*After the Rain* Erin Akey,2009-12 This book details the journey of one family's survival after one of the most devastating and destructive natural disasters in this country's history. Erin Akey, her three sons aged 13, 9, and 5, and her mother set out to seek safety as Hurricane Katrina approached their home in Bay St. Louis, Mississippi. Erin was a divorced, single mother who had to find a way for her family to survive as they fled the storm, found out that all that was left of their home and possessions was the slab of concrete and nothing else. She had to learn how to navigate the governmental bureaucracies to get help for them to survive, followed by her home insurance company trying any and everything to avoid honoring their commitment to their policyholders, and securing a safe place for them to live during these trying times. The reader is caught up in her trials and tribulations as they journey with her in her efforts to resolve the seemingly insurmountable obstacles she faced. However, this is not just a story of desperation but also of conquest. Despite the misery and heartache, Erin's story has a wonderful and exciting conclusion and the anticipation of a wonderful future filled with happiness and service to those who find themselves in circumstances similar to those she and her family faced. It is a story of courage in the face of adversity, faith, and the willingness to accept the good things God gives us, thank Him, and go forward, in His name, to help others.
