Personality Variables in Social Behavior Thomas Blass,2015-06-19 Originally published in 1977, the aim of this volume was to demonstrate in a concrete way the relevance of some of the most important individual variables for various domains of social behaviour. Eminent researchers at the time contributed original chapters that provided an up-to-date perspective on theory and research on important and widely used personality constructs. This

volume should serve as a text for advanced level students seeking a historical introduction to specific personality variables and a survey of theory and research on the most widely used personality dimensions of the time.

US Navy F-4 Phantom II MiG Killers 1972-73 Brad Elward,Peter E. Davies,2012-11-20 The second of two books on the Navy's Phantom II MiG killers of the Vietnam War, this book covers the numerous actions fought out over North Vietnam during the Linebacker I and II operations of 1972-73. No fewer than 17 MiGs were downed during this period, five of them by the Navy's sole aces of the conflict, Lts Randy Cunningham and Willie Driscoll of VF-96. Drawing on primary sources such as surviving Phantom II aircrew and official navy documentation, the author has assembled the most precise appraisal of fighter operations involving US Navy Phantom II units and those elusive MiGs ever seen in print.
