Star Struck Sam Riley,2009-12-09 This balanced examination looks at America's pervasive celebrity culture, concentrating on the period from 1950 to the present day. *Star Struck: An Encyclopedia of Celebrity Culture* is neither a stern critic nor an apologist for celebrity infatuation, a phenomenon that sometimes supplants more weighty matters yet constitutes one of our nation's biggest exports. This encyclopedia covers American celebrity culture from 1950 to 2008, examining its various aspects—and its impact—through 86 entries by 30 expert contributors. Demonstrating that all celebrities are famous, but not all famous people are celebrities, the book cuts across the various entertainment medias and their legions of individual stars. It looks at sports celebrities and examines the role of

celebrity in more serious pursuits and institutions such as the news media, corporations, politics, the arts, medicine, and the law. Also included are entries devoted to such topics as paranoia and celebrity, one-name celebrities, celebrity nicknames, family unit celebrity, sidekick celebrities, and even criminal celebrities.

This Day in Sports Ernie Gross, 2017-07-06 Sports events represent, for many, landmarks for memories, contexts that securely fix moments in past time. And in America, perhaps more than in any other country, they are part of what connects the individual to

the multitude. When we add them to our remembrances, they subtly suggest that, like sporting contests, our personal tales are fit for public consumption. How easy and natural it is to add a little referential sidebar to the stories we tell: "I started work in January, I remember because the Bills had just lost the Super Bowl—the fourth one." On a broader scale, sports have left their imprint on the stony history of the nation. Beginning slowly with a game of bowls (1611), something like miniature golf in New England (1652), horse racing on Long Island, and billiards in Charlestown (1722), the sporting life then gained momentum—and a firmer grip on the national conscience—with the early play of baseball, basketball, and football, games that would come to dominate the sports scene in 20th century America. Organized by day of the year, this volume provides the browser, the trivia buff and the sports historian a record of thousands of frames, matches, series, and championships. Whether it's the day a bases-loaded walk gave the National League its 16th All-Star victory in 17 seasons (July 17, 1979) or the day Harvard defeated Yale and Brown in the first-ever intercollegiate regatta (July 26, 1859), there's something new buried within the tome's 365 layers for even the most knowledgeable fans.

Thar's Joy in Braveland Saul Wisnia, Joe Wancho, Bob Buege, Chip Greene, John Vorperian, Michael J Bielawa, Mel Marmer, Rory Costello, 2014-04-07 You talk about destiny, well, you can't rule that out. We were hard-nosed and that showed up in 1957. -- Braves catcher Del Crandall to editor Gregory H. Wolf Few teams in baseball history have captured the hearts of their fans like the Milwaukee Braves of the 1950s. During the Braves' 13-year tenure in Milwaukee (1953-1965), they had a winning record every season, won two consecutive NL pennants (1957 and 1958), lost two more in the final week of the season

(1956 and 1959), and set big-league attendance records along the way. This book celebrates the Milwaukee Braves' historic 1957 World Series championship season. Led by the bats of National League Most Valuable Player Henry Aaron and slugging third baseman Eddie Mathews and the Big Three pitching trio (Cy Young Award winner Warren Spahn, Lew Burdette, and Bob Buhl) the Braves won 95 games. The team enjoyed standout seasons by shortstop Johnny Logan, outfielder Wes Covington, and catcher Del Crandall And GM John Quinn pulled off the biggest trade of the summer, acquiring All-Star second baseman Red Schoendienst from the New York Giants. The Braves cemented their place in history by defeating the New York Yankees in the World Series. In one of the greatest performances in the history of the fall classic, crafty Lew Burdette tossed his second consecutive shutout (and third complete game) to defeat the Bronx Bombers in Game Seven, in Yankee Stadium. A collaborative effort of 32 members of the Society for American Baseball Research (SABR), *Thar's Joy in Braveland! The 1957 Milwaukee Braves* portrays that memorable team with life stories of all of the roster players, the manager and coaching staff, the owner, the general manager, and sportswriters and radio announcers. Summaries of the regular season and World Series re-create the magic of that unforgettable season.
