Robert O. Freedman

America in Retreat Bret Stephens,2015-10-27 Americans are weary of acting as the world's policeman, especially in the face of our unending economic troubles at home. President Obama stands for cutting defense budgets, leaving Afghanistan, abandoning Iraq, appeasing Russia, and offering premature declarations of victory over al Qaeda. Meanwhile, some Republicans now also argue for a far smaller and less expensive American footprint abroad. Pulitzer Prize-winning Wall Street Journal columnist Bret Stephens rejects this view. As he sees it, retreating from our global responsibilities will ultimately exact a devastating price to our security and prosperity. In the 1930s, it was the weakness and vacillation of the democracies that led to war and genocide. Today the regimes in Tehran, Damascus, Beijing, and Moscow continue to test America's will. Americans have often been tempted to turn our backs on a world that fails to live up to our idealism and doesn't easily bend. But succumbing to that temptation always leads to tragedy. The mantle of global leadership is a responsibility we must shoulder for the sake of our freedom, our prosperity, and our safety--

The History of the World War I Various Authors,2023-12-14 This book features a collection of articles and official accounts and records on events of the First World War (1914-1918), contemporaneously known as the Great War or the war to end all wars, which was one of the deadliest conflicts in history, with an estimated nine million combatant deaths and 13 million civilian deaths as a direct result of the war, while resulting genocides and the related 1918 Spanish flu pandemic caused another 17-100 million deaths worldwide. Contents: What Caused the War The Defense of Liège The Great Retreat The Battle of the Marne How the French Fought The Race for the Channel The Last Ditch in Belgium Why Turkey Entered the War The Falkland Sea Fight Cruise of the Emden Capture of Tsing-Tao Gallipoli Gas: Second Battle of Ypres The Canadians at Ypres Sinking of the Lusitania Mountain Warfare The Great Champagne Offensive of 1915 The Tragedy of Edith Cavell Gallipoli Abandoned The Death-Ship in the Sky The Battle of Verdun The Battle of Jutland Bank Taking the Col di Lana The Battle of the Somme Russia's Refugees The Tragedy of Rumania Sixteen Months a War Prisoner Under German Rule in France and Belgium The Anglo-Russian Campaign in Turkey Kitchener Why America Broke with Germany How the War Came to America The War Message British Operations at Saloniki In Petrograd During the Seven Days America's First Shot German Activities in the United States Preparing for War The Capture of Jerusalem American Ships and German Submarines A Destroyer in Active Service East Africa Greece's Atonement The Italians at Bay Bottling up Zeebrugge and Ostend With the American Submarines Wounded Heroes of France The Battle of Picardy Bulgaria Quits The Fighting Czecho-Slovaks Six Days on the American Firing Line An American Battlefield Night Raids from the Air The American Army in Europe The American Navy In Europe Armistice Terms Signed by Germany Covenant of the League of Nations Treaty of Peace with Germany Treaty of Peace with Austria

Catch-67 Micah Goodman,2018-09-18 A controversial examination of the internal Israeli debate over the Israeli-Palestinian conflict from a best-selling Israeli author Since the Six-Day War, Israelis have been entrenched in a national debate over whether to keep the land they conquered or to return some, if not all, of the territories to Palestinians. In a balanced and insightful analysis, Micah Goodman deftly sheds light on the ideas that have shaped Israelis' thinking on both sides of the debate, and among secular and religious Jews about the Israeli-Palestinian conflict. Contrary to opinions that dominate the discussion, he shows that the paradox of Israeli political discourse is that both sides are right in what they affirm—and wrong in what they deny. Although he concludes that the conflict cannot be solved, Goodman is far from a pessimist and explores how instead it can be reduced in scope and danger through limited, practical steps. Through philosophical critique and political analysis, Goodman builds a creative, compelling case for pragmatism in a dispute where a comprehensive solution seems impossible.

