Peppa Pig

The Musical Kurt Gänzl,1997 A rich and colorful history of three centuries of musical theater.

Waiting for Christmas Kathleen Long Bostrom,2010-01-05 Little children throughout the world wait impatiently for Christmas to arrive. As parents know, it can seem as if the days just crawl by. Now your family can learn and put to use Advent traditions from the country of Germany during the Christmas season. No doubt mothers have long been inventing ways to keep young children occupied during the Advent season—like Gerhard Lang’s mother, who in the mid-1800s helped her young son count the days on a calendar of cookies. In 1908, the grownup Gerhard, a printer, created the first commercial Advent calendar, twenty-four tiny pictures in the form of a calendar, from his fond memories. *Waiting for Christmas* tells the story of the young Gerhard—a story children everywhere will recognize as their own—and teaches us that we must wait patiently as we prepare to celebrate the birth of Jesus.

Down Under Advent Calendar of Chrissy Stories Kathy Campbell, 2013-08-23 The book is a collection of stories and ideas that have an Australian flavour. It is a teacher's inspirational idea used to hold the attention of the children in the month up to Christmas. Like the advent calendars filled with lollies, this book has a daily December treat for the child opening each date. It also serves to provide some cultural practices and language that is Aussie in nature. It is also hoped that children will learn more by writing to the author at the little black dog's e-mail address. I believe that by engaging children more teachers can provide greater opportunity for individual growth. I see our job as catalyst to move children on to independent thinking.
