**Sex Positions** Fanton Publishers,2018-08-06 This book has 30-day sex positions that you can use to spice up your sex life and in extension improve your relationship. Sex plays a very central role in the overall health of a relationship and the emotional well-being of a couple. Did you know that most divorces fall into two main categories: those caused by a lack of money and those caused by a lack of or mediocre sex. As you can see from these facts, sex is one of the main pillars to a long, fulfilling, and lasting relationship. Let us be honest for a moment; unless you have fallen out of love with your significant other, no one intentionally wants a mediocre sex life. This is perhaps because most of us understand the important role sex plays in creating emotional symbiosis between couples as well as creating a physical connection. One main reason why most relationships suffer in the bedroom is a lack of sexual excitement. If you do the same thing repeatedly, it is eventually bound to bore you. The same applies for sex. If you practice the missionary every night, of your 20 years marriage or relationship, your sex life will become a routine

and a total bore. As a wise man said, Variety is the spice of life. While the missionary is indeed a great sex position for emotional and physical connection, it can wraith all the excitement out of a relationship. What then can you do to spice up your sex life? A good place to start is experimenting with various sex styles and positions. Today, we shall examine some of the best sex positions guaranteed to bring the zing back into you relationship and make it a very exciting affair. In this book, you will learn: Powerful sex positions that will maximize your emotional and physical connection with your partner Erotic positions that drive men wild with desire Sex positions guaranteed to ensure she comes first and fast Sex positions that will give her toe curling, eye rolling and body shaking orgasms Out of this world sex positions that you may never have tried before Sex positions that will ensure your oral sex life is on a whole new level that you've never imagined And Much, Much More!
