**The Monster of Madness (Slaves of Dying 2)** Sydney Alyk Langlois,

*Invitation to Madness (The Killing Game--Book 2)* Jaden Skye, 2016-01-08 Two young, female patients are found dead in a semi-private mental hospital in Queens. Each is found on the floor in their rooms, jugulars slashed. The hospital classifies them as suicides—but when a third patient is found dead, a terrifying question arises: is there a serial killer on the loose in the hospital? The FBI Behavioral Unit calls in its star criminal profiler, Tracy Wrenn, to provide her unique insights to crack the case. Immersed in the world of the hospital, Tracy encounters a wide array of disturbing and perplexing characters, each with their own level of psychosis. Tracy must plunge into the depths of the disturbed minds of both inmates and staff as she tries to sort out what is real and what is fantasy, and as she begins to learn just how twisted the human mind can be. A shocking twist culminates in an ending Tracy can never expect, as she finds herself on the brink—and can only hope to return. Book #3 in The Killing Game will be released soon.

*Summer Madness* Harry Mount, 2017-02-10 In the three short weeks between the EU referendum on 23 June 2016 and Theresa May's ascent to Downing Street on 13 July, Brexit morphed into a mass murderer, destroying everything it touched. As the Bullingdon boys, David Cameron and George Osborne, were sensationally whacked, Mafia-style, the Cabinet was drained of blue blood and the tight-knit Notting Hill Set torn asunder. Michael Gove stabbed fellow Brexit cheerleader Boris Johnson squarely in the back, while Jeremy Corbyn joined the ranks of the living dead, as twentythree shadow Cabinet members deserted him. Even Nigel Farage, the only victorious party leader in the referendum, resigned the UKIP leadership, days after the vote. So how did Brexit turn into this weapon of mass political destruction? In this compelling insider account, journalist Harry Mount reveals the plots, power struggles and personal feuds that brought down a government. Analysing the nationwide split between Europhiles and Eurosceptics, and reflecting on Brexit's parallels with Donald Trump's victory, Summer Madness is the ultimate guide to the biggest political coup of the century.

*Measurement Madness* Dina Gray, Pietro Micheli, Andrey Pavlov, 2015-01-27 A clearer, more accurate performance management strategy Over the past two decades, performance measurement has profoundly changed societies, organizations and the way we live and work. We can now access incredible quantities of data, display, review and report complex information in real time, and monitor employees and processes in detail. But have all these investments in collecting, analysing and reporting data helped companies, governments and people perform better? Measurement Madness is an engaging read, full of anecdotes so peculiar you'll hardly believe them. Each one highlights a performance measurement initiative that went wrong, explains why and – most importantly – shows you how to avoid making the same mistake yourself. The dangers of poorly designed performance measurement are numerous, and even the best how-to guides don't explain how to avoid them. Measurement Madness fills in the gap, showing how to ensure you're measuring the right things, rewarding the behaviours that deserve rewarding, and interpreting results in a way that will improve things rather than complicate them. This book will help you to recognize, correct and even avoid common performance measurement problems, including: Measuring for the sake of measuring Assuming that measurement is an instant fix for performance issues Comparing sets of data that have nothing in common and hoping to learn something Using targets and rewards to promote certain behaviours, and achieving exactly the opposite ones. Reading Measurement Madness will enable you to design a simple, effective performance measurement system, which will have the intended result of creating value in your organization.

**Exalting Jesus in 2 Peter, Jude** James Shaddix,2018-09-01 *Exalting Jesus in 2 Peter and Jude* is part of the Christ-Centered Exposition Commentary series. Edited by David Platt, Daniel L. Akin, and Tony Merida, this new commentary series, projected to be 48 volumes, takes a Christ-centered approach to expositing each book of the Bible. Rather than a verse-by-verse approach, the authors have crafted chapters that explain and apply key passages in their assigned Bible books. Readers will learn to see Christ in all aspects of Scripture, and they will be encouraged by the devotional nature of each exposition presented as sermons and divided into chapters that conclude with a "Reflect & Discuss" section, making this series ideal for small group study, personal devotion, and even sermon preparation. It's not academic but rather presents an easy reading, practical and friendly commentary. The authors of *Exalting Jesus in 2 Peter and Jude* are Danny Akin and Jim Shaddix
