

Al Ahli Club Dubai

Gavin Thomas

Insolvency of Football Clubs and Sporting Succession Vitus Derungs, 2022-08-05 The economic collapse of football clubs occurs time and again. Some clubs manage to save themselves by means of financial restructuring measures, others are dissolved and disappear from the scene, and still others resurrect as new clubs, often with colours, crest and a name that are very similar to the dissolved club – so-called sporting successors. Financial claim proceedings against insolvent football clubs and sporting successors before the bodies of FIFA and the Court of Arbitration for Sport (CAS) raise various complex legal issues. Recently adopted FIFA regulations address some of these issues, others have been answered by the case law of FIFA and CAS. This book provides legal practitioners with a conclusive overview of the current legal situation concerning financial claim proceedings against insolvent football clubs and sporting successors before FIFA and CAS.

Managing in Uncertain Times Melodena Stephens, Ian Michael, Tim Rogmans, Immanuel Moonesar, 2012-01-10 Celebrates 'The Academy of International Business - Middle East North Africa' (AIB-MENA) Chapter's second conference themed Managing in Uncertain Times in Dubai, UAE. This title focuses on the real business management problems that MENA-based organizations face.

Sport, Politics and Society In the Middle East Danyel Reiche, Tamir Sorek, 2019-09-15 Sport in the Middle East has become a major issue in global affairs. The contributors to this timely volume discuss the intersection of political and cultural

processes related to sport in the region. Eleven chapters trace the historical institutionalization of sport and the role it has played in negotiating Western culture. Sport is found to be a contested terrain where struggles are being fought over the inclusion of women, over competing definitions of national identity, over preserving social memory, and over press freedom. Also discussed are the implications of mega-sporting events for host countries, and how both elite sport policies and sports industries in the region are being shaped. *Sport, Politics and Society in the Middle East* draws on academic disciplines from the humanities and social sciences to offer in-depth, theoretically grounded, and richly empirical case studies. It employs diverse research methodologies, from ethnography and in-depth interviews to archival research, to make a lasting contribution to this critical subject.

Encyclopedia of International Games Daniel Bell, 2016-03-17 The Olympic Games, revived in 1896, are the most well known international multisport gathering—but since 1896, hundreds of other competitions based on the Olympic Games model have been established whose histories have not been well documented. The *Encyclopedia of International Games* captures (in one alphabetical sequence) the histories of these games, many of them for the first time. The work includes major regional events such as the African, Asian, Arab, South Pacific, and Pan American Games; competitions such as the Indian Ocean Island Games, Arctic Winter Games, Island Games, and Games of the Small Countries of Europe; specific

populations or professions such as the North American Indigenous Games, Maccabiah Games, World Military Games, World Police and Fire Games, and World Medical and Health Games; and Special Olympics, the Paralympics, games for the blind, and other regional games. Eight appendices, notes, bibliography, index.

The Triumph of the Will. The Journey of My Experience Prof. Jamal Sanad Al-Suwaidi, 2017 A heartfelt, honest autobiography written by the author. A brief synopsis detailing the challenges the author had to overcome in his fight to defeat a serious illness. The author's drive and passion to inform the public is a testament to his determination and compassion.

Focus On: 100 Most Popular Expatriate Footballers in Spain Wikipedia contributors, **Soccer around the World** Charles Parrish, John Nauright, 2014-04-21 Two leading sports authorities explore the culture of soccer around the world, considering the sport as a means to better understand a society's past, present, and future. How popular is soccer worldwide? Here's one indicator: 3.2 billion people—nearly half of the planet's population—tuned in to watch the 2010 World Cup on television. Soccer matches attract a gargantuan number of fans from around the globe due to the popularity of the sport itself but also because of the nationalism it inspires and the entertainment spectacle of the big games. Distinguished authors and sports authorities, Charles Parrish and John Nauright, examine how soccer impacts societies worldwide by shaping national identities, providing common ground for

diplomatic issues, and forging economic and social development. This one-volume geographic guide studies the places in which soccer has a major impact, examining each region's teams, major tournaments, key players, and international performance. The authors organize the book geographically by region and country, with entries reviewing the history of the sport and cultural impact on the area. Each profile concludes with fascinating game-based statistics, such as winners of major tournaments and top goal scorers. The book covers 20 countries including England, Brazil, Egypt, the United States, Cameroon, and Korea.

