Hockey: Then to WOW! The Editors of Sports Illustrated Kids, 2017-09-26 Hockey: Then to WOW! shows readers how the cool sport has evolved from the early days of its 19th century origins to the game as it is today. Using NHL action photographs, illustrations, stories, and trivia, the book is a journey through time both for hockey fans and those new to the game. Kids will learn how basic equipment has changed from a ball to a puck and how the evolution of game strategy has transformed the sport, players, and equipment. Players throughout history are stacked up against each other in every position so fans can dream up the perfect fantasy team with Wayne Gretzky playing alongside Patrick Roy and Stan Mikita. A fun-filled section of the book explores everything fan culture—from the best ice rinks, to the iconic hockey sweater and the hockey haircut along with key aspects of the toughest sport around.

King of Russia Dave King,Eric Duhatschek,2012-11-13 A revealing look inside the Russian Super League by its first Canadian coach. Until now no Canadian had penetrated the coaching ranks of Russian hockey, but the year after the NHL lockout, Dave King became head coach of the Metallurg Magnitogorsk. From the beginning, King, Canada's long-time national coach and former coach of both the Flames and Blue Jackets, realized he was in for an adventure. His first meeting with team officials in a Vienna hotel lobby included six fast-talking Russians and the "bag-man" — assistant general manager Oleg Kuprianov, who always carried a little black bag full of U.S. one hundred dollar bills. The mission seemed simple enough: keep the old Soviet style combination play on offence, but improve the team's defensive play — and win a Russian Super League Championship. Yet, as King's diary of his time in Russia reveals, coaching an elite Russian team is anything but simple. *King of Russia* details the world of Russian hockey from the inside, intimately acquainting us with the lives of key players, owners, managers, and fans, while granting us a unique perspective on life in an industrial town in the new Russia. And introducing us to Evgeni Malkin, Magnitogorsk's star and the NHL's newest phenomenon.
