Tin House: Theft (Tin House Magazine) Holly MacArthur,Rob Spillman,2015-08-19 Tin House's Theft Issue spends some time in the larcenous land of literature with stolen stories, embezzled essays, and pick-pocketed poetry. “Talent borrows, genius steals” is usually attributed to Oscar Wilde, and occasionally Pablo Picasso. There is, however, no record of either one actually saying or writing this. T. S. Eliot, on the other hand, wrote, “Immature poets imitate; mature poets steal; bad poets deface what they take, and good poets make it into something better, or at least something different.” Theft and appropriation have always been artistic engines, and in this issue of Tin House, those engines run hot . . . Featuring new work from Laura Lippman, Kevin Young, Mary Ruefle, George Singleton, Victor LaValle, Alissa Nutting, and more.

Wings of Red James W. Jennings,2023-11-21 An inventive and stylish debut written by a Black educator, Wings of Red is a clear-eyed, funny, imperfect, and observant work of autofiction that grapples with the absurdity of the New York City educational system as a substitute teacher—that, in the end, reads as an ode to the city itself June Papers is a twenty-eight-year-old MFA grad with a felony record, “the classic young, Black and gifted American misfit.” He's also a substitute teacher. He's also homeless. With dreams of becoming a writer, June endures a host of trials and dilemmas as he reluctantly realizes mentoring and teaching might actually be a path forward for him. Wings of Red is driven by June's unique narrative style, a propulsive voice that intimately and vulnerably guides readers through the condemned external reality of a Black educator's personal and professional world falling apart, and coming together again. Populated by a host of true-to-life characters who are attempting to realize their dreams despite precarious professional and financial realities, Wings of Red elucidates the fallacy of the American dream while serving as a reminder of how powerful and necessary autofiction can be. Directed at students and educators but written for any audience, Wings of Red is an inspiring and poetic tour de force and an unexpectedly necessary ode to New York City that features a texture, velocity, and immediacy that speaks to the author's authentic and lived perspective.

So Shall The Tree Grow Ninie Hammon,2023-01-20 Family loyalties, deadly feuds, and international drug wars are brought to life in Ninie Hammon's new intergenerational tale set in present-day Kentucky, four decades after the rise and fall of the Cornbread Mafia. When Ruth Hannacker finds a “just-in-case-anything-happens-to-me” letter among her mother's things after she was killed in a tornado, it opens a new chapter in the family's decades-long, fraught, and often tragic story with Righteous Weed. The letter from Jessica Monaghan Hannacker tells of the Tree House, a propane tank buried in the ground where Willie Ray Taggart stashed his marijuana money back in the heyday of the Cornbread Mafia. When Ruth finds the Tree House, she discovers \$75,000 in cash and quart jars of Righteous Weed seed, the finest strain of marijuana ever developed. Over the protests of 72-year-old Riley Hannacker, the only remaining living member of the original Cornbread Mafia, the family decides to grow an indoor crop, illegal in Kentucky, so they can patent the strain and get a license to grow in one of the 11 newly legal states. They plan to market it as a premium boutique cannabis, appealing to the nostalgia of the smokers' first-time high. But as so often happens with the best-laid plans, things quickly go awry. Jealousy, resentment, anger, greed, and deeply buried feelings from long gone wrongs resurface and wreak havoc with what is left of the family. So Shall The Tree Grow is the fourth and final book in Ninie Hammon's new Cornbread Mafia series, a fictional story inspired by the real Cornbread Mafia that sprang up in picturesque Marion County, Kentucky, and grew into the largest illegal marijuana-growing operation in U.S. history.
