Ice the equivalent to 10 story buildings can calve and release from Hubbard Glacier creating exciting displays of releasing, dunking and propelling upward of large amounts of very old ice! No wonder boats & ships keep their distance. Hubbard Glacier is just one of the many reasons why residents love living in Alaska! A welcoming stylish guest book creates the opportunity to greet and engage with every guest. When given the choice most home owners and Real Estate Professionals prefer to know who has attended the open house. Each book contains spaces for guests' names, phone numbers, email addresses and Real Estate Professional notes. When the homeowners ask, Was the open house a success? How many people came through? you can pull out this professional guest book and show them! Guest Book Girl recommends dedicating a separate book for each of your listings and to always have a few on hand/in your car for future open house events.
