Modern Loss Rebecca Soffer, Gabrielle Birkner, 2018-01-23 Inspired by the website that the New York Times hailed as redefining mourning, this book is a fresh and irreverent examination into navigating grief and resilience in the age of social media, offering comfort and community for coping with the mess of loss through candid original essays from a variety of voices, accompanied by gorgeous two-color illustrations and wry infographics. At a time when we mourn public figures and national tragedies with hashtags, where intimate posts about loss go viral and we receive automated birthday reminders for dead friends, it's clear we are navigating new terrain without a road map. Let's face it: most of us have always had a difficult time talking about death and sharing our grief. We're awkward and uncertain; we avoid, ignore, or even deny feelings of sadness; we offer platitudes; we send sympathy bouquets whittled out of fruit. Enter Rebecca Soffer and Gabrielle Birkner, who can help us do better. Each having lost parents as young adults, they co-founded Modern Loss, responding to a need to change the dialogue around the messy experience of grief. Now, in this wise and often funny book, they offer the insights of the Modern Loss community to help us cry, laugh, grieve, identify, and—above all—empathize. Soffer and Birkner, along with forty guest contributors including Lucy Kalanithi, singer Amanda Palmer, and CNN's Brian Stelter, reveal their own stories on a wide range of topics including triggers, sex, secrets, and inheritance. Accompanied by beautiful hand-drawn illustrations and witty how to cartoons, each contribution provides a unique perspective on loss as well as a remarkable life-affirming message. Brutally honest and inspiring, Modern Loss invites us to talk intimately and humorously about grief, helping us confront the humanity (and mortality) we all share. Beginners welcome.

Creative Pep Talk Andy J. Miller, 2017-04-04 Every artist needs a little pep talk now and then. An inspiring tool and beautiful art book in one, Creative Pep Talk offers illustrated words of wisdom from 50 of today's leading creative professionals. With full-color, typographic prints and explanatory statements from a host of creative luminaries—including Aaron James Draplin, Oliver Jeffers, Lisa Congdon, Mike Perry, and many others—this volume encourages artists to stay excited, experiment boldly, and conquer fear. Create curiosity, Learn to say no, and If you can't be good, be different are just a few of the motivational maxims in this visually rich collection that's perfect for students, designers, artists, and creatives at any stage in their careers.

Find out more about your favorite Emojis, and some new characters, in this awesome guidebook that's packed with puzzles, jokes, and images from the film!—Amazon.com.

How to Do Nothing Jenny Odell, 2020-12-29 ** A New York Times Bestseller ** NAMED ONE OF THE BEST BOOKS OF THE YEAR BY: Time • The New Yorker • NPR • GQ • Elle • Vulture • Fortune • Boing Boing • The Irish Times • The New York Public Library • The Brooklyn Public Library A complex, smart and ambitious book that at first reads like a self-help manual, then blossoms into a wide-ranging political manifesto.—Jonah Engel Bromwich, The New York Times Book Review One of President Barack Obama's Favorite Books of 2019 Porchlight's Personal Development & Human Behavior Book of the Year In a world where addictive technology is designed to buy and sell our attention, and our value is determined by our 24/7 data productivity, it can seem impossible to escape. But in this inspiring field guide to dropping out of the attention economy, artist and critic Jenny Odell shows us how we can still win back our lives. Odell sees our attention as the most precious—and overdrawn—resource we have. And we must actively and continuously choose how we use it. We might not spend it on things that capitalism has deemed important ... but once we can start paying a new kind of attention, she writes, we can undertake bolder forms of political action, reimagine humankind's role in the environment, and arrive at more meaningful understandings of happiness and progress. Far from the simple anti-technology screed, or the back-to-nature meditation we read so often, How to do Nothing is an action plan for thinking outside of capitalist narratives of efficiency and techno-determinism. Provocative, timely, and utterly persuasive, this book will change how you see your place in our world.

