One America in the 21st Century President's Initiative on Race (U.S.). Advisory Board,1998

A Life Less Ordinary John Hodge,1997 He's a down-on-his-luck janitor with aspirations of writing the great American trash novel. She's the spoiled, sharp-tongued boss's daughter, always looking for a creative way to spice up her boring life. Normally, these two would never meet, but a higher power has different plans for both of them. The major motion picture from 20th Century Fox starring Ewan McGregor, Cameron Diaz and Holly Hunter hits the box office in October.

**One America in the 21st Century** Steven F. Lawson,2009-12-01 Originally released in 2008, this book features the first publication in book form of the Clinton Commission on Race Initiative's report; a foreword by commission chair John Hope Franklin; President Clinton's speech that launched the commission; and other important materials for classes on American race relations. The report, and this volume, will surely assume a place among the most significant works about race and the persistent challenge of racism in modern American life.--William A. Link, University of Florida

*Prejudice Across America* James Waller,2009-09-18 The experiences of a teacher and his white students on a nationwide trek toward racial understanding In 1998 James Waller took twenty-one white college students from Washington state on a month-long journey. *Prejudice Across America* is the record of their interaction with the American Indian, Asian American, African American, Hispanic, and Jewish experiences nationwide. Few books have so directly and humanly captured the moment when whites confront the realities of those living as a minority in America. Waller reports here on this innovative and award-winning trek. In Los Angeles, San Francisco, Chicago, Memphis, New Orleans, Birmingham, Atlanta, and Washington, D.C., his students hear both the official story of prejudice and the street story from people living and dealing with racism on a daily basis. *Prejudice Across America* is as much the journal of these travelers and what they face as it is a sweeping, up-close survey of the nation's racial landscape. The students walk the cheerless halls of a South Side housing project in Chicago, experience the agitated aftermath of the Olympic Games in Atlanta, and attend a briefing with President Clinton's Initiative on Race. All along the way, they hold wide-ranging group discussions and experience the unpredictable adventure of traveling by train, plane, and public transit. Drawing on student journals and on interviews with community leaders and activists throughout the country, Waller paints a compelling and provocative portrait of the nation's prejudice. In addition, *Prejudice Across America* includes analyses of the obstacles to reconciliation in each of the cities on the tour's itinerary. As they travel, students confront the thorny issues of race in America, face down stereotypical thoughts, prejudicial attitudes and discriminatory behaviors, and uncover more tough questions than easy answers. As Waller and another group of students prepare for a similar trek in 2001, *Prejudice Across America* will allow readers to join them in introspection and self-discovery in the urban reality of an America where diversity isn't simply a buzzword, but a way of life.

Welcome to the world of Pets DC, where the inner workings of this system are played out inside your everyday pet shop; where systemically oppressed individuals learn to discard their inherited and learned biases to overcome a greater enemy. What happens when a newcomer arrives at the shop hell-bent on tearing it all down? This story of collectivist action by pets is a one of a kind tale that leads us to consider what it means to be free. Pets DC is the brain child of two inmates who have decades of experience with the characters and personalities depicted.
