Everything You Ever Wanted to Know About Aliens The Abbotts,2016-11-30 Have you ever wondered if aliens really do exist and why they would visit Earth? MIB, Aliens Among Us Timothy G. Beckley,1996-09 (1971) Episodes, cases, evidence. Some saucer sighters say they're being tailed and watched.

Aliens Judith Herbst,2005-01-01 Investigates several well-known accounts of alien abduction as well as theories aimed at explaining why such reports cannot be true.

Captured by Aliens? Nigel Watson,2020-05-26 New Hampshire couple Betty and Barney Hill provided Americans with what is essentially the original alien abduction story. Since their story became public in the early 1960s, many thousands of Americans have likewise come forward with similar stories of traumatic experiences. Sometimes the abductee has little conscious recollection of these events, but through nightmares, dreams, flashbacks and hypnosis they eventually learn more. Sometimes the participants are bewildered. To get a better understanding of the opposing viewpoints of skeptic and believer, the Betty and Barney Hill case is used to examine the wider context of such encounters, their historical origins, media influences and the latest extraterrestrial, psychological, paranormal, conspiracy and sociological theories that surround them.

Leave the Extraterrestrials Alone: UFOs Are Man-Made. the United States-Aliens Incomprehensible Affair Maximillien De Lafayette,2014-06-19 Published by Times Square Press. New York. Berlin. This book was published in this format to meet the needs of particular readers who constantly ask us whether there is a book by Mr. de Lafayette, which summarizes condensed information about alien UFOs vis-a-vis American UFOs and man-made UFOs, and an interaction between aliens, governments and the general public, because they could not afford to buy the dozens of books Mr. de Lafayette wrote on these subjects, and did not have the resources and time to find pertinent information scattered over thousands of pages of previously published books and encyclopedias. View under this light, the present work should not be considered a repetitious publication, or a book of recycled information. Thus, it is advisable before you purchase this book to read its table of contents on line or at amazon.com, and compare it with tables of contents of previously published books.

Four Evidences for Aliens and UFOs in Earth's History Martin K Ettington,2021-05-11 In this book I present the reader with four sources of proof that Aliens and UFOs have been on the Earth for not only thousands, but millions of years.The first source is about Giants existing on this Earth not only thousands, but millions of years ago. It was before humanity existed. Giant footprints have been found in stone in many cases which is strong evidence that Alien Giants existed back then who walked the Earth.The second source is Objects which are in the wrong places and times. I've presented a group of them from my other books. My favorite example is the chariot wheel in the ceiling of a coal mine which must be millions of years old. Some intelligent being created it and again it was well before humanity existed.The third piece of evidence has to do with stories from ancient documents like the Ramayana, or the Bible of stories which seem to be about aliens and spaceships as described by primitive peoples who had no knowledge of science and technology.Lastly, I've collection pictures of various art. All the way from cave paintings, to oil paintings, frescoes, and even bah relief sculptures which show clear pictures of UFOs and aliens.I hope you enjoy the evidence collected here and if you are already knowledgeable about this subject maybe you will find something new.

Remote Viewing Aliens - Alien Remote Viewing Results ,2014-02-11 The newest, most accurate book on discovering what's going on with extraterrestrials on our planet as well as their home planets. Remote viewing has proven to be an extremely accurate and revealing spying medium. And now we are revealing the information that has been obtained by a number of different Remote Viewers who have viewed aliens. Some of these results have been amazing. Getting any kind of information on aliens by using any other methods over the years has been very limited, confusing and possibly inaccurate. That's why remote viewing aliens is a very exciting method for finally getting questions answered! And not only are we viewing them, but often two-way communications have been established so that answers have come through from the aliens! Find out where they are, who they are, what they are doing, what are their plans for us, predictions for the fate of Earth, and so much more! But I must warn you that this isn't for the weak-hearted, some of the answers may shake your faith in religions, our governments, who we are and how we are doing things!

