South African Multi-language Dictionary and Phrase Book, 1991 For South Africans who want to talk to each other, this dictionary and phrase book will open doors to a new understanding of our fellow countrymen and women. 5000 words and 500 phrases translated.

English / Afrikaans Phrasebook John C Rigdon, 2019-12-25 Afrikaans is spoken throughout South Africa and Namibia. The language is mainly derived from Dutch. However, most Afrikaans speakers in the workplace have some knowledge of English. This bi-lingual phrasebook and dictionary contains over 500 phrases and 5,000 word pairs in 70 categories in English and Afrikaans. You will note that approximately 10% of the words are the same in both languages. Also included is a guide to the English and Afrikaans alphabet and pronunciation. For pronunciation and definitions of the words in this book, see our website at www.wordsrus.info/afr Proper names may or may not be translated between languages. Generally country names are translated, but personal names, place names, and trade names (products) are not. Some words may provide an alternate translation or transliteration, others may not. CONTENTS: A Guide to English Pronunciation The English Alphabet English Vowels Nouns Adjectives Determiners Verbs Adverbs How to Pronounce Dates and Numbers Linking Between Words A Guide to Afrikaans Pronunciation The Afrikaans Alphabet Vowels Consonants Digraphs and Trigraphs Notes on Afrikaans Important differences between Dutch and Afrikaans Greetings Accommodations Directions Courtesy Holidays Public Holidays in South Africa Days, Months and Years Weather Time Questions Bathroom Kitchen Dining Food Beverage Health The words in the dictionary are identified by category with more than 70 groupings.

Afrikaans Language Jan Kotze, 2016-01-08 This guide to Afrikaans language collects the most common Afrikaans phrases and expressions. This phrasebook includes greetings, food items, directions, sightseeing and many other categories of expressions that will help you when traveling to Afrikaans speaking parts of the world. All of the expressions are transliterated in English with labeled stress enabling any English speaker to pronounce the words with reasonable accuracy. Native Afrikaans spelling is also included. This phrasebook is a must for anyone planning a trip to an Afrikaans speaking part of the world or just to study the language.

English / Afrikaans / Swahili Phrasebook John C Rigdon,2021-05-05 This is not your typical tourist phrasebook. It contains over 75 categories of terms in English, Afrikaans and Swahili with over 4,000 terms, phrases and sample sentences. Also included is a guide to the English, Afrikaans and Swahili alphabet and pronunciation. The English / Afrikaans / Swahili Phrasebook is designed to be used by the English speaker to learn the basics of the two major languages of southern Africa. If you are intending to learn any new language, you'll need to get a phrasebook. The purpose of the phrasebook is to give you practice in real-life situations. Memorizing phrases ahead of time is the BEST way to use a phrasebook. Your grammar book, and sometimes even your course, does not give you the Which room is mine? kind of phrases. Yes, you will need to flip through the book to find responses or the next question on a different topic, but that is only if you do not practice a bit ahead of time. You can't beat this book - for the price and the small, yet concise and relevant content. Learn how to tell time, order food, go through customs, as well as greetings and social conversations. Proper names may or may not be translated between languages. Generally country names are translated, but personal names, place names, and trade names (products) are not. Some words may provide an alternate translation or transliteration, others may not. This phrasebook is derived from our Words R Us system, a derivative of WordNet. English Wordnet, originally created by Princeton University is a lexical database for the English language. It groups words in English into sets of synonyms called synsets, provides brief definitions and usage examples, and records a series of relationships between these sets of synonyms. WordNet can be viewed as both a combination dictionary and thesaurus.

Afrikaans Lingvora Books,2021-04-26 The Afrikaans: Real-Life Conversations for Beginners book provides you the foundation for building conversation skills. For audio files, check the web www.lingvora.com. 30 conversation units considered for beginner to pre-intermediate levels: Each unit is broken down into dialogues, thematic words, phrasebook and exercises correspondingly. Here is the flow of book content: -Dialogue starts in Afrikaans first, followed by an English translation.-Thematic vocabulary derived from the dialogues and relevant context is set to broaden your word basis.-Useful phrases with English translation display sample expressions under the context.-The last section displays the set of exercises to practice what you have learned and memorized.-The dialogues, words and phrases are voiced by native speaker in understandable speed.
