Miracle Moments in Alabama Crimson Tide Football History Mark Mayfield, 2018-10-16 Alabama's Crimson Tide has been the most dominant college football team in America for the past decade, winning five national championships and five conference titles. The team, under coach Nick Saban, has won an astounding ninety percent of its games since 2008, and established a dynasty unparalleled in modern college football. As impressive as Saban and his teams have been, these are far from the only glory days in Alabama football history, and their great tradition is celebrated in *Miracle Moments in Alabama Crimson Tide Football History*. Mark Mayfield chronicles Alabama's colorful football history dating to when their first team won a scrimmage, 56-0, over a group of Birmingham high school players in 1892. Three decades later, Alabama pulled off a stunning 20-19 upset of West Coast powerhouse Washington in the 1926 Rose Bowl, won its first national championship, and took its place among the elite teams in America with seventeen national titles through eras coached by Wallace Wade, Frank Thomas, the legendary Paul "Bear" Bryant, Gene Stallings, and Saban. Along the way, some of the best players in the nation have been a part of this extraordinary program—from Don Hutson, Harry Gilmer, Joe Namath, Ken Stabler, John Hannah, Lee Roy Jordan, Derrick Thomas, and Cornelius Bennett to Julio Jones, Amari Cooper, Mark Barron, Dont'a Hightower, Minkah Fitzpatrick, Calvin Ridley, and Heisman Trophy winners Mark Ingram Jr. and Derrick Henry. They and so many other remarkable players and coaches are highlighted in *Miracle Moments in Alabama Crimson Tide Football History*, a must have for all 'Bama football fans.

**The Missing Ring** Keith Dunnavant, 2007-08-21 Keith Dunnavant's triumph is that he takes us into the heart of Alabama, into the darkness and the light, and there we see Joe Namath, Kenny Stabler, Ray Perkins, and their band of brothers play football for Bear Bryant the way life should be lived, at full throttle, indomitably. ---Dave Kindred, author of *Sound and Fury: Two Powerful Lives, One Fateful Friendship* *The Missing Ring* is more than a football book. It is both a story of a changing era and of an extraordinary team on a championship quest. Very few institutions in American sports can match the enduring excellence of the University of Alabama football program. Across a wide swath of the last century, the tradition-rich Crimson Tide has claimed twelve national championships, captured twenty-five conference titles, finished thirty-four times among the country's top ten, and played in fifty-three bowl games. Especially dominant during the era of the legendary Paul Bear Bryant, the larger-than-life figure who towered over the landscape like no man before or since, Alabama entered the 1966 season with the

chance to become the first college football team to win three consecutive national championships. Every aspect of Bryant's grueling system was geared around competing for the big prize each and every year, and in 1966 the idea of the threepeat tantalized the players, pushing them toward greatness. Driven by Bryant's enthusiasm, dedication, and perseverance, players were made to believe in their team and themselves. Led by the electrifying force of quarterback Kenny Snake Stabler and one of the most punishing defenses in the storied annals of the Southeastern Conference, the Crimson Tide cruised to a magical season, finishing as the nation's only undefeated, untied team. But something happened on the way to the history books. The Missing Ring is the story of the one that got away, the one that haunts Alabama fans still, and native Alabamian Keith Dunnivant takes readers deep inside the Crimson Tide program during a more innocent time, before widespread telecasting, before scholarship limitations, before end-zone dances. Meticulously revealing the strategies, tactics, and personal dramas that bring the overachieving boys of 1966 to life, Dunnivant's insightful, anecdotally rich narrative shows how Bryant molded a diverse group of young men into a powerful force that overcame various obstacles to achieve perfection in an imperfect world. Set against the backdrop of the civil rights movement, the still-escalating Vietnam War, and a world and a sport teetering on the brink of change in a variety of ways, *The Missing Ring* tells an important story about the collision between football and culture. Ultimately, it is this clash that produces the Crimson Tide's most implacable foe, enabling the greatest injustice in college football history. Keith Dunnivant has written yet another fabulous book about the fabled Alabama football program. You will be amazed at how one of the great injustices in the history of college football cost them their rightful place in history. And you just thought the system was screwed up now. ---Jim Dent, author of *The Junction Boys*

Keith Dunnivant nails it: all the sacrifices the 1966 Alabama team made to win three national championships in a row, and how we were robbed at the ballot box. ---Jerry Duncan, one of the boys of 1966

Dunnivant infuses reportage and passion into a tale that every Alabamian of a certain age knows: For all the crying about Penn State in 1969, Penn State in 1994, or Auburn in 2004, no team ever got shafted the way the 1966 Crimson Tide did. It's all here: the churning legs, the churning stomachs, and the dreaded gym classes where Bear Bryant's boys made the sacrifices he demanded in order to become champions. They conquered their opponents on the field, but proved to be no match for the politics of the day off the field. The

100 Things Crimson Tide Fans Should Know & Do Before They Die Christopher Walsh, 2016-09-15

**We Want Bama** Joseph Goodman, 2021-11-09 A lively chronicle of how the 2020 Crimson Tide became Nick Saban's "ultimate team." Was Alabama's Crimson Tide in 2020 the greatest team of all time? The squad went 13-0 in a pandemic year, scored a combined 107 points against SEC powerhouses LSU and Florida, crushed Ohio State in a National Championship Game 52-24 in a contest that wasn't even that close, and followed it up with another top-rated signing class. Nick Saban called his boys the "ultimate team," but it wasn't just because they kicked the ever-living hell out of everyone on the football field. It was because the team leveraged a power and influence born of Southern pride to push back against a hateful legacy of racism that a populist president was exploiting to divide the nation. At a time when Americans needed real leaders in the face of so much hate, the sports world answered the call and fought back for the soul of the country. In the summer of 2020, the Tide players left their training facility and, led by their celebrated coach, marched to a campus doorway made infamous sixty years earlier by another political demagogue and showed what people can accomplish when they fight together for a just cause in the name of unity. The most powerful force in a state crazy for college football had chosen to make a stand and replace George Wallace's "Segregation forever!" with a different message, written by one of the players: "All lives can't matter until Black lives matter." There have been some great football teams through the years, and they all deserve respect. But here's what we know for sure: They all would have been appreciative of what this Alabama team represented, and proud of what it accomplished. The Crimson Tide in 2020 captured something special that moved it beyond the conversation of best ever, and into the place reserved for most important of all time.
