**Muscle Car Special Editions** Duncan Scott Brown,2021-08-15 “Get one before one gets you!” Motion Performance’s catchy sales pitch for builder Joel Rosen’s Phase III Specialty Muscle Cars sums up the escalating performance scene in the late 1960s. Special edition muscle cars were essential to keep pace. Joel and other independent car builders (such as Carroll Shelby, George Hurst, Dick Harrell, Mr. Norm, and Jim Wangers) did what the factories couldn’t do: take the muscle car and turn it into a tire-burning monster. Although the Pontiac GTO established the muscle car category in 1964, a host of corporate safety restrictions restrained factories from offering turn-key race cars off the showroom floor. Independent car builders enhanced appearance and amplified performance in an attempt to do what the manufacturers wouldn’t. Motion Performance issued a written guarantee: Phase III cars would run 11.5 at 120 mph down the quarter-mile! Some of the most iconic nameplates in automotive history were applied in this era with names that included Cheetah, Black Panther, Royal Bobcat, Super Hugger, Manta Ray, Super Snake, Deuce, Fast Track, and The Machine. How did manufacturers stealthily promote these special edition muscle cars as “halo cars” while pretending not to endorse them? What happened to these innovators when factories assimilated their ideas? It’s all covered inside. Muscle car historian Duncan Brown takes us through these special edition muscle cars, their creators, and the behind-the-scenes forces that shaped these wild beasts into legends that left a lasting legacy.

Start with Why Simon Sinek,2011-12-27 The inspirational bestseller that ignited a movement and asked us to find our WHY Discover the book that is captivating millions on TikTok and that served as the basis for one of the most popular TED Talks of all time—with more than 56 million views and counting. Over a decade ago, Simon Sinek started a movement that inspired millions to demand purpose at work, to ask what was the WHY of their organization. Since then, millions have been touched by the power of his ideas, and these ideas remain as relevant and timely as ever. START WITH WHY asks (and answers) the questions: why are some people and organizations more innovative, more influential, and more profitable than others? Why do some command greater loyalty from customers and employees alike? Even among the successful, why are so few able to repeat their success over and over? People like Martin Luther King Jr., Steve Jobs, and the Wright Brothers had little in common, but they all started with WHY. They realized that people won't truly buy into a product, service, movement, or idea until they understand the WHY behind it. START WITH WHY shows that the leaders who have had the greatest influence in the world all think, act and communicate the same way—and it's the opposite of what everyone else does. Sinek calls this powerful idea The Golden Circle, and it provides a framework upon which organizations can be built, movements can be led, and people can be inspired. And it all starts with WHY.

**In Fifty Years We'll All Be Chicks** Adam Carolla,2011-05-17 A couple years back, I was at the Phoenix airport bar. It was empty except for one heavy-set, gray bearded, grizzled guy who looked like he just rode his donkey into town after a long day of panning for silver in them thar hills. He ordered a Jack Daniels straight up, and that's when I overheard the young guy with the earring behind the bar asking him if he had ID. At first the old sea captain just laughed. But the guy with the twinkle in his ear asked again. At this point it became apparent that he was serious. Dan Haggerty's dad fired back, You've got to be kidding me, son. The bartender replied, New policy. Everyone has to show their ID. Then I watched Burl Ives reluctantly reach into his dungarees and pull out his military identification card from World War II. It's a sad and eerie harbinger of our times that the Oprah-watching, crystal-rubbing, Whole Foods-shopping moms and their whipped attorney husbands have taken the ability to reason away from the poor schlub who makes the Bloody Marys. What we used to settle with common sense or a fist, we now settle with hand sanitizer and lawyers.

Adam Carolla has had enough of this insanity and he's here to help us get our collective balls back. In Fifty Years We'll All Be Chicks is Adam's comedic gospel of modern America. He rips into the absurdity of the culture that demonized the peanut butter and jelly sandwich, turned the nation's bathrooms into a lawless free-for-all of urine and fecal matter, and put its citizens at the mercy of a bunch of minimum wagers with axes to grind. Peppered between complaints Carolla shares candid anecdotes from his day to day life as well as his past—Sunday football at Jimmy Kimmel's house, his attempts to raise his kids in a society that he mostly disagrees with, his big showbiz break, and much, much more. Brilliantly showcasing Adam's spot-on sense of humor, this book cements his status as a cultural commentator/comedian/complainer extraordinaire.
