RV Capital of the World Al Hesselbart,2017-06-12 Time spent with the family in a Coachmen Leprechaun or a Holiday Rambler is unforgettable. Indiana retains a unique place in the RV industry going back to the 1930s, when pioneering individuals like Milo Miller, Harold Platt and Wilbur Schult created the original RV businesses in the Elkhart-South Bend area, making campers for sale. By the end of World War II, the national media was identifying Elkhart as the Trailer Capital of the World. That status has been reinforced ever since, and the industry is still thriving in Indiana with the successes of Thor Industries and Forest River. Join author and RV expert Al Hesselbart as he chronicles how the Hoosier State became the RV Capital of the World.

New York Cab Driver and His Fare Charles Vidich,2017-09-29 Using information derived from research and interviews with cab drivers, Vidich has written a basic work on New York City cab drivers (hacks) that also provides passengers (fares) with a survival manual. Cab drivers are quoted by newspaper columnists, politicians, and at dinner parties; yet a hard look at the profession and its role in the transportation system of the city has been completely lacking. Vidich brings out in clear language the conflicts between the cab driver's position as a dispenser of a public service and his needs as a working person subjected to violence and pressure. It is difficult to imagine a more enjoyable introduction to an industry whose members are a folk tradition. At the same time, this book provides insight into the history and sociology of an important urban institution. It is a book about cab drivers everywhere; and cab drivers and fares in all cities have a new handbook in this volume.

Taxi, Go Patricia Toht,2024-02-13 With energy and exuberance, the author of *Pick a Pine Tree* and the illustrator of *Angry Cookie* pair up for a bustling day in the life of a big-city taxicab. Today will be a busy day for Taxi! There are plenty of passengers to pick up, and they all need a ride--to a football game, a play, a business meeting, the airport, and more. Whizzing left, right, and through traffic, Taxi has to STOP for red lights and emergency vehicles. But after every stop, stop, stop, it's Taxi . . . go, go, GO! Humming with musical rhyme and clever sound play, this vibrant take on a classic read-aloud theme radiates adventure and good fun. Brightly illustrated spreads of a happy urban world teem with details that vehicle-loving tots will pore over as they follow winsome Taxi through the work day and throughout the town until it's time for bed.

Where Is Your Final Destination David Pitt, 2011-12-13 Where is your final destination? Is it heaven! Jesus is the answer and the way. A journey will always take us from somewhere. A WORLD-WIDE MESSAGE The idea that something has the ability to transform or the potential to be transformed is a powerful one. It is powerful simply because it reinforces the idea that change is possible. It is possible that the sum total of who we are and what we are capable of is not limited to what can only be seen by the naked eye. The great truth about all of us is the fact that our external circumstances do not often reflect our internal potential and power. By God's design, there is more to us than meets the eye. This is why the Bible says, "Greater is he that is within you, than he that is within in the world." 1 John 4: 3-4 (NLT) In each of us lies the ability and potential, not only to be transformed, but also to be transformational. Transformation is not a small change; it is a big, radical change, reminiscent of a caterpillar becoming a butterfly. The idea that we do not have to remain as we are and our circumstance does not have to remain as it is, is powerful. Jesus saves individuals, families and nations for life.
