Miracle Moments in Alabama Crimson Tide Football History Mark Mayfield, 2018-10-16 Alabama's Crimson Tide has been the most dominant college football team in America for the past decade, winning five national championships and five conference titles. The team, under coach Nick Saban, has won an astounding ninety percent of its games since 2008, and established a dynasty unparalleled in modern college football. As impressive as Saban and his teams have been, these are far from the only glory days in Alabama football history, and their great tradition is celebrated in Miracle Moments in Alabama Crimson Tide Football History. Mark Mayfield chronicles Alabama's colorful football history dating to when their first team won a scrimmage, 56-0, over a group of Birmingham high school players in 1892. Three decades later, Alabama pulled off a stunning 20-19 upset of West Coast powerhouse Washington in the 1926 Rose Bowl, won its first national championship, and took its place among the elite teams in America with seventeen national titles through eras coached by Wallace Wade, Frank Thomas, the legendary Paul "Bear" Bryant, Gene Stallings, and Saban. Along the way, some of the best players in the nation have been a part of this extraordinary program—from Don Hutson, Harry Gilmer, Joe Namath, Ken Stabler, John Hannah, Lee Roy Jordan, Derrick Thomas, and Cornelius Bennett to Julio Jones, Amari Cooper, Mark Barron, Dont'a Hightower, Minkah Fitzpatrick, Calvin Ridley, and Heisman Trophy winners Mark Ingram Jr. and Derrick Henry. They and so many other remarkable players and coaches are highlighted in Miracle Moments in Alabama Crimson Tide Football History, a must have for all 'Bama football fans.

One Night, Two Teams Steven Travers, 2007-08-20 In the sweltering heat of September of 1970 on Legion Field, the USC Trojans and the University of Alabama's Crimson Tide played a game that defined the emancipation of the South from its sordid history of racial segregation. When USC's black running back Sam The Bam Cunningham ran roughshod all over the all-white Crimson Tide, more than a football game was won. Based on interviews with many of the game's participants and thoroughly researched this book presents sports as a metaphor for one of the most profound social changes in history.

Chasing the Bear Lars Anderson, 2019-09-03 A dual biography of two coaching legends -- Bear Bryant and Nick Saban -- who built the Alabama Crimson Tide into a true football dynasty. Both Bear Bryant and Nick Saban are undeniable kings of college football, two coaches at Alabama who have each won more national championships -- six apiece -- than anyone else in the history of the game. Chasing the Bear examines how they did it, revealing along the way their similarities in style, background, football philosophy, and recruiting methods, while providing readers a rare inside look at two of the greatest leaders in the history of sports. Bear Bryant and Nick Saban never met, but they have more in common than either of them realize. Both grew up in small towns -- Bryant in Moro Bottom, Arkansas, a dot on the map, and Saban from Monongah, West Virginia, population five hundred. As a child, Saban pumped

gas at his father's service station, washing and waxing cars and doing anything he could to help the business. Bryant's father suffered from multiple physical ailments, which forced Bryant to work to keep the family farm going. Both men knew the value of hard work from the time they were young boys, and both understood that there were no shortcuts to success. But both dreamed of escaping their hometowns, and both used football as the means to do so. Separated by two generations, Bear Bryant and Nick Saban are mythic figures linked by a school, a town, and a barroom debate centering on one question: Which is the greatest college coach of all time?
