Summer Fun with Swim, Bike, Run Ana Jaye,2004-11 Summer Fun With Swim, Bike, Run Kim & Peatie's Fantastic Triathlon Adventure Ana Jaye does a magnificent job of capturing action with words and puts the reader right in the athlete's shoes. This story both inspires and motivates the competitive spirit within no matter what your age or preferred sport. Unsuspected twists and terrible difficulties arise as Kim and his best friend Peatie are taken down the road of tough competition. \*\*\*\*\* This is a great story. I have done over one hundred triathlons and completed 25 Ironman races. Her story is inspiring and I must admit my heart was pounding at the end wondering

if Kim was going to win or not. From reading it you will experience the energy of triathlon and how a whole family could work together in a celebration of the human spirit. David Minkoff, M.D. Triathlete

**Swim, Bike, Run** Alistair Brownlee, Jonathan Brownlee, 2013-06-06 Swim, Bike, Run is the ultimate triathlon book, from Olympic heroes the Brownlee brothers The Olympic Triathlon, Hyde Park, London August 7th 2012 'We jogged to our positions on the pontoon: two brothers, side by side, the world and everyone we ever cared about looking on. Eighteen years of training, culminating in this single race. Noise from the crowd impossible to imagine. Hearts thumping. Swim-hats pulled tight, goggles lowered. Into a crouch, poised for the hooter. Three. Two. One...' This is the story of how two skinny lads from west Yorkshire became the best triathletes in the world. Meet the Brownlees: Olympic Champion Alistair, World Champion Jonny. Brothers, training partners, rivals. They have obliterated the competition and set new standards for swimming, biking and running. But the Brownlee brothers have never forgotten their roots. They still do their schoolboy hill runs and Dales rides; still train harder and longer than anyone; still push each other to new heights. In this revealing, often very funny book they take us inside their world and inside their races. It's both a riveting story of brotherly rivalry and a rare insight into what it takes to be the best. Swim, Bike, Run is also packed with training secrets. Whether you are thinking about your first triathlon or are a seasoned competitor, here are unique sections on how to swim, bike and run, and advice on nutrition, injury, and mental approach. With the Brownlees in your corner, you will do more than you ever thought possible. This book is essential reading for anyone interested in swimming, cycling and running and will be loved by readers of Mark Cavendish's Boy Racer and Running with the Kenyans. Alistair Brownlee, 24, is a British triathlete from Yorkshire. He is the reigning Olympic champion, a back-to-back European champion and a two-time World champion. Jonathan Brownlee, 22, is also a British triathlete from Yorkshire. He is the reigning World Champion, a two-time World Sprint champion and an Olympic bronze medalist. 'Sport has two new heroes: a couple of nice lads from Yorkshire ' The Times

**Your First Half-Distance Triathlon** Henry Ash, Marlies Penker, 2016-05-23 The half-distance triathlon consists of a 1.2-mile swim, 56 miles of cycling and a 13.1-mile run. It is anything but an easy option, but it represents a fascinating challenge for any well-trained endurance athlete. The book will guide any triathlete who wishes to finish his or her first half-distance triathlon from the beginning of the preparation until race day. A particular highlight of the book is its great amount of detailed training plans. There are in-depth examples of core and peripheral training and heart-rate dependent pace

levels T1-T8, which help to illustrate the year-round training recommendations. It also features advice on swimming, cycling, and running training, cross training, equipment, strengthening and stretching, typical training errors, recovery, self-motivating performance testing and motivation tips, as well as anecdotes and emotional stories from competitions. With this guide, anyone can finish their first half-distance triathlon.

**Nevada Rally** Paul Clipper, 2021-02-10 There are motorcycle events every weekend, but truly epic events only happen on the rare occasion. The Nevada Rally was such an event. Planned and executed by Franco Acerbis and his Acerbis Adventure team, the Nevada Rally swept into the Silver State in 1993 and created a sensation that is still talked about today. This Kindle book is the story of the three years of the Nevada Rally. Originally covered extensively in Trail Rider magazine, this compilation is a combination of new material, reprints from the magazine and photos taken at the event. Each year of the rally is given a chapter in the book, as seen through the eyes of the author, who participated in the rally each year; two years working for the organization and the third year as a racer. Seeing the event from three different vantage points in three different years was a rare treat, claims Paul Clipper, a 25 year veteran of Trail Rider magazine and lifelong off-road enthusiast. Never before or since have I been able to feel so immersed in a race. In the end, it was, just as Franco envisioned, one huge family of like-minded people brought together to experience every human emotion imaginable in one non-stop week of activity in the Nevada desert. This book is intended to serve as a retrospective on the 20th anniversary of the first Nevada Rally in 1993, as well as a salute to the efforts of Acerbis Adventure and Franco Acerbis, who had the vision to see what a great event he was creating, and the strength to pull it off. The Nevada Rally was truly the American Adventure, and this eBook will be an entertaining read for offroad racing enthusiasts everywhere.

Swim, Bike, Bonk Will McGough, 2019-11-01 Just as George Plimpton had his proverbial cup of coffee in the NFL as the un-recruited and certainly unwanted fourth-string quarterback for the Detroit Lions, so, too, did Will McGough immerse himself in a sport he had no business trying. Like Plimpton, whose football folly turned into the bestselling *Paper Lion*, travel and outdoor writer McGough writes of his participation in, around, and over the course of one of the world's premier triathlons, the annual 140.6-mile Ironman in Tempe, Arizona. McGough chronicles the Ironman's history, his unorthodox training, the pageantry of the race weekend, and his attempt to finish the epic event. The narrative follows not just his race but also explores the cult and habits of the triathlete community, beginning with the first Ironman competition in Hawaii in 1978. This is a light-hearted, self-deprecating, and at times hilarious look at one man's attempt to conquer the ultimate endurance sport, with a conclusion that will surprise and delight both dedicated triathletes as well as strangers to the sport.