Kultur, Bildung und Wandel 1987 – 2004 Sultan Bin Muhammad al-Qasimi, 2014-10-31 Im vierten und letzten Band seiner Memoiren schildert der Emir von Sharjah, wie es nach dem gescheiterten Putschversuch im Juni 1987 weiterging. Er berichtet von seinen Aufgaben und Maßnahmen, seinen politischen und gesellschaftlichen Anliegen und Visionen. Mit dem Tod des Gründers der Vereinigten Arabischen Emirate, Shaikh Zayid bin Sultan Al Nahyan, im November 2004, schließen seine Erinnerungen. In den genannten Zeitraum fällt die irakische Invasion Kuwaits im Jahre 1990 – eine traumatisierende Erfahrung für die Bürger Sharjahs und der anderen Emirate, die sich in großer Zahl als Freiwillige meldeten, um ihre Nachbarn zu verteidigen. Sharjah und die VAE erlebten in diesen Jahren bedeutende Entwicklungen in den Bereichen Kultur und Bildung, aber auch in politischer Hinsicht. Mit der Gründung der Universität Sharjah und der Amerikanischen

Universität von Sharjah sowie weiterer wichtiger Bildungsinstitutionen in den anderen Emiraten wuchs auch das akademische Angebot. 1998 wurde Sharjah zur arabischen Kulturhauptstadt gewählt. Dies geschah in Anerkennung des lebendigen, kulturfreundlichen Klimas, das sich etwa in der ab 1993 stattfindenden Sharjah Kunstbiennale zeigte oder in der steigenden Bedeutung der Buchmesse von Sharjah. Der Autor selbst erhielt in diesen Jahren zahlreiche Auszeichnungen, unter anderem vom Institut du Monde Arabe in Paris, außerdem Doktor- und Ehrendokortitel von mehreren internationalen Universitäten. 2003 verlieh Frankreich Dr. Sultan al-Qasimi den renommierten Ordre des Arts et des Lettres und würdigte damit seine Leistungen in den in Bereichen Hochschulbildung, Wissenschaft, Kultur und Kunst und seine Unterstützung des Dialogs zwischen Orient und Okzident.

Arsenal FC Heather Williams, 2018-08-01 Did you know that Arsenal FC is named after the factory where its founding members worked? The team is also nicknamed "The Gunners." Learn more exciting facts about this fascinating soccer club in Arsenal FC, an Inside Professional Soccer book.

Confessions of an International Banker Sean Hickey, 2013-03 From the City of London to the deserts of Arabia, the former Soviet states, and sub-Saharan Africa, this book traces the life and career of a man who has been a banker in some remarkably challenging environments over a period of half a century. The author has counted bales of cotton in Yemen, dodged Israeli bombs in Lebanon, financed exports from Romania in the days of Ceausescu, been a banker to a member of a ruling

family in the Gulf, conducted business in the sauna of a bank in Kazakhstan, and met Her Majesty Queen Elizabeth II. In his spare time, he has taken an active part in amateur theater groups in the countries in which he has lived, served as a member of committees administering cemeteries, and been a warden appointed by the British Embassy to assist their citizens in times of trouble. As well as being an engrossing story of banking in many varied countries, the book includes chapters about the background to the problems of some of the places in which he has worked that show a clear understanding of the history and politics involved. Having lived in the Middle East for much of his life, he comments on the Arab Spring, and his long and diverse banking career has enabled him to write incisively on events in the industry in recent years. He draws conclusions on both of these momentous stories.