Children of Abraham Khalid Duran,Abdelwahab Hechiche,Arnold James Rudin,2001 This groundbreaking book, developed with a grant from the Harriet and Robert Heilbrunn Institute for Interreligious Understanding of the American Jewish Committee, is a stepping stone to dialogue. Descended from a common ancestor, Jews and Muslims share a special relationship and practice religions that exhibit remarkable moral and theological resemblance. But most Jews know little about Islam. Professor Khalid Duran presents the majesty of Islam, its history and culture, but neither ignores nor rationalizes its more problematic aspects. His book offers an insightful and forthright treatment of the varieties of Muslim fundamentalism, Islamism and Jihadism. It offers a candid analysis of the status of women in Muslim belief and practice, as well as an unsentimental assessment of the historical treatment of minorities in Islamic societies. A publication of the Harriet and Robert Heilbrunn Institute for International Interreligious Understanding of the American Jewish Committee.

Black Power, Jewish Politics Marc Dollinger,2024-04-02 Black Power, Jewish Politics expands with this revised edition that includes the controversial new preface, an additional chapter connecting the book's themes to the national reckoning on race, and a foreword by Jews of Color Initiative founder Ilana Kaufman that all reflect on Blacks, Jews, race, white supremacy, and the civil rights movement--

Russia and the World in the Putin Era Roger E. Kanet,Dina Moulioukova,2021-09-27 This volume examines the role of Russia in the world under President Putin's rule. When the Soviet Union disintegrated after the Cold War, Russia seemingly embarked on the establishment of a democratic political system and seemed intent on joining the liberal international order. However, under President Putin's rule, there have been dramatic shifts in

Russian domestic and foreign policies, in order to re-establish itself as a great power. This book examines broad aspects of Russian political culture and threat perception, such as Russia's reaction to NATO expansion; its information warfare and energy policies; and its policy towards the Global South, especially the Middle East and Africa. The objective of the analyses is to explain the factors that influence Russian foreign policy, and to show how and why Russian relations with the European Union and the United States have deteriorated so rapidly in recent years. The volume introduces an alternative approach to the standard realist perspective, which often underlies existing analyses of Russian policy – namely, the work offers a theoretical perspective that focuses on the Russian sense of identity and on ontological security. This book will be of much interest to students of Russian foreign policy, security studies, and International Relations.

Interreligious Heroes Alon Goshen-Gottstein, 2021-10-04 Over forty premier world religious and scholars, of all major faith traditions, were asked the following: -Who is a figure who inspires your interfaith work? -How does this figure inspire you, and what lessons, applications, and concrete expressions has this inspiration taken in your life? The result is a stunning overview of the interfaith movement, its history, role models and heroes. Historical presentation complements the personal and experiential voice of the authors, making this not only a work for interfaith education but also a resource for spiritual inspiration.

Hamas Paola Caridi, 2023-11-28 When the radical Islamist group Hamas was elected to lead Palestine in 2006, the Western world was shocked. How had the majority of Palestinians come to support an extremist organization and how would the group's new political power affect the larger Israel/Palestine conflict? Italian journalist and historian Paola Caridi offers a clear-eyed account of how the conditions in this war-torn region led to the rise of Hamas and an unbiased look at the complex feelings that Palestinians have toward getting behind a government that supports violent resistance. By breaking from the sensationalist journalism surrounding the elections, Caridi is able to tell the story of a movement caught between the desire to resist its oppressor and the need to provide support for a refugee people. Caridi, informed by years of on-the-ground research and interviews with residents of Gaza and leaders of Hamas, covers the history of Gaza from its golden age as a port city to the formal birth and slow militarization of Hamas. This English-language translation brings the reader to present-day Palestine by offering a never-before-seen chapter on Operation Cast Lead, the shocking WikiLeaks disclosures, and the Cairo Revolution. Hamas paints a picture, with intelligence, dexterity, and heart, of a people trapped in the most historic of political battles and reveals the strange complexities behind the controversy by explaining one of the key players in the search for peace and justice that runs through the central crisis of the Middle East today.

My Jewish Year Abigail Pogrebin, 2017-03-14 In the tradition of *The Year of Living Biblically* by A.J. Jacobs and *Walking the Bible: A Journey by Land Through the Five Books of Moses* by Bruce Feiler comes Abigail Pogrebin's *My Jewish Year*, a lively chronicle of the author's journey into the spiritual heart of Judaism. Although she grew up following some holiday rituals, Pogrebin realized how little she knew about their foundational purpose and contemporary relevance; she wanted to understand what had kept these holidays alive and vibrant, some for thousands of years. Her curiosity led her to embark on an entire year of intensive research, observation, and writing about the milestones on the religious calendar. Whether in search of a roadmap for Jewish life or a challenging probe into the architecture of Jewish tradition, readers will be captivated, educated and inspired by Abigail Pogrebin's *My Jewish Year*.

