Whirlwind Alchemy Douglas W. Clark,1993
Alchemist Apprentice D K Holmberg,Dan Michaelson,2021-08-30 Sam's desire to protect his sister leads him to magic he never imagined. The powerful arcane arts have kept Olway safe for generations, taught only to those tested and proven to have real potential at the prestigious Academy. That power has never been found on the edge of the kingdom where Sam and his sister struggle to survive. Until now. A terrible mistake puts Sam at the mercy of a master of the arcane arts who brings Sam to the Academy to help learn what happened to the last of the Alchemists.

Posing as a student, and with no magic of his own, he tries to navigate the Academy and discover the secrets of Alchemy. When he discovers a dangerous power that could destroy the Academy, Sam is tested in a way he'd never imagined. Having no magic of his own, his mind and wits might not be enough to stop a dangerous power that has turned its attention upon the Academy-and is now focused on Sam.

Alchemist Assault D K Holmberg, Dan Michaelson, 2021-08-30 Alchemy is the key to stopping the Nighlan, but no Alchemists remain. The dangerous alchemy key has bonded to Sam, giving him access to the almanac that is the key to the ancient power of true Alchemy. He's made an enemy of the Nighlan, but it's those inside of the Academy he worries more about. Though he has no magic, he has continued to excel, which puts a target on his back. He has allies inside of the Academy, but remains an outsider. When the Nighlan attack in the city and Sam is targeted, his connection to the key is threatened. Without that and the almanac, the Academy lacks the defenses that can protect it. If Sam can't find his connection to the key, not only might another claim it from him, but he could be permanently scarred. This time, his knowledge of Alchemy and the arcane arts might not be enough. Sam must find real power within himself for failure means that more than the Academy will fall to the Nighlan.