Tim R. Swartz's Big Book of Incredible Alien Encounters: A Global Guide to Space Aliens, Interdimensional Beings And Ultra-Terrestrials Timothy Green Beckley,Sean Casteel,Erica Lukes,2019-12-20 WARNING! THIS BOOK DOES NOT CONTAIN REPORTS OF LIGHTS IN THE SKY! --- OR OF MUNDANE UFO SIGHTINGS THAT CAN EASILY BE EXPLAINED! THOUSANDS OF UNLUCKY INDIVIDUALS HAVE HAD CLOSE ENCOUNTERS OF THE THIRD KIND - OR FAR WORSE! WITNESSES HAVE BEEN HARASSED, FOUGHT WITH, PARALYZED, ABDUCTED AND SEXUALLY MOLESTED. Over 25 of the world's leading UFOlogists join us on an incredible search for the true nature of UFOs without any of the malarkey and BS that often seems to prevail in the field. IMPORTANT NOTICE: This book is over 450 large size pages; almost the size of an old Manhattan White Pages phone book. It is fully illustrated with maps, art and one of a kind photos. Now you will be able to find out these stunning facts regarding: * The Return of the Giants in the Holy Land. * UFOs that stalked our military in the Persian Gulf. * What the deep-rooted connection is between UFOs and graveyards. * The Hollywood stunt man who came face-to-face with aliens on the road to Las Vegas, and whose polygraph test was said to have been rigged by a prominent UFO group. Also his subsequent clash with the Men In Black, who used Bigfoot creatures as their security force. * How humanoids under three feet tall (UFOlogy's little men) have continually stalked and physically fought with ordinary citizens out for an evening's stroll or returning home from work after dark. * The New England woman whose camera opened its lens upon another world, enabling her to capture images of interdimensional beings and their hardware. * The Canadian family whose minds were manipulated and controlled by outside agitators to the point where they thought they were about to go insane. * Flying saucers spruced up when a UFO landed in a tree in a well-documented case from a rural community in Australia, proving that these vehicles are willing to go out on a limb for us! * Don't think that only the CIA or the former KGB (and whatever has replaced it) are interested in these unknown aerial objects. Both Israel's Mossad and Europe's Interpol have gone deep undercover to become involved in the field. * The Scottish forestry worker who was ambushed by several sharply spiked oval objects that emanated from a landed metallic conveyance. Now you are able to read the official government-sanctioned report. * The rural Brazilian who was taken up into the sky in a whirlwind and never returned. * Furthermore, beware of the incredibly sexy saucer people, who can't keep their hands off of humans. Editor Tim R. Swartz is an Emmy award winning television producer, editor of the Conspiracy Journal and Tesla Secret Files websites, and co-host of the weekly show Exploring The Bizarre. He has made numerous appearances on Coast to Coast AM, The Paracast, as well as Ancient Aliens on the History Channel. The Real Cowboys & Aliens: The Coming of the Airships (1896-1899) Noe Torres,John Lemay,2020-03-19 For two years between 1896 and 1897, the skies of North America were invaded by a wave of airships possibly inhabited by alien beings. This book presents an in-depth case study of the more notable sightings and encounters.

Alien Dawn Colin Wilson,1998

The Real Cowboys & Aliens Noe Torres,John LeMay,2011-07 When you first saw this book, you probably assumed it was fiction, right? Wrong! As it turns out, America's Old West cowboys did encounter UFOs and also creatures that they believed were aliens. This happened not in comic books and films but in real life. In this book, you will read actual eyewitness accounts describing strange objects seen in the skies, and, in some cases, the even stranger occupants of those UFOs! Did you know that many years before the reported crash of a UFO near Roswell New Mexico, another weird object fell out of the sky in Aurora, Texas, in 1897? The citizens of Aurora said the dead pilot was not of this world, and they buried him in the local cemetery, where he may still remain today. You will also learn about the flying alien monster of Crawfordsville, Indiana; the underwater UFO that electrocuted two men near Tacoma, Washington; a Bigfoot creature the local Native Americans said came to earth in a small moon; a UFO that exploded over a Texas cotton gin; and many other bizarre UFO encounters of the Old West!

Dark White Jim Schnabel,1995

Aliens from Space Donald Edward Keyhoe,1973 A textbook for the upper grades exploring various aspects of oral communication.

The Real Cowboys & Aliens Noe Torres,John Lemay,2020-03-06 Long before the first airplane took flight, when nothing but birds should have been in the skies, the early residents of the United States witnessed bizarre unidentified flying objects of all sizes, shapes, and descriptions. They encountered strange beings that clearly were not human, including Men in Black and possibly time travelers. They saw huge motherships, underwater UFOs, and other unexplained wonders. Some of America's most famous early historical figures, including Thomas Jefferson, Ben Franklin, George Washington, shared an interest in UFOs and extraterrestrials. Contained within these pages is the other American History that you were never taught in school! While reading this book you'll ask yourself: Did Lewis and Clark encounter a tribe of extraterrestrials during their travels? Did star rot contain alien DNA? Was an army from outer space sent to aid in the Civil War? What was it that crashed in the Rocky Mountains in 1864, a meteor or a mother ship? And, finally, was the martian mummy of the mid-1860s a hoax, or proof of life beyond the stars...

Aliens Christopher Kenworthy,Roger O'Reilly,1998-04 Eyewitness accounts of sightings and contact with visitors from other worlds are told in these fascinating pages.

Aliens Answer II John Steven Reichmuth,Mary Barr,2015-06-10 This is book II of an ongoing series of interviews held with beings from Zeta Reticuli. Hypnotherapist Mary Barr was asked by one of her clients if he could talk to aliens while under hypnosis. What ensued was years of communication with three beings from Zeta Reticuli who call themselves Han, Zestra, and Gen. Steve Reichmuth, her client, proved to be a dynamic and detailed telepathic link between the Zetan beings, Steve, and the hypnotherapist. The range of questions and answers cover science, biology, Earth and Zetan history, the universe, and alien spirituality and case studies. The validity of this contact comes from the calibre of the questions asked and answered. Most often, mankind had no answers for the questions asked, yet these beings answered them. Mary's hypnotherapy work often includes regressing individuals to recall events from missing time and/or alien contact. These beings have assisted in analyzing these contact cases by giving advanced information to the therapist prior to her seeing the clients. Confirmation has come in many forms, from accident intervention to future science. It is helpful if the reader is well versed in ufology alien contact and has a strong interest in hard sciences. The majority of the material is in new subject areas. It is a welcome change to the true investigator.