The War of Return Adi Schwartz, Einat Wilf, 2020-04-28 Two prominent Israeli liberals argue that for the conflict between Israel and the Palestinians to end with peace, Palestinians must come to terms with the fact that there will be no right of return. In 1948, seven hundred thousand Palestinians were forced out of their homes by the first Arab-Israeli War. More than seventy years later, most of their houses are long gone, but millions of their descendants are still registered as refugees, with many living in refugee camps. This group—unlike countless others that were displaced in the aftermath of World War II and other conflicts—has remained unsettled, demanding to settle in the state of Israel. Their belief in a right of return is one of the largest obstacles to successful diplomacy and lasting peace in the region. In *The War of Return*, Adi Schwartz and Einat Wilf—both liberal Israelis supportive of a two-state solution—reveal the origins of the idea of a right of return, and explain how UNRWA - the very agency charged with finding a solution for the refugees - gave in to Palestinian, Arab and international political pressure to create a permanent “refugee” problem. They argue that this Palestinian demand for a “right of return” has no legal or moral basis and make an impassioned plea for the US, the UN, and the EU to recognize this fact, for the good of Israelis and Palestinians alike. A runaway bestseller in Israel, the first English translation of *The War of Return* is certain to spark lively debate throughout America and abroad.

America's Jewish Women: A History from Colonial Times to Today Pamela Nadell, 2019-03-05 A groundbreaking history of how Jewish women maintained their identity and influenced social activism as they wrote themselves into American history. What does it mean to be a Jewish woman in America? In a gripping historical narrative, Pamela S. Nadell weaves together the stories of a diverse group of extraordinary people—from the colonial-era matriarch Grace Nathan and her great-granddaughter, poet Emma Lazarus, to labor organizer Bessie Hillman and the great justice Ruth Bader Ginsburg, to scores of other activists, workers, wives, and mothers who helped carve out a Jewish American identity. The twin threads binding these

women together, she argues, are a strong sense of self and a resolute commitment to making the world a better place. Nadell recounts how Jewish women have been at the forefront of causes for centuries, fighting for suffrage, trade unions, civil rights, and feminism, and hoisting banners for Jewish rights around the world. Informed by shared values of America's founding and Jewish identity, these women's lives have left deep footprints in the history of the nation they call home.

Israel Under Netanyahu Robert O. Freedman, 2019-12-06 Examining Benjamin Netanyahu's more than a decade-long period as Israel's Prime Minister, this important book evaluates the domestic politics and foreign policy of Israel from 2009-2019. This comprehensive study assesses Israel's main political parties, highlights the special position in Israel of Israel's Arab, Russian and religious communities, appraises Netanyahu's stewardship of Israel's economy, and analyzes Israel's foreign relations. The scholars contributing to the volume are leading experts from both Israel and the United States and represent a broad spectrum of viewpoints on Israeli politics and foreign policy. The case studies cover the Likud party, the non-religious opposition parties such as Labor, Meretz, and Yesh Atid, the Arab parties, the religious parties and the Russian-based Yisrael B'Aliyah party, and present analyses of the ups and downs of Israel's relations with the United States, the American Jewish Community, Iran, Europe, the Palestinians, the Arab World, Russia, China, India, and Turkey as well as Israel's challenges in dealing with terrorism. Another highlight of the book is an assessment of Netanyahu's leadership of the Likud party, which seeks to answer the question as to whether Netanyahu is a pragmatist interested in a peace deal with the Palestinians or an ideologue who wants Israel to hold on to the West Bank as well as all of Jerusalem. This volume will be of interest to readers who wish to understand the dynamics of Israel during Benjamin Netanyahu's time as Prime Minister and are interested in the history and politics of Israel and the Middle East.