Strange Planet Nathan W. Pyle, 2019-11-19 Straight from the mind of New York Times bestselling author Nathan W. Pyle, Strange Planet is an adorable and profound universe in pink, blue, green, and purple, based on the phenomenally popular Instagram of the same name! Strange Planet covers a full life cycle of the planet's inhabitants, including milestones such as: The Emergence Day Being Gains a Sibling The Being Family Attains a Beast The Formal Education of a Being Celebration of Special Days Being Begins a Vocation The Beings at Home Health Status of a Being The Hobbies of a Being The Extended Family of the Being The Being Reflects on Life While Watching the Planet Rotate With dozens of never-before-seen illustrations in addition to old favorites, this fixed-format e-book offers a sweet and hilarious look at a distant world not all that unlike our own. I feel more attractive. Honestly, you are. It's the star damage. I CRAVE STAR DAMAGE.

Misrule Heather Walter, 2022-05-10 Does true love break curses or begin them? The dark sorceress of "Sleeping Beauty" reclaims her story in this sequel to Malice. "Fans of reimagined fairy tales and LGBTQ+ themes will be delighted with the conclusion of this fantasy duology."—Booklist (starred review) The Dark Grace is dead. Feared and despised for the sinister power in her veins, Alyce wreaks her revenge on the kingdom that made her an outcast. Once a realm of decadence and beauty, Briar is now wholly Alyce's wicked domain. And no one will escape the consequences of her wrath. Not even the one person who holds her heart. Princess Aurora saw through Alyce's thorny facade, earning a love that promised the dawn of a new age. But it is a love that came with a heavy price: Aurora now sleeps under a curse that even Alyce's vast power cannot seem to break. And the dream of the world they would have built together is nothing but ash. Alyce vows to do anything to wake the woman she loves, even if it means turning into the monster Briar believes her to be. But could Aurora love the villain Alyce has become? Or is true love only for fairy tales? Book Two of the Malice Duology

Words Onscreen Naomi S. Baron, 2015-01-09 People have been reading on computer screens for several decades now, predating popularization of personal computers and widespread use of the internet. But it was the rise of eReaders and tablets that caused digital reading to explode. In 2007, Amazon introduced its first Kindle. Three years

later, Apple debuted the iPad. Meanwhile, as mobile phone technology improved and smartphones proliferated, the phone became another vital reading platform. In *Words Onscreen*, Naomi Baron, an expert on language and technology, explores how technology is reshaping our understanding of what it means to read. Digital reading is increasingly popular. Reading onscreen has many virtues, including convenience, potential cost-savings, and the opportunity to bring free access to books and other written materials to people around the world. Yet, Baron argues, the virtues of eReading are matched with drawbacks. Users are easily distracted by other temptations on their devices, multitasking is rampant, and screens coax us to skim rather than read in-depth. What is more, if the way we read is changing, so is the way we write. In response to changing reading habits, many authors and publishers are producing shorter works and ones that don't require reflection or close reading. In her tour through the new world of eReading, Baron weighs the value of reading physical print versus online text, including the question of what long-standing benefits of reading might be lost if we go overwhelmingly digital. She also probes how the internet is shifting reading from being a solitary experience to a social one, and the reasons why eReading has taken off in some countries, especially the United States and United Kingdom, but not others, like France and Japan. Reaching past the hype on both sides of the discussion, Baron draws upon her own cross-cultural studies to offer a clear-eyed and balanced analysis of the ways technology is affecting the ways we read today--and what the future might bring.

