The British police across the South of England must collaborate with MI5, the drug squad, and Interpol in an effort to track down the culprit. And just as they seem to be getting somewhere it looks like a turf war between the Russian and American mafia might be beginning. Can they reach the truth, before it all goes too far? And will there ever be a happy ending?

As part of a role in a community theater play, Lexi wears a black wig and feels a confidence she hasn't experienced in over a year. Until fate forces him to help her, but why won't she tell him her real identity?

In truth, he knows the right choice is to make his brother stand on his own, but the guilt is too much. So he starts seeking out new investments, which leads him to Annie and her combination café and bookstore. My Billionaire's Baby Alexa Davis,2018-12-16 My name is Morgan and I am a full-time nurse during the week and on the weekend I enjoy going to the club with my colleagues. One night at the club I decided to leave early by myself. While I walked by an ally I'm attacked and scream for help. A stranger saves me that I later find out is billionaire Terrance Canter. He's breathtaking and I owed him even though I doubted I would ever see him again. But then I am invited to his VIP room at the club one night... I only planned to say thank you again. However one thing leads to another and I ended up naked in his arms. I hadn't regretted it though. He was better than anyone I had ever slept with. So what was the problem? I had been drunk and didn't even think about using protection. So now here I am, two months later and pregnant. He doesn't know.

My Billionaire Doctor Alexa Davis,2018-12-16 Everyone dreams of that teenage romance that lasts for the rest of their lives. But things took a turn for the worst when her father died. Her father had been a father-figure to Matthew, so rather than being able to offer her comfort in her time of need, he too was consumed by grief. Ashlee read this as a lack of care, and Matthew read her anger as rejection. As a result, the two broke up right before she moved across the county to start college. Now, it is ten years later, and Ashlee is facing yet another crisis. This time, her mother is suffering from cancer, and she is moving back to their old town where she can receive affordable treatment—from none other than Matthew. Ashlee moves back as well to support her mother, and seeing Matthew again begins to stir up old feelings. Will these childhood sweethearts overcome the odds to be together? Or will time and heartache prove to be too much?
