Defunct Amusement Parks of Alabama Space City USA Dustin Ray Shannon, 2020-12-23 The world is speckled with lands of awe and wonder that capture the imagination of children and the young-at-heart. Disney World, Six Flags Over Georgia, Universal Studios, and Opryland deliver excitement and thrills that stretch beyond known realities and transport guests to foreign worlds. Before these wondrous lands opened to the public, though, there was promise of an amusement park that aimed to send guests through time and space. Originally named Time World, Space City USA was slated to open in 1964, one year before Walt Disney ushered in its first guests. Construction on the multifaceted amusement park began in 1961 with plans showcasing an expansive layout that would transport visitors back in time and to the depths of space. But it was a dream that never came true. Nearly half of the park was completed when construction halted in 1967, leaving behind a relic lost to time in the Northern Alabama city of Huntsville.

Oak Park and the Montgomery Zoo Heather S. Trevino, Linda E. Pastorello, 2007 Established at the beginning of the 20th century with a total of 41 acres, Oak Park was the social and recreational center of Alabama's capital city, Montgomery. It was here in 1935 that a menagerie of animals was housed in facilities built by the Works Progress Administration called the Oak Park Zoo. As the civil rights movement gathered steam in the 1950s, there was a class action suit to desegregate the city's parks, including the zoo. In response, all parks were closed, including Oak Park. In 1967, plans were approved for a 34-acre recreational park in north Montgomery, which included acreage for a small zoo. Unfortunately, although the zoo was scheduled to open in 1971, thirteen years after the closing of Oak Park, the opening was delayed for almost a year when the zoo's first director died in a car accident just 37 days after accepting his post. The opening of the new Montgomery Zoo was finally celebrated in 1972 and included the happy homecoming of a female capuchin monkey, an original resident of Oak Park.

Rosa Parks Douglas G. Brinkley, 2005-10-25 Fifty years after she made history by refusing to give up her seat on a bus, Rosa Parks at last gets the major biography she deserves. The eminent historian Douglas Brinkley follows this thoughtful and devout woman from her childhood in Jim Crow Alabama through her early involvement in the NAACP to her epochal moment of courage and her afterlife as a beloved (and resented) icon of the civil rights movement. Well researched and written with sympathy and keen insight, the result is a moving, revelatory portrait of an American heroine and her tumultuous times.

Bluff Park Heather Jones Skaggs, 2013-02-04 The community of Bluff Park is home to a variety of residents, ranging from retirees to working families. Historically speaking, Bluff Park was first developed as a mountain resort and summer vacation site. Gardner Cole Hale bought the mountain property in the 1860s and called it Hale Springs. One of the first recorded uses of the name Bluff

Park was with the Bluff Park Hotel, built in 1907. After its resort days, the area became more residential. Several of the founding families in Bluff Park settled on the mountain, building homes and farms. One such family, the Hales, ran a lumber mill, a cotton gin, and an icehouse. The Tyler family ran a large dairy farm after they moved to the area around 1888. The community school started around 1899 as a one-room schoolhouse and church, and Bluff Park Elementary is now one of the top elementary schools in the city of Hoover.
