Legends of Alabama Football Richard Scott,2014-01-07

With 15 national championships and a tradition of national achievement that dates back to the 1920s, the University of Alabama has secured its spot as one of the most successful athletic institutions in the history of American sports. Dating back to the days when university president Dr. George H. "Mike" Denny decided football would be the university's ticket to national prominence, Alabama has produced some of the most legendary teams and players in the history of the game. Many of those legends have long since passed, but standouts such as Johnny Mack Brown, Dixie Howell, Don Huston, Pat Trammell, and Derrick Thomas remain alive and well in the hearts and minds of loyal Crimson Tide fans. The legends of Tide stars such as Joe Namath, Ken Stabler, Harry Gilmer, Johnny Musso, John Hannah, and Ozzie Newsome continue to grow with time. None of those legends stands taller than Paul "Bear" Bryant, the former Crimson Tide

player who returned to Alabama as head coach in 1958 and built a dynasty that rivaled any in sports, pro, or college football. From Wallace Wade to Heisman Trophy-winner Mark Ingram, current coach Nick Saban, and all points in between, Legends of Alabama Football chronicles the coaches, players, and events that placed Crimson Tide football on the national sports landscape.

We Want Bama Joseph Goodman, 2021-11-09 A lively chronicle of how the 2020 Crimson Tide became Nick Saban's "ultimate team." Was Alabama's Crimson Tide in 2020 the greatest team of all time? The squad went 13-0 in a pandemic year, scored a combined 107 points against SEC powerhouses LSU and Florida, crushed Ohio State in a National Championship Game 52-24 in a contest that wasn't even that close, and followed it up with another top-rated signing class. Nick Saban called his boys the "ultimate team," but it wasn't just because they kicked the ever-living hell out of everyone on the football field. It was because the team leveraged a power and influence born of Southern pride to push back against a hateful legacy of racism that a populist president was exploiting to divide the nation. At a time when Americans needed real leaders in the face of so much hate, the sports world answered the call and fought back for the soul of the country. In the summer of 2020, the Tide players left their training facility and, led by their celebrated coach, marched to a campus doorway made infamous sixty years earlier by another political demagogue and showed what people can accomplish when they fight together for a just cause in the name of unity. The most powerful force in a state crazy for college football had chosen to make a stand and replace George Wallace's "Segregation forever!" with a different message, written by one of the players: "All lives can't matter until Black lives matter." There have been some great football teams through the years, and they all deserve respect. But here's what we know for sure: They all would have been appreciative of what this Alabama team represented, and proud of what it accomplished. The Crimson Tide in 2020 captured

something special that moved it beyond the conversation of best ever, and into the place reserved for most important of all time.

Rising Tide Randy Roberts, Ed Krzemienski, 2013-08-20 The extraordinary story of how Coach Paul Bear Bryant and Joe Namath, his star quarterback at the University of Alabama, led the Crimson Tide to victory and transformed football into a truly national pastime. During the bloodiest years of the civil rights movement, Bear Bryant and Joe Namath—two of the most iconic and controversial figures in American sports—changed the game of college football forever. Brilliantly and urgently drawn, this is the gripping account of how these two very different men—Bryant a legendary coach in the South who was facing a pair of ethics scandals that threatened his career, and Namath a cocky Northerner from a steel mill town in Pennsylvania—led the Crimson Tide to a national championship. To Bryant and Namath, the game was everything. But no one could ignore the changes sweeping the nation between 1961 and 1965—from the Freedom Rides to the integration of colleges across the South and the assassination of President Kennedy. Against this explosive backdrop, Bryant and Namath changed the meaning of football. Their final contest together, the 1965 Orange Bowl, was the first football game broadcast nationally, in color, during prime time, signaling a new

era for the sport and the nation. Award-winning biographer Randy Roberts and sports historian Ed Krzemienski showcase the moment when two thoroughly American traditions-football and Dixie-collided. A compelling story of race and politics, honor and the will to win, *RISE* captures a singular time in America. More than a history of college football, this is the story of the struggle and triumph of a nation in transition and the legacy of two of the greatest heroes the sport has ever seen.
