MindMage Connie Suttle,2016-12-09 In and out of the Alliances, a new evil is on the rise—an evil whose attacks forced the postponement of the Joint Alliance Conclave nearly a year earlier. During the attacks, some of those who fought the evil saw things that couldn't be explained—things that were considered myth—until now. Sorcery. Necromancy. The wielding of power never seen before. The target? Every world, in or out of the Alliances. The best hope to combat this evil? A blind man, who sees everything. —Private Journal of Bryan Riley News Administrator, Le-Ath Veronis

Fridays from the Garden Richard Christiansen, 2021-12 Fridays From the Garden is a collection of recipes and stories from a year in a verdant Los Angeles garden. But it's more than that, too. Tracing the trajectory of Flamingo Estate, this cookbook is the story of a house that became a brand, and a brand that became a rallying cry for regenerative farming and Pleasure from the Garden. Spurred from a simple desire to support struggling farmers during the pandemic, founder Richard Christiansen turned his bookstore into a CSA box operation, which quickly grew into a weekly Friday ritual for the greater Los Angeles community - a chance to connect with the marvels of the natural world in the midst of a global pandemic. Each Friday, this box would feature beautiful, delicious produce, recipes inspired by the week's harvest, and a personal note from Richard, urging subscribers to cook a meal for someone they love. This cookbook is a collection of over 150 of those stories and recipes - a monument to the pleasures of the Flamingo Estate garden, the people that keep it buzzing, and the ways in which Mother Nature takes care of us when we take care of her. With stories by Richard Christiansen, a foreword by Martha Stewart and recipes from Chefs Ella Murphy, Jo Kim & more.

Featuring the photography of Drew Escriva, Pia Riverola, Christian Högstedt, François Halard, Larkin Donley, Andrea D'Agosto, Adrian Gaut and John Von Palmer.
