memphis. Over the course of three separate investigations (all of which he was cleared in), NCAA coaches stopped talking to Ryan, and his relationship with Pastner and his staff became more than strained. At the same time, Ryan began to see the effects that his involvement in this recruiting world were having on everyone around him, especially his now-11-year-old son, Carter, who was intertwined in the world of basketball, right in front of Ryan. Ryan began to realize that he wasn't going to change the way that recruiting works for college basketball programs. He had to find a way out. He needed to wake up from this Blue Dream...

Hand-Me-Down Dream (Essay) George Dohrmann,2012-02-07 In this eBook exclusive essay, Pulitzer Prize-winning sports journalist George Dohrmann follows a father and son separated by prison bars—but bonded by their pursuit of basketball glory. The dream of playing big-time basketball never came true for Bruce Nelson, so he passed it on to his son Roberto. His every waking moment as a father was devoted to securing Roberto a Division I scholarship. Oftentimes he worried that his son's lack of competitive fire might put that dream in jeopardy—when in fact it was Bruce's own actions that would do so. When Bruce is forced to monitor Roberto's progress from behind penitentiary walls, his influence recedes—and so too does Roberto's commitment to the aspirations they once shared. In a story that combines deep insight into family relationships with the deft storytelling that distinguished his award-winning Play Their Hearts Out, George Dohrmann follows Roberto as he addresses his life's most difficult decisions in the absence of his best friend and most constant companion. In doing so, Dohrmann sheds new light on the larger story of basketball dreams and the pressures they place on young athletes. Includes an excerpt from George Dohrmann's Play Their Hearts Out, winner of the PEN/ESPN Award for Literary Sportswriting and the Award for Excellence in the Coverage of Youth Sports. Praise for Play Their Hearts Out “Often heartbreaking, always riveting.”—The New York Times Book Review “Tremendous.”—The Plain Dealer “Indispensable.”—The Wall Street Journal “A tour de force of reporting, filled with deft storytelling and vivid character studies.”—The Washington Post “One of the finest sports books of all time.”—Harper's Magazine “Amazing stuff . . . the Friday Night Lights of youth basketball.”—Leigh Montville, author of The Big Bam “A landmark achievement in basketball journalism.”—Kirkus Reviews (starred review) NAMED ONE OF THE BEST SPORTS BOOKS OF THE YEAR BY THE LOS ANGELES TIMES • THE CHRISTIAN SCIENCE MONITOR • KIRKUS REVIEWS

are the personal stories of two compelling figures: Joe Keller, an ambitious coach with a master plan to find and promote “the next LeBron,” and Demetrius Walker, a fatherless latchkey kid who falls under Keller’s sway and struggles to live up to unrealistic expectations. The Last Temptation of Rick Pitino Michael Sokolove, 2018-09-25 From acclaimed New York Times Magazine author Michael Sokolove, the astonishing inside story of the epic corruption scandal that has rocked the NCAA and exposed the rot and hypocrisy at the heart of big-time college sports. At a lavish annual event in late August 2017, the University of Louisville athletic director, who made more than \$5 million in compensation in 2016, announced an extension of his school's sponsorship deal with Adidas: \$160 million for another 10 years. The invitees were city's gentry - horse breeders, bourbon distillers, partners at big law firms, the state's governor, Matt Bevin, and its most powerful politician, Senate Majority Leader Mitch McConnell. One month later, the FBI revealed that it had reached the endgame of a sprawling investigation of large-scale corruption involving Adidas, Louisville and a host of other colleges, in which large payments were laundered from Adidas through a network of coaches and fixers to athletes and their families to induce them to go to Adidas-branded college programs. In short order, Hall of Fame basketball coach Rick Pitino (salary: \$8 million) and athletic director Tom Jurich were fired, and fear and trembling swept through the world of bigtime college athletics. Because there is another shoe, as it were, and it will fall. In *THE LAST TEMPTATION OF RICK PITINO*, Michael Sokolove lifts the rug on the Louisville scandal and places it in the context of the much wider problem, the farce of amateurism in bigtime college sports. In a world in which even assistant coaches can make high-six and seven-figure salaries, as long as they keep the elite athletes coming in, shoe deals can reach into the nine figures, and everyone is getting rich but the players, can it be surprising that unscrupulous parties would pay athletes, creating in effect a black market in young men, a veritable underground railroad of talent? But a few bad apples are one thing. In *THE LAST TEMPTATION OF RICK PITINO*, Michael Sokolove shows an elaborate, systematic machine, involving hundreds of thousands of dollars in illicit payments and connecting at least one of the largest apparel companies in the world with schools across the country. The Louisville-Adidas scandal has revealed a web of conspiracy whose scope has shaken big-time college sports to its core, delivering a devastating blow to the fantasy of amateurism, of scholar athletes. A Shakespearean drama of greed and desperation involving some of the biggest characters in the arena of sports, *THE LAST TEMPTATION OF RICK PITINO* will be the definitive chronicle of this scandal and its broader echoes.