Cat's Cafe Matt Tarpley, 2020-05-26 Serving up more than just coffee and tea, Cat's Café provides its cast of adorable characters a gentle, supportive space and a hefty serving of the warm and floofies. Welcome to Cat's Café, a neighborhood coffee shop where all are welcome! Based on the popular webcomic, Cat's Café introduces readers to the adorable denizens of this world. There's Penguin, who has a bit of a coffee problem; Rabbit, whose anxiety sometimes overwhelms him; Axolotl, whose confidence inspires his friends; the always-supportive Cat, who provides hot drinks made with love and a supportive ear for anyone's troubles; and many, many more. With a sensitive take on real issues and a gentle, positive outlook, Cat's Café is about the power of acceptance, friendship, and love ... and delicious cups of coffee.

Owl and Penguin Vikram Madan, 2022-10-11 Two feathered friends are Frog and Toad for the emoji generation in this delightful graphic novel for emerging readers. A Theodor Seuss Geisel Honor Book! Owl likes peace and quiet. Penguin likes to SING OUT LOUD. But best friends don't need to be the same. Sometimes it's good to disagree! Owl and Penguin celebrate their differences and solve their problems with creative play. From ice cream mishaps to rainy day chills, there's nothing these pals can't get through together. In three nearly wordless stories, expressive art takes charge of the storytelling, supplemented by simple text captions and emoticon-style images in speech bubbles. This innovative format supports visual literacy and sight word recognition for the earliest independent readers. With warm humor and a joyful palette, it's perfect for kids to giggle over on their own. I Like to Read® Comics are perfect for kids who are challenged by or unengaged in reading, kids who love art, and the growing number of young comics fans. Filled with eye-catching art, humor, and terrific stories, these comics provide unique reading experiences for growing minds. Like their award-winning I Like to Read® counterparts, these books are created by celebrated artists and support reading comprehension to transform children into lifelong readers. A Junior Library Guild Gold Standard Selection

Malice Heather Walter, 2021-04-13 A princess isn't supposed to fall for an evil sorceress. But in this "bewitching and fascinating" (Tamora Pierce) retelling of "Sleeping Beauty," true love is more than a simple fairy tale. "Walter's spellbinding debut is for all the queer girls and women who've been told to keep their gifts hidden and for those yearning to defy gravity."—O: The Oprah Magazine Once upon a time, there was a wicked fairy who, in an act of vengeance, cursed a line of princesses to die. A curse that could only be broken by true love's kiss. You've heard this before, haven't you? The handsome prince. The happily ever after. Utter nonsense. Let me tell you, no one in Briar actually cares about what happens to its princesses. Not the way they care about their jewels and elaborate parties and charm-granting elixirs. I thought I didn't care, either. Until I met her. Princess Aurora. The last heir to Briar's throne. Kind. Gracious. The future queen her realm needs. One who isn't bothered that I am Alyce, the Dark Grace, abhorred and feared for the mysterious dark magic that runs in my veins. Humiliated and shamed by the same nobles who pay me to bottle hexes and then brand me a monster. Aurora says I should be proud of my gifts. That she . . . cares for me. Even though a power like mine was responsible for her curse. But with less than a year until that curse will kill her, any future I might see with Aurora is swiftly disintegrating—and she can't stand to kiss yet another insipid prince. I want to help her. If my power began her curse, perhaps it's what can lift it. Perhaps together we could forge a new world. Nonsense again. Because we all know how this story ends, don't we? Aurora is the beautiful princess. And I— I am the villain. Book One of the Malice Duology

The Funniest Joke Book Ever! Editors of Portable Press, 2016-05-01 Over 500 giggles, groans, and belly laughs! Kids can't resist sharing jokes (even you try to stop them), so they always need a fresh supply. We've stuffed the pages of this little joke book with the funniest jokes we could find. Old favorites, new favorites, and a few festering stinkers, all guaranteed to make kids laugh out loud. You'll find Q&A jokes, knock-knock jokes, riddles, and one-liners. And, of course, we've included entire chapters of those all-time kid-pleasers: elephant jokes, pirate jokes, and space jokes. Here's a sampling: What's black and white, black and white, black and white? A penguin rolling down a hill. Why don't zombies eat clowns? They taste funny. Why did the hen scold her chicks? They were using fowl language. What kind of books do skunks read? Best-smellers! How does Darth Vader like his toast? On the dark side. . . . and many more!

