Nujood Ali's childhood came to an abrupt end in 2008 when her father arranged for her to be married to a man three times her age. With harrowing directness, Nujood tells of abuse at her husband's hands and of her daring escape. With the help of local advocates and the press, Nujood obtained her freedom—an extraordinary achievement in Yemen, where almost half of all girls are married under the legal age. Nujood's courageous defiance of both Yemeni customs and her own family has inspired other young girls in the Middle East to challenge their marriages. Hers is an unforgettable story of tragedy, triumph, and courage.

Muhammad Ali Barbara L. Tischler,2015-10-30 Muhammad Ali was not only a champion athlete, but a cultural icon. While his skill as a boxer made him famous, his strong personality and his identity as a black man in a country in the midst of the struggle for civil rights made him an enduring symbol. From his youth in segregated Louisville, Kentucky, to his victory in the 1960 Olympics, to the controversy that surrounded his conversion to Islam and refusal of the draft during the Vietnam War, Ali's life was closely linked to the major social and political struggles of the 1960s and 70s. The story of his struggles, failures, and triumphs sheds light on issues of race, class, religion, dissent, and the role of sports in American society that affected all Americans. In this lively, concise biography, Barbara L. Tischler introduces students to Ali's life in social and political context, and explores his enduring significance as a symbol of resistance. Muhammad Ali: A Many of Many Voices offers the perfect introduction to this extraordinary American and his times.

**The Greatest Muhammad Ali Quiz Book** Thomas A. Bryar, 2011-05-25 Throughout his entire amateur boxing career Muhammad Ali was 'Good'. Nobody really knew that he was 'Great', until he turned professional. When he told the 'World' that he was, 'The Greatest'. Not only inside the ring was he considered 'The Greatest' boxer of his era, but the 'Greatest' boxer of 'All Time'. Even outside the ring, he captivated his audiences, with his razor-sharp wit and lightning-quick tongue. He had a 'Way' with words, which impacted harder than any right or left hand on the media, fans and opponents. Which led in many cases to defeating his opponents before their contests began. He has travelled the World. He is known throughout the World. Yet even today or in the next century Muhammad Ali's name will not be forgotten. He is not only 'The Greatest'; he is a Legend forever. Who better to write a quiz book about! A quiz book that covers Muhammad Ali's life, his times and his opponents. You now have the chance to come face to face with 'The Champ' and find out how much you really knew about, 'The Greatest'.

That's Muhammad Ali's Brother! My Life on the Undercard H. Ron Braeshear (co-author), 2022-08-01 Many books and movies have been created by telling the story of my brother, Muhammad Ali. However, before I am called home, I want to share some of my life stories and memories with this book so people can learn more about my family, my brother, and me through the eyes of a member of the Clay/Ali family. I was there from the beginning and witnessed first-hand how our family's lives were changed as 'The Greatest of all Time' emerged from being a fun-loving kid on the streets of Louisville, Kentucky, to becoming an icon recognized around the world. The memories I share in this book are ones that I will treasure forever. Living through these experiences helped shape my life and made me the man I am today. I can say for a fact that no other man took as many punches from the champ as I did as a result of the training and sparring sessions that we had over the years together. It is my hope that after reading my story and accounts of key events in my family's life, you will walk away with an even greater appreciation of the Clay/Ali family name, history and legacy. I encourage you to treasure each day and strive for your own personal greatness. Peace be upon you (As-salamu alaykum) Rahaman Ali a.k.a. Rudolph Arnett Clay
