🔖 **ALIEN INVASION** Travis S. Taylor,Bob Boan,2011-06-01 What if there really are aliens and they do attack? Read what two scientists reveal in this how-to survival manual for the space age. Some events (such as a deliberate asteroid strike) produce such a massive setback to life, the Earth and humanity that we must understand and prepare for them, even if the chances are low that they’ll come about. But where to begin? Drs. Travis S. Taylor and Bob Boan are experienced scientists, physicists with expertise in both defense and military signal intelligence and experience working with the Department of Defense and NASA. These two intellectual heavyweights take us on an amazing journey through what we do³/₄and do not³/₄know about how to defend ourselves from space. Sure, that day may never come in our lifetimes³/₄but everyone should have a copy of this lying around just in case. . . . At the publisher’s request, this title is sold without DRM (Digital Rights Management).

Before he gets a chance to come up with a plan B, armed soldiers storm the base. As one of the few humans who knows anything about Loric and their war with the Mogadorians, Malcolm is an invaluable asset—and they’ve been tasked with safely escorting him to the president’s secret bunker. With Mogs hot on their trail, though, it’ll be easier said than done. Luckily, Malcolm has some backup in the form of a Chim🔖 ra. But even if he makes it to his destination, will Malcolm be able to help what’s left of the government find a way to defeat the Mogs? Or will he be too late?

🔖 **UFOs, the Alien Invasion and the CIA** John Scott Chace,2021-03-25 UFOs, the Alien Invasion and the CIA first became available in March 2021, with photographs, artists’ conceptions of UFOs, and factual content. What you get is a book filled with facts of CIA, KGB, and military UFO case files. Cases are presented one after another around the globe.UFOs, the Alien Invasion and the CIA is not a science fiction novel; in fact, it is a compilation of declassified, and non-declassified UFO encounters from around the world. It is packed with 400 pages of UFO incidents from Europe, South America, Africa, Australia, the United Kingdom, Russia, the United States, and Asia.Research shows for, over the last 1000 + years, UFOs and their occupants have been monitoring this planet. I contend this visitation of humanoid beings of different species from other worlds is an advanced invasion plan of planet Earth.This book is prepared to tell you the truth about UFO / UAP reality. It highlights the polarized differences between The Truth and Deception: 1.On the one hand, we have Deception with the World Intelligence Agencies (the Central Intelligence Agency and the KGB) hiding information from the public on UFO intrusions at top military sites and human contact with Aliens / Extraterrestrials. 2.And on the other, we have Truth, where Presidents Gorbachev and Ronald Reagan agreed to assist one another in a potential alien conflict. This desire for truth extends to the American, British, and Russian Air Force and Naval Military Leaders that desired the public to be informed of the UFO reality. Statements by those in the know: Case 1: Russian General states: The UFO, with a diameter from 100 to 200 meters, was not accompanied by the sound of any kind and was distinguished by its startling maneuverability. It seemed the UFOs were completely devoid of inertia. In other words, they had somehow ‘come to terms with gravity. At present, terrestrial machines could hardly have any such capabilities. (The KGB);Case 2: CIA Officer states: On the US obtaining a copy of a declassified KGB document on an alien incident, a CIA representative stated, It is horrific! If the KGB file corresponds to reality, this is an extremely menacing case. The Aliens possess technology that goes beyond all our assumptions. They can stand up for themselves if attacked.Case 3: US Naval Officer states: Official representatives of the US government, including the CIA, came aboard the aircraft carrier to debrief (interview) all the witnesses. After the debriefing, the 25 witnesses were transferred off the ship to other assignments, so they would not discuss the UFO case facts with each other.Case 4: Another US Naval Officer states: I read that if I ever talked about what it was that I didn’t see, I could be fined up to \$10,000 and imprisoned for up to 10 years or both. In addition, I could lose all pay and allowances due or ever to become due. He asked me to sign a piece of paper stating that I understood the laws and regulations that I had just read governing the safeguard of classified information relating to national security.The author has researched thousands of declassified CIA, KGB UFO reports and military files, and newspaper articles to bring these stories to you.The Author: John Scott Chace is the author of

over 12 books including UFOs In US AIRSPACE, UFO MOTHERSHIPS AND PROJECT BLUE BOOK. JOHN IS THE SON OF COLONEL CHAPLAIN ALSTON R. CHACE (USAF) AND NEPHEW OF COLONEL FRANK C. CHACE (USMC).
