Property Agent Secrets Yasser Khan,2020-01-01 What Is PropertyAgentSecrets? PropertyAgentSecrets is NOT just another how to book on property marketing or motivation. It is NOT about getting more inquiries on your property listings - yet these secrets will help you get exponentially MORE inquiries than you've ever experienced before. It is NOT about increasing your appointments or closings - yet these secrets will increase your appointments and closings exponentially MORE than reposting credits daily on PropertyGuru or online portals ever could. PropertyAgentSecrets is A SHORTCUT. Low inquiries and closings are symptoms of a much greater problem that's a little harder to see (that's the bad news, but a lot easier to fix (that's the good news). Inside you will find the actual playbook we created after running thousands of tests and taking 10 years to perfect what works for real estate agents anywhere. You now have access to all of the Processes, Secrets and Scripts that we used to transform hundreds of property agents' careers and helped free up their time for family, weekends and vacations. I first approached Yasser in 2017 as I hated Technology & I'm not IT savvy. I found him to be a genuine, caring person who gets real results for his agents. I've been using his system for about a year, and impressively, I have managed to change the way I do business without using any of the old school methods. This is why I NEVER had to chase a single prospect since getting his system, because they came to ME fast and furious. And because of Yasser's highly effective techniques, I managed to SELL 2 landed homes in under 30 DAYS each! I'm very happy. My only regret was that I did not have enough time and manpower to follow up, as I'm very sure I could have sold even MORE homes. This is the only TOTAL system for all property agents in Singapore that I know of. I highly recommend Yasser's system if you hate technology or have no time for Marketing. - FRED TEO, KFPN There is something for EVERYONE: You're thinking of JOINING Real Estate; Once you get your license, this will be the PLAYBOOK and mentoring you need to build and grow your new career the right way by copying the success of those who succeeded before you and avoid the tears, blood and sweat of all those who failed! You're a Part Time Agent; then this book will teach you how to DOUBLE your income fast, kiss that lousy job goodbye and live life on your terms without a boss breathing down your neck! You're a NEW Full Time Agent; then this book will hold you by the hands, step-by-step and show you the PATH to earn a Rewarding Income (and the Respect) doing what you love! You're a SEASONED Veteran; then this book will show what's holding you back & demonstrate what exactly you need to do for a BREAKTHROUGH year and become a Top Producer fast! You're a TOP PRODUCER; then what got you so far will not sustain you here (because, let's be honest, you're not Superhuman). This book will teach you how to hire Team Members and go on to DOMINATE your Marketplace without all of the headaches that come with managing People! Yasser khan was a struggling property agent back in 2008 who transformed his realtor business in only under 11 months to multiple six figures after abandoning all old-school methods. For more than 10 years now, he's been quietly helping Property Agents quadruple their inquiries, appointments and sales by systemising their entire business and by leveraging Marketing, Technology & People.

missions. Readers will enjoy discovering the different jobs that exist in the agency, from covert spies to the scientists and engineers who collect intelligence. Star Agent Michel Friedman,2020 Star agent mission statement:To create a tool for every real estate practitioner that wants to increase their production and income in a comprehensive book that includes planning, techniques and strategies to guide them on how to achieve 50+ real estate transactions per year.It is my vision that the readers will use this book to build their systems and apply the strategies in their practice; that they will take this book every year to their favorite vacation place, read it again to refresh their memory, analyze their business and set goals for the following year - to continuously refer to the book if they wish to add a way of doing business or to remind them on scripts.I wrote this book to guide. Not to coach and not to train.When coaching or training, the coaches and the trainers usually focus on limited techniques and have a fixed script which they advocate it is their way or no way.For instance, a trainer will tell you farming is a waste of time, or doing open house is passive activity and you should avoid it. As a guide, I show you in the book that farming, too, is a great source of business when done correctly. Also, how to do open house as an active rather than passive activity that will produce predictable excellent results.When guiding, I give a wide range of techniques for doing business, and also a wide range of scripts and objection handling to situations. My idea is that the practitioners have to be comfortable with the script or the handling of the objection and can adjust it to their level of comfort. This way there is a better chance for the script or technique to be applied and used by the practitioner.This book is 30 years in the making: selling real estate, attending seminars of the greatest R.E. trainers in the world, doing office presentations at the request of my broker to the brokerage's agents under the title: This is how I do it.I have presented at my real estate board, managed and taught thousands of Realtors®, written articles in a national real estate magazine - I thought it was time to put all my experience and knowledge in one book.

To Be a U.S. Secret Service Agent Henry Holden,2006-05-15 The Secret Service was established after the Civil War by the Treasury Department, originally to protect American currency against counterfeiters. After the assassination of President William McKinley in 1901, Congress directed the Secret Service to protect the President of the United States. Protection remains the primary mission of the United States Secret Service. It takes a special type of individual to be a U.S. Secret Service agent, one willing to take a bullet to preserve the ideals on which the United States was founded. To Be a U.S. Secret Service Agent lifts the curtain for a look inside this secretive law enforcement agency, including the highly selective recruiting, the intense training, and the specialized weapons and equipment used to protect current and past Presidents, Vice Presidents, their families, and visiting heads of state.
