Liar's Poker Michael Lewis,2010-03-15 The time was the 1980s. The place was Wall Street. The game was called Liar's Poker. Michael Lewis was fresh out of Princeton and the London School of Economics when he landed a job at Salomon Brothers, one of Wall Street's premier investment firms. During the next three years, Lewis rose from callow trainee to bond salesman, raking in millions for the firm and cashing in on a modern-day gold rush. Liar's Poker is the culmination of those heady, frenzied years—a behind-the-scenes look at a unique and turbulent time in American business. From the frat-boy camaraderie of the forty-first-floor trading room to the killer instinct that made ambitious young men gamble everything on a high-stakes game of bluffing and deception, here is Michael Lewis's knowing and hilarious insider's account of an unprecedented era of greed, gluttony, and outrageous fortune.

Homo Deus Yuval Noah Harari,2017-02-21 Official U.S. edition with full color illustrations throughout. NEW YORK TIMES BESTSELLER Yuval Noah Harari, author of the critically-acclaimed New York Times bestseller and international phenomenon *Sapiens*, returns with an equally original, compelling, and provocative book, turning his focus toward humanity's future, and our quest to upgrade humans into gods. Over the past century humankind has managed to do the impossible and rein in famine, plague, and war. This may seem hard to accept, but, as Harari explains in his trademark style—thorough, yet riveting—famine, plague and war have been transformed from incomprehensible and uncontrollable forces of nature into manageable challenges. For the first time ever, more people die from eating too much than from eating too little; more people die from old age than from infectious diseases; and more people commit suicide than are killed by soldiers, terrorists and criminals put together. The average American is a thousand times more likely to die from bingeing at McDonalds than from being blown up by Al Qaeda. What then will replace famine, plague, and war at the top of the human agenda? As the self-made gods of planet earth, what destinies will we set ourselves, and which quests will we undertake? *Homo Deus* explores the projects, dreams and nightmares that will shape the twenty-first century—from overcoming death to creating artificial life. It asks the fundamental questions: Where do we go from here? And how will we protect this fragile world from our own destructive powers? This is the next stage of evolution. This is *Homo Deus*. With the same insight and clarity that made *Sapiens* an international hit and a New York Times bestseller, Harari maps out our future.

The Draglings Bedtime Story Randal Spangler,2021-11-30 A rhyming bedtime story about two little cookie-loving dragons.

Competing Visions Robert Cherny,Gretchen Lemke-Santangelo,Richard Griswold del Castillo,2014 With a strong social emphasis and succinct narrative, *COMPETING VISIONS: A HISTORY OF CALIFORNIA, 2E* chronicles the stories of people who have had an impact on the state's history while presenting California as a hub of competing economic, social, and political visions. It highlights the state's cultural diversity and explicitly compares it to other Western states, the nation, and the world—illustrating the national and international significance of California's history. Its chronological organization and thematic approach enables readers to keep track of events and fully understand their significance. Telling the full story, the text concludes by discussing such current events as immigration and demographic changes, the Occupy Movement, energy challenges, and more.

The Complete Gillian Flynn Gillian Flynn,2014-05-13 Gillian Flynn is the real deal, a sharp, acerbic, and compelling storyteller with a knack for the macabre. —Stephen King This exclusive ebook collection brings together the three novels from bestselling author Gillian Flynn. A #1 New York Times bestseller, *Gone Girl* is an unputdownable masterpiece about a marriage gone terribly, terribly wrong. The Chicago Tribune proclaimed that Flynn's work "draws you in and keeps you reading with the force of a pure but nasty addiction." *Gone Girl*'s toxic mix of sharp-edged wit and deliciously chilling prose creates a nerve-fraying thriller that confounds you at every turn. Flynn's second novel, *Dark Places*, is an intricately orchestrated thriller that ravages a family's past to unearth the truth behind a horrifying crime. A New York Times bestseller and Weekend Today Top Summer Read, *Dark Places* solidified Flynn's status as one of the most critically acclaimed suspense writers of our time. In *Sharp Objects*, Flynn's debut novel, a young journalist returns home to cover a dark assignment—and to face her own damaged family history. With its taut, crafted writing, *Sharp Objects* is addictive, haunting, and unforgettable.

More Readings From One Man's Wilderness John Branson,2012-02-07 Throughout history, many people have escaped to nature either permanently or temporarily to rest and recharge. Richard L. Proenneke, a modern-day Henry David Thoreau, is no exception. Proenneke built a cabin in Twin Lakes, Alaska in 1968 and began thirty years of personal growth, which he spent growing more connected to the wilderness in which he lived. This guide through Proenneke's memories follows the journey that began with *One Man's Wilderness*, which contains some of Proenneke's journals. It

continues the story and reflections of this mountain man and his time in Alaska. The editor, John Branson, was a longtime friend of Proenneke's and a park historian. He takes care that Proenneke's journals from 1974-1980 are kept exactly as the author wrote them. Branson's footnotes give a background and a new understanding to the reader without detracting from Proenneke's style. Anyone with an interest in conservation and genuine wilderness narratives will surely enjoy and treasure this book.

How Sweet it was Arthur Shulman,Roger Youman,1966 One can obtain as many opinions about television as there are people with eyes. No two people see it in exactly the same way. You may not be aware of it, but up there, in that compartment of your brain where memories are stored, all sorts of strange images are stockpiled. The purpose of this book is to coax those memories out of their hiding places and bring them front and center, where you can savor them anew. Although this book is intended to be a comprehensive review of television during the past twenty years-the two decades that have passed since the medium became a commercial reality- it is not to be just a scholarly history. The programs and people represented here were chosen not because they were good or popular or successful, but because each contributed, in some large or small way, to the progress of television.

Consisting of over one hundred interviews with everyone from a gravedigger to a studio head, this book provides a "brilliant" and enduring portrait of people's feelings about their working lives. This edition includes a new foreword by New York Times journalist Adam Cohen (Forbes). "Splendid . . . Important . . . Rich and fascinating . . . The people we meet are not digits in a poll but real people with real names who share their anecdotes, adventures, and aspirations with us." –Business Week "The talk in Working is good talk–earthy, passionate, honest, sometimes tender, sometimes crisp, juicy as reality, seasoned with experience." –The Washington Post

One Man's Wilderness Richard Proenneke,Sam Keith,2013-03 To live in a pristine land, unchanged by man; to roam a wilderness through which few other humans pass; to choose an idyllic site, cut trees and build a log cabin; to be a self-sufficient craftsman, making what is needed from materials available; to be not at odds with thye world, but content with one's own thoughts and company. Thousands have had such dreams but Richard Proenneke lived them. He found a place, built a cabin and stayed to become part of the country. [This] is a simple account of the day-to-day explorations and activities he carried out alone and the constant chain of nature's events that kept him company--Publisher's description.
