**Nollywood Stars** Noah A. Tsika, 2015-04-10 “A revelation. It will introduce readers to one of the most significant global centers of film production, Nigeria . . . an important work . . . Essential.” —Choice In this comprehensive study of Nollywood stardom around the world, Noah A. Tsika explores how the industry’s top on-screen talents have helped Nollywood to expand beyond West Africa and into the diaspora to become one of the globe’s most prolific and diverse media producers. Carrying VHS tapes and DVDs onto airplanes and publicizing new methods of film distribution, the stars are active agents in the global circulation of Nollywood film. From Omotola Jalade-Ekeinde’s cameo role on VH1’s popular series *Hit the Floor* to Oge Okoye’s startling impersonation of Lady Gaga, this book follows Nollywood stars from Lagos to London, Ouagadougou, Cannes, Paris, Porto-Novo, Sekondi-Takoradi, Dakar, Accra, Atlanta, Houston, New York, and Los Angeles. Tsika tracks their efforts to integrate into various entertainment cultures, but never to the point of effacing their African roots. “Tsika breaks new ground in showing that Nollywood stars are not the passive creations of an industry, but rather have been essential conditions of its existence and phenomenal success.” —Jacquelyn Southern, Center for Urban & Global Studies, Trinity College “There is no doubt that this is a pioneering book, one that raises important questions about the transnational and transmedial dimensions of an emergent, corporate culture of stardom and models an entirely new approach to the study of African movies and media.” —African Studies Review “Makes a convincing case that one cannot fully understand Nollywood without a thorough and rigorous examination of its stars.” —Christina Lane, University of Miami

**The Ocean, the Bird, and the Scholar** Helen Vendler, 2015-04-20 A Times Higher Education Book of the Week One of our foremost commentators on poetry examines the work of a broad range of nineteenth- and twentieth-century English, Irish, and American poets. *The Ocean, the Bird, and the Scholar* gathers two decades’ worth of Helen Vendler’s essays, book reviews, and occasional prose—including the 2004 Jefferson Lecture—in a single volume. “It’s one of [Vendler’s] finest books, an impressive summation of a long, distinguished career in which she revisits many of the poets she has venerated over a lifetime and written about previously. Reading it, one can feel her happiness in doing what she loves best. There is scarcely a page in the book where there isn’t a fresh insight about a poet or poetry.” —Charles Simic, *New York Review of Books* “Vendler has done perhaps more than any other living critic to shape—I might almost say ‘create’—our understanding of poetry in English.” —Joel Brouwer, *New York Times Book Review* “Poems are artifacts and [Vendler] shows us, often thrillingly, how those poems she considers the best specimens are made...A reader feels that she has thoroughly absorbed her subjects and conveys her understanding with candor, clarity, wit.” —John Greening, *Times Literary Supplement*

**Girl Making** Gerry Bloustien, 2003 The resulting material challenges previous findings in those feminist and youth anthropological studies based on too narrow a concept of class, ethnicity or populist approaches to culture. Rejecting the still prevalent notion of resistance, this study reveals instead that the girls' activities are more about accommodation to the constraining givens of social life, stretching these to discover their possibilities while simultaneously working hard to remain within their parameters of safety and reassurance. In this conceptual framework popular music and other global cultural texts emerge to gain a new significance within their local settings.--BOOK JACKET.
