**All Wheel Drive** Z. A. Maxfield,2017-05-22 Healey Holly is battered, depressed, and looking to go to ground in his childhood home. He wants to rent the garage apartment, but it's Diego Luz's place now, and the last thing Diego wants is to share it. Diego is recovering too--from the accident that put him in a wheelchair and the death of his mother shortly after. The garage apartment is where he's keeping his mother's things, and as long as they're up those stairs and he's down on the ground, there's no way he can deal with his loss. And that's just how he likes it. Healey believes in science. Diego believes in luck. It will take a blend of both, and some prayer thrown in besides, for these two to learn that it's the journey and the destination that matters.

Red 4WD Tractors Lee Klancher,2017 The story of the four-wheel-drive tractors built by Steiger, International Harvester, Case, and Case IH is told in dramatic fashion in this authoritative guide. Starting with the development of early four-wheel-drive systems at International Harvester, the book traces the evolution and design some of the most powerful and capable tractors of the twentieth

century. With fresh detail on the 4300, 4100, Steiger-built IH tractors, and the 2+2 tractors including the Super 70 series, the book offers prototype drawings of several models--including the complete story of the never-before-published Magnum 2+2-- as well as inside stories and backroom drama that is a must for any enthusiast for farm history or tractors. Learn the complete story of Steiger tractors, which were originally designed and built in the barn of John, Douglass, and Maurice Steiger located near Red Lake Falls, Minnesota. Containing interviews with more than 50 of the people who built Steiger from its humble origin to a world leader, the book traces the evolution of the lime green Steigers in engrossing detail. The book also covers the J.I. Case 4WD line in great detail. In addition, the book tells the story of how each of these significant players in the industry combined under one banner and--together--created one of the current industry-leading technologies, the Quadtrac. The modern evolution of the Steigers and the introduction of the STX Series (and more) also receive in-depth coverage. The same team that created the award-winning books *Red Tractors 1958-2013* and *Red Combines 1915-2015* created this book, and notable new contributors include Sherry Schaefer (editor of *Heritage Iron* magazine) and noted historian Jim Allen. Contributors include Sherry Schaefer, Oscar H. Will III, Jim Allen, Kenneth Updike, Todd Markle, Gregg Montgomery, Guy Fay, Martin Rickatson, Sarah Tomac, Matthias Buschmann, Jean Cointe, Michael Osweiler, and Johann Dittmer.

**Hemi Under Glass: Bob Riggle and His Wheel-Standing Mopars** Richard Truesdell, Mark Fletcher, 2021-08-15 Look up to the skies through Bob Riggle's eyes in this wheelstanding, must-have Mopar history book on Hemi Under Glass! While the established stock and modified brackets are long-recognized as the heart and soul of drag racing, it was the wheelstanders that more often than not put butts in the bleachers. In that category, some of the most well-known names included Bill Maverick Golden's Little Red Wago, Bill Shewsberry's L.A. Dart and Chuck Poole's Chuck Wagon.

Although, most memorable of all was the Hurst Hemi Under Glass Plymouth Barracuda campaigned by Bob Riggle. Riggle started his career in the early 1960s as a car builder and mechanic for Hurst-Campbell and eventually ascended to pilot the Hemi Under Glass. When he left Hurst in 1969, the Hemi Under Glass franchise transferred with Riggle. He continued for six more years as the owner/driver of a succession of Hemi Under Glass renditions. In the 1990s he resurrected the concept of the original car—making four different versions (1966, 1967, 1968, and 1969)—and continued to thrill drag racing fans with his wheelstanding antics. At the time of this writing, Bob’s last run with the Hemi Under Glass was in the summer of 2019. He claims to have retired (he was 83 years old at the time), but he’s claimed that before! For all the success he enjoyed over his long and distinguished career, which is believed to be one of the longest in all of motorsports, he’s best remembered for a run at Irwindale Raceway in early 2016 with comedian and car buff Jay Leno in the passenger seat in a video that has been viewed more than 10 million times. This is Bob’s story, one that Mark Fletcher and Richard Truesdell, co-authors of the 2012 book *Hurst Equipped*, are honored to share. They say the story was easy to tell—given their unprecedented access not only to Bob but also to his vast archive of photos that reflect his ongoing popularity. Many of the photos in this book are seen in print for the very first time.
