Early Mathematical Explorations Nicola Yelland,Deborah Butler,Carmel Diezmann,2014-01-20 This book presents teachers with a sound theoretical framework for encouraging children to explore mathematical concepts and become numerate in the 21st century. It shows that mathematical learning can occur in a variety of ways, including when children explore ideas through play, problem solving and problem posing, engage in a rich variety of multimodal learning experiences, pursue self-directed activities and cooperate with others, and make connections between ideas and experiences in their everyday worlds. - Back cover

The Book of Hit Singles Dave McAleer,2001 (Book). Based on the official Top 20 charts from Billboard in the US and NME/Music Week in the UK, this entertaining book shows at a glance the monthly international status of the hits. The fully updated and revised fourth edition lists the charts since they began in January 1954 all the way through December 2000. Each song is listed with artist name and nationality, current and previous month's chart position, record label, weeks on the chart, and simultaneous position on the other side of the pond. Special symbols indicate million-sellers, plus artists' first and most recent hits. All stars and songs are indexed separately, making it especially easy to pinpoint any Top 20 hit. Includes 200 photos, plus new pop trivia and star gossip!
