Perfect Lives Polly Samson,2016-03-22 In an English seaside town, lovers and children, men and women weave in and out of each other's lives and stories. A mother is tormented by her daughter's tattoo; another only pretends to love her baby. A wife stalks her husband and his new lover; a broken egg through a mailbox tells a story that will not go away; the cat thinks he knows best. Threaded throughout are longings for love and poignant disappointments, surprising pleasures and temptations. Some will fall but some, like the small boy at the circus who sees his babysitter fly past on a trapeze wearing little more than a blue bra and spangles, will retain their feeling of awe. The stories in Perfect Lives are rueful, knowing, witty, poignant, bashful, bold. Polly Samson's genius is in the nuance.

Decolonizing Pathways towards Integrative Healing in Social Work Kris Clarke,Michael Yellow Bird,2020-10-01 Taking a new and innovative angle on social work, this book seeks to remedy the lack of holistic perspectives currently used in Western social work practice by exploring Indigenous and other culturally diverse understandings and experiences of healing. This book examines six core areas of healing through a holistic lens that is grounded in a decolonizing perspective. Situating integrative healing within social work education and theory, the book takes an interdisciplinary approach, drawing from social memory and historical trauma, contemplative traditions, storytelling, healing literatures, integrative health, and the traditional environmental knowledge of Indigenous Peoples. In exploring issues of water, creative expression, movement, contemplation, animals, and the natural world in relation to social work practice, the book will appeal to all scholars, practitioners, and community members interested in decolonization and Indigenous studies.

European Integration and Nordic Alcohol Policies Harold D. Holder,1998 The membership and alignment of Sweden, Finland and Norway in the EU has had a significant impact on the alcohol policies of each of these countries. Each has had a long history of state control of alcohol production as well as wholesale, import and retail sales. The purpose of such state control is to maintain a lower overall consumption of alcohol and the associated lower level of alcohol problems. This book describes the changes in alcohol policy and practice and the consequences for each of these countries as a result of the association with the EU. It describes the negotiations and their results concerning alcohol policy, the patterns of alcohol sales and consumption, changes in public values and attitudes concerning alcohol sales and its control, the health and social problems which are related to these changes and economic factors, and the consequences of changes in alcohol policy.

Arabic and Persian Loanwords in Tagalog Jean-Paul G. POTET,2013 The few, and generally obsolete Tagalog words of Arabic and/or Persian origin that can be found in old and modern dictionaries are fragments from a period when they must have been more numerous, although their number cannot ever have been very large. Some illustrate how Manila was an outpost of the Bornean polity based in Brunei, itself a part of the Indo-Javanese system, while others point at direct contacts with traders who spoke some varieties of Arabic, but were probably Indians, Persians, Armenians from Persia or even Turks. Thus these terms entered Tagalog over a very long period that lasted until the 19th Century.
