You need to pay attention to your thoughts so that you can begin to eliminate the ones creating experiences that you don’t want. Eight chapters cover health, forgiveness, prosperity, creativity, relationships/romance, job success, stress-free living, and self-esteem. As Louise guides you through affirmations in each topic, you’ll see that there is no problem so big or small that it cannot be solved with love. By the end of this book, you’ll be able to say I can do it with confidence, knowing that you’re on your way to the wonderful, joy-filled life you deserve.

📖 [Bone Broth Secret](#) LOUISE HAY, HEATHER DANE, 2016-01-05 When a forgotten, time-honored traditional food is rediscovered for its health and beauty benefits, we all pay attention. In this one-of-a-kind culinary adventure, internationally renowned self-help pioneer Louise Hay and 21st-century medicine woman Heather Dane join together to explore a fresh and fun take on the art of cooking with bone broth, as well as the science behind its impressive curative applications. Chock-full of research, how-tos, and tips, this inventive cookbook offers a practical, playful, and delicious approach to improving your digestion, energy, and moods. With over 100 gut-healing recipes for broths, elixirs, main dishes, breads, desserts—and even beauty remedies and cocktails—Louise and Heather will show you how to add a dose of nourishment into every aspect of your diet. You’ll also get entertaining stories along the way that remind you to add joy back onto your plate and into your life. Plus, you’ll find out how Louise not only starts her day with bone broth, but uses it as an ingredient in many of her meals as well—discovering why it is one of her secrets to vibrant wellness and longevity. Wherever I go, I’m asked, ‘How do you stay so healthy and young?’ Or I’m complimented on how beautiful my skin, hair, and nails look. I always say that the key is positive thoughts and healthy food. For many years, the staple of my diet has been bone broth. My doctors keep pointing out that my blood tests and other health-test results are better than people half my age. I tell them, ‘I’m a big, strong, healthy girl!’ Then I talk about bone broth. I want everyone to know about it because I believe it is an integral part of my health, energy, and vitality.— Louise Hay