How to Fight Anti-Semitism Bari Weiss, 2019-09-10 WINNER OF THE NATIONAL JEWISH BOOK AWARD • The prescient founder of The Free Press delivers an urgent wake-up call to all Americans exposing the alarming rise of anti-Semitism in this country—and explains what we can do to defeat it. “A praiseworthy and concise brief against modern-day anti-Semitism.”—The New York Times On October 27, 2018, eleven Jews were gunned down as they prayed at their synagogue in Pittsburgh. It was the deadliest attack on Jews in American history. For most Americans, the massacre at Tree of Life, the synagogue where Bari Weiss became a bat mitzvah, came as a shock. But anti-Semitism is the oldest hatred, commonplace across the Middle East and on the rise for years in Europe. So that terrible morning in Pittsburgh, as well as the continued surge of hate crimes against Jews in cities and towns across the country, raise a question Americans cannot avoid: Could it happen here? This book is Weiss's answer. Like many, Weiss long believed this country could escape the rising tide of anti-Semitism. With its promise of free speech and religion, its insistence that all people are created equal, its tolerance for difference, and its emphasis on shared ideals rather than bloodlines, America has been, even with all its flaws, a new Jerusalem for the Jewish people. But now the luckiest Jews in history are beginning to face a three-headed dragon known all too well to Jews of other times and places: the physical fear of violent assault, the moral fear of ideological vilification, and the political fear of resurgent fascism and populism. No longer the exclusive province of the far right, the far left, and assorted religious bigots, anti-Semitism now finds a home in identity politics as well as the reaction against identity politics, in the renewal of America First isolationism and the rise of one-world socialism, and in the spread of Islamist ideas into unlikely places. A hatred that was, until recently, reliably taboo is migrating toward the mainstream, amplified by social media and a culture of conspiracy that threatens us all. Weiss is one of our most provocative writers, and her cri de coeur makes a powerful case for renewing Jewish and American values in this uncertain moment. Not just for the sake of America's Jews, but for the sake of America.

Fight John Della Volpe, 2022-01-18 From John Della Volpe, the director of polling at the Harvard Institute of Politics, *Fight* is an exploration of Gen Z, the issues that matter most to them, and how they will shape the future. 9/11. The war on terror. Hurricane Katrina. The 2008 financial crisis. The housing crisis. The opioid epidemic. Mass school shootings. Global warming. The Trump presidency. COVID-19. Since they were born, Generation Z (also known as zoomers)—those born from the late 1990s to early 2000s—have been faced with an onslaught of turmoil, destruction and instability unprecedented in modern history. And it shows: they are more stressed, anxious, and depressed than previous generations, a phenomenon John Della Volpe has documented heavily through decades of meeting with groups of young Americans across the country. But Gen Z has not buckled under this tremendous weight. On the contrary, they have organized around issues from gun control to racial and environmental justice to economic equity, becoming more politically engaged than their elders, and showing a unique willingness to disrupt the status quo. In *Fight: How Gen Z Is Channeling Their Passion and Fear to Save America*, Della Volpe draws on his vast experience to show the largest forces shaping zoomers' lives, the issues they care most about, and how they are—despite older Americans' efforts to label Gen Z as overly sensitive, lazy, and entitled—rising to the unprecedented challenges of their time to take control of their country and our future.

Conversion, Inter marriage, and Jewish Identity Adam Mintz, Marc D. Stern, 2015 Questions of conversion have been amongst the most fraught issues on the internal Jewish agenda in Israel, the United States, and elsewhere. This monograph represents the first collection of essays and articles by leading scholars and rabbis on the topics of inter marriage, conversion, and Jewish identity--

Political Groups, Parties, and Organizations That Shaped America [3 volumes] Scott H. Ainsworth Ph.D., Brian M. Harward, 2019-07-19 This three-volume set explores the multiple roles that parties and interest groups have played in American politics from the nation's beginnings to the present. This set serves as an essential resource for analyzing the emergence and impact of parties and interest groups in the American political system and for understanding the systematic and structural bases for interest group and party behavior. Volume One opens with an introduction by the editors that provides a general overview of the eras and identifies important themes and events, laying a foundation on which the subsequent essays and primary documents for each interest group or political party builds. Narrative essays focus on how specific parties or interest groups have shaped or reflect a particular set of events or general themes in each of the eras in American political history. Topical entries reflect key themes developed throughout the volumes. Entries range from important founding groups and parties to contemporary political action committees and policy advocacy groups. The set also includes primary source documents (e.g., letters, platform documents, court decisions, flyers, etc.) that reveal important dimensions of the corresponding group's political influence.

