I adored the characters and the setting and the adventure . . . and couldn't turn pages fast enough." ~ Ev Bishop, Author "Another super story from one of the best writers of modern pony books around. Angela Dorsey gives us a traditional old fashioned story of the love of a girl for a wild horse with an interesting and intriguing modern twist, and just a dash of mystery. Animal loving children of all ages will enjoy the story, whilst parents can be happy in the knowledge that the important values of empathy and integrity are being upheld. As with many of the author's other books, this story explores an important issue - that of animal and human interaction and communication - whilst still delivering a page-turning story. Not an easy feat, but something this author is adept at. The book can be enjoyed at many levels and will keep the interest of a wide range of age groups, including adults. 4-5 HORSESHOES: VERY GOOD to EXCELLENT." ~ Pony Mad Book Lovers "LOVED IT! I saw this ebook priced for free in the store and thought, "Well, why not?" I was not expecting it to be a very, extremely good book that would get me deeply interested. Oh, how wrong I was! I absolutely LOVED "Winter of the Crystal Dances" so much! I was up late in the night reading because I couldn't turn

my Kindle off and stop reading!! I highly recommend this book to read for anybody! Such a great book!" ~ Amazon Reader
