Wellness 100 Dr. Amber French, 2012-07-20 Just thinking about dieting or eating right can feel overwhelming and heavy for most of us, but Dr. Amber French and chef Kari Morris show us that it doesn't have to be. Winner of the 2013 Indie Next Generation Award in the Diet/Nutrition/Food category, Wellness 100 presents a realistic and optimistic option with simple guidelines and healthy, easy, and delicious recipes that are respectful of busy lifestyles. Plus, the program naturally works to combat diseases of aging such as heart disease, stroke, cancer, diabetes, and obesity. Can you imagine wanting to eat healthy and enjoying a diet program? With Wellness 100, you can because it is an attainable lifestyle, not a fad diet. Based on hundreds of studies, research articles, and books by respected authors, the program will teach you how to eat a variety of readily available fresh and colorful foods with the proper amount of carbohydrates and protein for lifelong weight management and better health. Wellness 100 gets us back to basics, teaching us to make better choices when it comes to our eating habits instead of being lost in a world of confusing food labels and savvy marketing of convenience (processed) foods and fad diets. Shopping, cooking, and eating according to Wellness 100 guidelines is achievable and rewarding.

**From a Dead Sleep** John A. Daly, 2013-06-25 There are times when the truth invites evil, and there are times when the truth can get you killed. A fast reading suspense book that surprised me so much, I had to finish it in one sitting. - Alice de Sturler of the American Investigative Society Of Cold Cases An epic thriller with a memorable, unorthodox main character... a riveting read... - Colorado Country Life Magazine Few residents in the secluded mountain-town of Winston, Colorado, have kind words to say about local troublemaker Sean Coleman. He's a bully, a drunk, and a crime-show addicted armchair detective with an overactive imagination. After a night of poor judgment, Sean finds himself the sole witness to the unusual suicide of a mysterious stranger. With the body whisked away in the chilling rapids of a raging river, no one believes Sean's account. When his claim is met with doubt and mockery from the people of Winston, Sean embarks on a far-reaching crusade that takes him across the country in search of the dead man's identity and personal vindication. He hopes to find redemption and the truth--but sometimes the truth is better left unknown.

**Any Time Soon** Tamika Christy, 2013-07-18 A 2014 Finalist Award Winner in the African American Fiction category of the Indie Next Generations Awards. Frenzied. Overburdened. Stressed. Overwhelmed. These are just a few ways to describe college senior Anaya Goode's life. Add to this no career prospects following a looming graduation, and Anaya quickly finds herself drowning in the chaos of her own life. Her family and friends demand much of Anaya, and she's struggling to balance herself in the mire. Facing an onslaught of grief, complex relationships, and a life that is full of deafening noise, Anaya must find herself, and maybe even true love and redemption, amid old traditions and new beginnings.

*Into the Light* Kathryn Ascher, 2016-10-04 Jackson Harris fell in love with his best friend's sister, but at her brother's request, he stepped out of her life to clean up his act. When he was ready to declare his love to her, she rejected him, sending him back into a tailspin of bad behavior. Four years later, he's focused on his struggling band, the women who want him, and still trying to forget the one who didn't. When she suddenly shows up as his band's new manager, he realizes that, despite his best efforts, his feelings for her haven't changed a bit. Kerrigan Dodd has spent the past four years living in Europe, trying to forget that Jackson, the only man she's ever loved, walked out of her life six years earlier. After returning home, the last thing she expected was that her new job was to manage his failing band. To make matters worse, she barely recognizes the boy she fell in love with in his band persona, and the prospect of spending so much time with him has her questioning her ability to do her job. As Jack and Kerrigan work to turn the band around, they struggle to overcome the secrets that have kept them apart. Just when they're coming together, on both fronts, other forces conspire to keep them from reaching their goals. Will they be able to put the past behind them and clear the way for their future? Or are their current differences too much to move beyond?

**You Can't Iron a Wrinkled Birthday Suit** Sharon Phennah, 2011-10-04 Zany women and their pets have fun getting older. When I get old, I hope to have friends as awesome as these. This is an absolutely feel good novel. Naturally, our intrepid characters, wattle and all, undergo all sorts of trials, but it's the compassion and generosity they exhibit that endears the reader. -- Sam Sanders, via NetGalley Zany families, eccentric friends, and ne-er-do-well neighbors inhabit the labyrinthine lives of three women friends as they grapple with real world events in one Golden Year. An unwelcome visit from local law enforcement, a younger friend's romantic chaos, and the death of a parent combine with daily mundanities---laundry, scones, and senior sex---to create a wallop, raucous read. Opinionated pets---critics and alter egos---offer a rich counterpoint to the human dramas affecting their lives. Unfiltered and compelling, this entertaining sago provides readers of all ages with a new and positive view of growing older.

Garden meanie Prissy Pray refuses to let Stanley attend the party, and that makes Stanley feel really bad about himself. Will his friends help him see how important every part of him is? Will he let Prissy Pray bully him into not going to the ball? Or will he gather his courage and overcome his fears?