Cat Person KRISTEN. ROUPENIAN, 2018-05-03 She thought, brightly, This is the worst life decision I have ever made! And she marvelled at herself for a while, at the mystery of this person who'd just done this bizarre, inexplicable thing. Margot meets Robert. They exchange numbers. They text, flirt and eventually have sex - the type of sex you attempt to forget. How could one date go so wrong? Everything that takes place in Cat Person happens to countless people every day. But Cat Person is not an everyday story. In less than a week, Kristen Roupenian's New Yorker debut became the most read and shared short story in their website's history. This is the bad date that went viral. This is the conversation we're all having. You Know You Want This, Kristen Roupenian's debut collection, will be published in February 2019.

Out There Kate Folk, 2022-03-29 A thrilling new voice in fiction injects the absurd into the everyday to present a startling vision of modern life, "[as] if Kafka and Camus and Bradbury were penning episodes of Black Mirror" (Chang-Rae Lee, author of *My Year Abroad*). "Stories so sharp and ingenious you may cut yourself on them while reading."—Kelly Link, author of *Get In Trouble* With a focus on the weird and eerie forces that lurk beneath the

surface of ordinary experience, Kate Folk's debut collection is perfectly pitched to the madness of our current moment. A medical ward for a mysterious bone-melting disorder is the setting of a perilous love triangle. A curtain of void obliterates the globe at a steady pace, forcing Earth's remaining inhabitants to decide with whom they want to spend eternity. A man fleeing personal scandal enters a codependent relationship with a house that requires a particularly demanding level of care. And in the title story, originally published in *The New Yorker*, a woman in San Francisco uses dating apps to find a partner despite the threat posed by "blots," preternaturally handsome artificial men dispatched by Russian hackers to steal data. Meanwhile, in a poignant companion piece, a woman and a blot forge a genuine, albeit doomed, connection. Prescient and wildly imaginative, *Out There* depicts an uncanny landscape that holds a mirror to our subconscious fears and desires. Each story beats with its own fierce heart, and together they herald an exciting new arrival in the tradition of speculative literary fiction.

New Kid Jerry Craft, 2019-02-05 Winner of the Newbery Medal, Coretta Scott King Author Award, and Kirkus Prize for Young Readers' Literature! Perfect for fans of Raina Telgemeier and Gene Luen Yang, *New Kid* is a timely, honest graphic novel about starting over at a new school where diversity is low and the struggle to fit in is real, from award-winning author-illustrator Jerry Craft. Seventh grader Jordan Banks loves nothing more than drawing cartoons about his life. But instead of sending him to the art school of his dreams, his parents enroll him in a prestigious private school known for its academics, where Jordan is one of the few kids of color in his entire grade. As he makes the daily trip from his Washington Heights apartment to the upscale Riverdale Academy Day School, Jordan soon finds himself torn between two worlds—and not really fitting into either one. Can Jordan learn to navigate his new school culture while keeping his neighborhood friends and staying true to himself? This middle grade graphic novel is an excellent choice for tween readers, including for summer reading. *New Kid* is a selection of the Schomburg Center's Black Liberation Reading List. Plus don't miss Jerry Craft's *Class Act*!

