Rated M for Mature Matthew Wysocki,Evan W. Lauteria,2015-10-22 The word sex has many implications when it is used in connection with video games. As game studies scholars have argued, games are player-driven experiences. Players must participate in processes of play to move the game forward. The addition of content that incorporates sex and/or sexuality adds complexity that other media do not share. Rated M for Mature further develops our understanding of the practices and activities of video games, specifically focusing on the intersection of games with sexual content. From the supposed scandal of Hot Coffee†? to the emergence of same-sex romance options in RPGs, the collection explores the concepts of sex and sexuality in the area of video games.

Official Gazette of the United States Patent and Trademark Office ,2004

Developing Library Collections for Today's Young Adults Amy S. Pattee,2013-12-19 Developing Library Collections for Today's Young Adults features policies that deal expressly with materials that respect the intellectual freedom of young library patrons. It emphasizes the importance of everything from needs assessment to collection development, encouraging librarians to consider informational, recreational, and curricular needs and interests as the library staff select material on behalf of young adults. With detailed guidelines for developing and evaluating collections of print and electronic material, Amy S. Pattee devotes chapters to materials selection, acquisition, and assessment, describing fiction and nonfiction genres, graphic forms, and multimedia and electronic materials, including networked resources, e-books, and computer games. Developing Library Collections for Today's Young Adults may be consulted by librarians charged with the development and maintenance of public library collections for young adults and may be employed in library science courses related to young adult literature and library services and collection development.

Sex in Video Games Brenda Brathwaite,2007 Sex in games has been around almost as long as the medium itself. With the release of games like Playboy: The Mansion, Leisure Suit Larry: Magna Cum Laude, and The Singles, sexual content gained a firm foothold and for the first time, ventured into the mainstream. Even casual games like the Sims started to rev things up a bit, and in on-line games, tales of ?cybering? have become common place. Seeking to understand this emerging trend, developers, publishers, retailers and consumers are asking themselves: when is sex appropriate in a game? how far is too far? what will it mean for the product? for its distribution? for my company? for me? do sexual content games sell better? are they generally profitable? And so far, there are no definitive answers. Sex in Video Games seeks to provide insight into this issue and provide guidelines and answers by exhaustively studying the history of sexual content in games and the games industry as well as public and political reaction to it. In addition, the book considers ethical issues, parental and retailer responsibility, and explores the industry attempts at self-regulation and the growing issue of censorship.

Watch Dogs Game Guide Pro Gamer,2016-04-07 Find tips, tricks, hacks and cheats with our ProGamer eBook guides. Play the game as a pro and beat your opponents to advance further in the game. Complete all levels with ease and find useful insight secrets from professional gamers. Become the expert with this easy to understand eBook gaming guide.

Sexuality in Role-Playing Games Ashley ML Brown,2015-03-05 Role-playing games offer a chance to pretend, make believe, and share fantasy. They often invoke heavy themes into their game play: morality, violence, politics, spirituality, or sexuality. Although interesting moral debates perennially appear in the media and academia concerning the appropriateness of games' ability to deal with such adult concepts, very little is known about the intersection between games, playfulness, and sexuality and what this might mean for players. This book offers an in-depth, ethnographic look into the phenomenon of erotic role-play through the experiences of players in multiplayer and tabletop role-playing games. Brown explores why participants engage in erotic role-play; discusses the rules involved in erotic role-play; and uncovers what playing with sexuality in ludic environments means for players, their partners, and their everyday lives. Taken together, this book provides a rich, nuanced, and detailed account of a provocative topic.

Rating Video Games United States. Congress. Senate. Committee on the Judiciary. Subcommittee on Juvenile Justice,1995

Encyclopedia of Video Games [3 volumes] Mark J. P. Wolf,2021-05-24 Now in its second edition, the Encyclopedia of Video Games: The Culture, Technology, and Art of Gaming is the definitive, go-to resource for anyone interested in the diverse and expanding video game industry. This three-volume encyclopedia covers all things video games, including the games themselves, the companies that make them, and the people who play them.

Written by scholars who are exceptionally knowledgeable in the field of video game studies, it notes genres, institutions, important concepts, theoretical concerns, and more and is the most comprehensive encyclopedia of video games of its kind, covering video games throughout all periods of their existence and geographically around the world. This is the second edition of Encyclopedia of Video Games: The Culture, Technology, and Art of Gaming, originally published in 2012. All of the entries have been revised to accommodate changes in the industry, and an additional volume has been added to address the recent developments, advances, and changes that have occurred in this ever-evolving field. This set is a vital resource for scholars and video game aficionados alike.

Games Ace Mccloud,2017-03-16 Would you love to have more fun with friends and family? Whether you want to (1) know some of the best games of all time, (2) entertain yourself and others with inexpensive and exciting games or (3) find healthy and fun ways of playing with your friends and family, this book will teach you everything you need to know. Everybody loves a good game. People have been playing games to keep themselves entertained for centuries. From children's made-up play to high-stakes contests that demand the highest level of competitive prowess, games are a natural activity that is a part of all cultures. In this book you will discover an incredible variety of games that will bring hours upon hours of joy into your life! Games keep your mind sharp. There's no need to stop playing, no matter your age. Bond with grandkids over a game of tic-tac-toe. Connect with parents over a game of cards. Have memorable and fun times with your friends. Teach kids how to play the best classic games of all time. Even the simplest game can work to keep your mind sharp and give your competitive nature a healthy outlet. A game is also a fun way to spend time with your sweetheart; just don't gloat if you win! Kids need games. Kids and games are a natural fit. After all, most children, left to their own devices, will naturally invent their own games. Game playing encourages creative thinking and provides a structure for children to safely experiment with different ways of interacting and problem-solving. Besides, they're a lot more fun than just sitting around staring at a screen all day! Games are for everybody. While many people think game-playing is just for children, it is just as important for adults. Games relieve stress, provide a hub for social interaction, and are just plain fun! This book contains exciting games for all age groups and social circles. Get ready to enjoy some of the best classic games of all time. At the same time, discover new games you can play with your whole family. Introduce your friends to the refreshing joy of game playing. Take a break from work and launch into a solo game. Life is so much more enjoyable when you spice it up with games! What Will You Discover About Games? Lots of games that children love. A large variety of free and inexpensive games. How to stimulate your creativity by playing games. Great games to play with your adult friends. How to use games to strengthen your bond with others. You Will Also Learn: The best games to play when on your own. Great ideas for creating your own activities and games. Some of the best classic games of all time, Great games for the whole family. Recapture the carefree joy of playing games. It's time to play: Buy It Now!