War with Russia? Stephen F. Cohen, 2018-11-27 Is America in a new Cold War with Russia? How does a new Cold War affect the safety and security of the United States? Does Vladimir Putin really want to destabilize the West? What should Donald Trump and America's allies do? America is in a new Cold War with Russia even more dangerous than the one the world barely survived in the twentieth century. The Soviet Union is gone, but the two nuclear superpowers are again locked in political and military confrontations, now from Ukraine to Syria. All of this is exacerbated by Washington's war-like demonizing of the Kremlin leadership and by Russiagate's unprecedented allegations. US mainstream media accounts are highly selective and seriously misleading. American "disinformation," not only Russian, is a growing peril. In *War With Russia?*, Stephen F. Cohen—the widely acclaimed historian of Soviet and post-Soviet Russia—gives readers a very different, dissenting narrative of this more dangerous new Cold War from its origins in the 1990s, the actual role of Vladimir Putin, and the 2014 Ukrainian crisis to Donald Trump's election and today's unprecedented Russiagate allegations. Topics include: Distorting Russia US Follies and Media Malpractices 2016 The Obama Administration Escalates Military Confrontation With Russia Was Putin's Syria Withdrawal Really A "Surprise"? Trump vs. Triumphalism Has Washington Gone Rogue? Blaming Brexit on Putin and Voters Washington Warmongers, Moscow Prepares Trump Could End the New Cold War The Real Enemies of US Security Kremlin-Baiting President Trump Neo-McCarthyism Is Now Politically Correct Terrorism and Russiagate Cold-War News Not "Fit to Print" Has NATO Expansion Made Anyone Safer? Why Russians Think America Is Attacking Them How Washington Provoked—and Perhaps Lost—a New Nuclear-Arms Race Russia Endorses Putin, The US and UK Condemn Him (Again) Russophobia Sanction Mania Cohen's views have made him, it is said, "America's most controversial Russia expert." Some say this to denounce him, others to laud him as a bold, highly informed critic of US policies and the dangers they have helped to create. *War With Russia?* gives readers a chance to decide for themselves who is right: are we living, as Cohen argues, in a time of unprecedented perils at home and abroad?

American Jewish Year Book 2014 Arnold Dashefsky, Ira Sheskin, 2014-11-19 This book, in its 114th year, provides insight into major trends in the North American Jewish communities, examining the recently completed Pew Report (A Portrait of Jewish American), gender in American Jewish life, national and Jewish communal affairs and the US and world Jewish population. It also acts as an important resource with lists of Jewish Institutions, Jewish periodicals and academic resources as well as Jewish honorees, obituaries and major recent events. It should prove useful to social scientists and historians of the American Jewish community, Jewish communal workers and the press, among others.

Faith Or Fear Elliott Abrams, 1997 The author addresses the loss of Jewish identity in a Christian Society, and calls for Jews to return to their heritage.

The American Jewish Experience Hebrew Union College-Jewish Institute of Religion. Center for the Study of the American Jewish Experience, 1986

Unveiling the Magic of Words: A Report on "Ajc Global Forum"

In a world defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their ability to kindle emotions, provoke contemplation, and ignite transformative change is actually awe-inspiring. Enter the realm of "Ajc Global Forum," a mesmerizing literary masterpiece penned with a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve to the book's central themes, examine its distinctive writing style, and assess its profound impact on the souls of its readers.

Ajc Global Forum Introduction

In todays digital age, the availability of Ajc Global Forum books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Ajc Global Forum books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Ajc Global Forum books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Ajc Global Forum versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Ajc Global Forum books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Ajc Global Forum books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Ajc Global Forum books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to

borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Ajc Global Forum books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Ajc Global Forum books and manuals for download and embark on your journey of knowledge?

FAQs About Ajc Global Forum Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Ajc Global Forum is one of the best book in our library for free trial. We provide copy of Ajc Global Forum in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Ajc Global Forum. Where to download Ajc Global Forum online for free? Are you looking for Ajc Global Forum PDF? This is definitely going to save you time and cash in something you should think about.