The Rise of the Image, the Fall of the Word Mitchell Stephens, 1998-10-08 For decades educators and cultural critics have deplored the corrosive effects of electronic media on the national consciousness. The average American reads less often, writes less well. And, numbed by the frenetic image-bombardment of music videos, commercials and sound bites, we may also, it is argued, think less profoundly. But wait. Is it just possible that some good might arise from the ashes of the printed word? Most emphatically yes, argues Mitchell Stephens, who asserts that the moving image is likely to make our thoughts not more feeble but more robust. Through a fascinating overview of previous communications revolutions, Stephens demonstrates that the charges that have been leveled against television have been faced by most new media, including writing and print. Centuries elapsed before most of these new forms of communication would be used to produce works of art and intellect of sufficient stature to overcome this inevitable mistrust and nostalgia. Using examples taken from the history of photography and film, as well as MTV, experimental films, and Pepsi commercials, the author considers the kinds of work that might unleash, in time, the full power of moving images. And he argues that these works--an emerging computer-edited and -distributed new video--have the potential to inspire transformations in thought on a level with those inspired by the products of writing and print. Stephens sees in video's complexities, simultaneities, and juxtapositions, new ways of understanding and perhaps even surmounting the tumult and confusions of contemporary life. Sure to spark lively--even heated--debate, *The Rise of the Image, the Fall of the Word* belongs in the library of millennium-watchers everywhere.

Always a Bridesmaid (For Hire) Jen Glantz, 2017-02-07 In the tradition of Sloane Crosley, Mindy Kaling, and Katie Heaney, a hilarious and insightful memoir about one New York City millennial's journey to find herself, her dream career, and true love, all while juggling a truly unique job as the world's only professional bridesmaid. After moving to New York City in her mid-twenties to pursue her dream of writing—and not living on the “Upper East Side” of her parents' house anymore—Jen Glantz looked forward to a future of happy hours and Sunday brunches with her besties. What she got instead were a string of phone calls that began with, “Jen, I have something exciting to tell you!” and ended with, “I'd be honored if you would be my bridesmaid.” At first she was delighted, but it wasn't long before she realized two things: all of her assets were tied up in bridesmaid dresses, and she herself was no closer to finding The One. She couldn't do much about the second thing (though her mother would beg to differ), but she could about the first. One (slightly tipsy) night, Jen posted an ad on Craigslist advertising her services as a professional bridesmaid. When she woke up the next morning, it had gone viral. What began as a half-joke suddenly turned into a lifetime of adventure for Jen—and more insight into the meaning of love than she was getting from OKCupid—as she walked down the aisle at stranger after stranger's wedding. Fresh, funny, and surprisingly sweet, *Always a Bridesmaid (For Hire)* is an entertaining reminder that even if you don't have everything together, you can still be a total boss—or, at the very least, a BFF to another girl in need.

Happy Broadcast Mauro Gatti, 2020-04-17 *Adventures in Doing Good* shares illustrated good news from around the world, meant to inspire readers to contribute in their own way

In Order to Live Yeonmi Park, Maryanne Vollers, 2015-09-29 “I am most grateful for two things: that I was born in North Korea, and that I escaped from North Korea.” - Yeonmi Park One of the most harrowing stories I have ever heard - and one of the most inspiring. - The Bookseller “Park's remarkable and inspiring story shines a light on a country whose inhabitants live in misery beyond comprehension. Park's important memoir showcases the strength of the human spirit and one young woman's incredible determination to never be hungry again.” —Publishers Weekly In *In Order to Live*, Yeonmi Park shines a light not just into the darkest corners of life in North Korea, describing the deprivation and deception she endured and which millions of North Korean people continue to endure to this day, but also onto her own most painful and difficult memories. She tells with bravery and dignity for the first time the story of how she and her mother were betrayed and sold into sexual slavery in China and forced to suffer terrible psychological and physical hardship before they finally made their way to Seoul, South Korea—and to freedom. Park confronts her past with a startling resilience. In spite of everything, she has never stopped being proud of where she is from, and never stopped striving for a better life. Indeed, today she is a human rights activist working determinedly to bring attention to the oppression taking place in her home country. Park's testimony is heartbreaking and unimaginable, but never without hope. This is the human spirit at its most indomitable.

Cheesy Joke Book Wrigley Stuart, 2016 What's cheesier than Pizza Steve? A book full of hilarious wisecracks and not-so-wis-cracks from Uncle Grandpa and his friends!
