**Think Big** Kat Kronenberg, 2020-05-12 Set in the wilds of the African savanna, Think Big follows moody Baboon as he discovers another powerful secret. In the third installment in her Live Big Series, best-selling, award-winning author Kat Kronenberg takes readers back to the wilds of the African savanna where the animals not only still struggle to find food, but now they face life-threatening situations. They must fight to survive and are terrified. But when our beloved moody Baboon challenges Kudu on what to do, everything begins to change. One by one, Kudu, Giraffe, and Bee are faced with the dilemma of who they want to be. After watching Bee choose to do good, Baboon figures out a new secret: We can light the stars in our hearts, empowering our lives, once we smile big deep within, truly believing in who we are, our ideas, and the importance of caring for others. The danger continues to mount and Baboon finally gets so scared that he cries out for help. Luckily, some fun animals and Baobab Tree come to the rescue! Will they try the new-SHHH-secret so their collective ideas not only help all the animals survive, but thrive together so that their dreams can come true? Once again, Kronenberg creates a mythical evolution story of some of nature's most fascinating characters to teach young readers foundational skills for life—in this case, helping them build a loving community that knows the joy of gratitude, giving, and going for the extraordinary. Through playful dialogue and beautiful illustrations, readers learn to take a deep breath, connect their heads to their hearts, and celebrate their best lives as they problem solve. As with Dream Big and Love Big, Kronenberg includes hands-on activities at the end of the book and on her website. Her dream is that the whole experience will inspire young readers everywhere to learn to think big together.

**Come from Away** Genevieve Graham, 2018-04-24 From the bestselling author of *Tides of Honour* and *Promises to Keep* comes a poignant novel about a young couple caught on opposite sides of the Second World War. In the fall of 1939, Grace Baker's three brothers, sharp and proud in their uniforms, board Canadian ships headed for a faraway war. Grace stays behind, tending to the homefront and the general store that helps keep her small Nova Scotian community running. The war, everyone says, will be over before it starts. But three years later, the fighting rages on and rumours swirl about "wolf packs"

of German U-Boats lurking in the deep waters along the shores of East Jeddore, a stone's throw from Grace's window. As the harsh realities of war come closer to home, Grace buries herself in her work at the store. Then, one day, a handsome stranger ventures into the store. He claims to be a trapper come from away, and as Grace gets to know him, she becomes enamoured by his gentle smile and thoughtful ways. But after several weeks, she discovers that Rudi, her mysterious visitor, is not the lonely outsider he appears to be. He is someone else entirely—someone not to be trusted. When a shocking truth about her family forces Grace to question everything she has so strongly believed, she realizes that she and Rudi have more in common than she had thought. And if Grace is to have a chance at love, she must not only choose a side, but take a stand. Come from Away is a mesmerizing story of love, shifting allegiances, and second chances, set against the tumultuous years of the Second World War.
