**The Message of Islam** Abdurrahman Al-Sheha, The Complete and Final Message to Man is a brief presentation of Islam defining its terms and teachings, followed by an advice to the Muslims and non-Muslims on following the path of the Righteous Predecessors.

**The Message of Islam** Abdul Rahman Al-Sheha, 2000

**Just One Message** ,2010\* After the creation of Adam, just one original message has been repeatedly delivered to mankind throughout the history of humanity. Thus, to remind people about it and bring them back on track, many prophets and messengers including Adam, Noah, Abraham, Moses, Jesus, and Muhammad were sent by the only true God to convey this message: The true God is only ONE. Worship Him ALONE and keep His commandments.

*40 Messages of Allah to the Human* ,2020-01-13 This book contains 40 Hadith Qudsiy that discuss the relationship between human and The God and among human being. Such Hadith Qudsiy contains messages, warnings, and admonitions from Allah to the human regarding their position and responsibility towards The God and fellow human being. As a human, have they carried out whatever was ordered by Allah, and left whatever He forbade? In other words, this book reminds human upon their self-essence and position as a servant of God, who have certain duties and responsibilities that must be carried out. This book can be considered to be an enlightening, awakening, and motivating book. It's mean that this book is: enlightening our religious insight; awakening an awareness of our position as a servant before The God; and motivating us to improve ourselves and to take closer to Allah.

**Bleeding for Allah** Markus Aurelius, 2007-11-19 Over 4 years in the making, *Bleeding for Allah* scrutinizes Islam from the very birth of the religion. The Koran, the Holy Book of more than one billion people worldwide, is systematically analyzed to reflect the true nature of its message. *Bleeding for Allah* goes the full distance in detailing the uncomfortable and painful truth of that message. Although touted as a peaceful religion and Islamic terrorists dismissed as misguided fanatics, it is clear that the very words of Allah, as voiced through the Archangel Gabriel to the Prophet Muhammad, are anything but peaceful. Markus Aurelius, in concise and clear fashion, gives countless examples of Koranic verse that readily demonstrates its militancy and violence. The author speaks to cultural bias and is quite sensitive to its influence on interpretation. But the author finds it extremely difficult to dismiss countless holy verse such as: Believers, take neither the Jews nor the Christians for your friends. (Koran, 5:51) or: Prophet, make war on the unbelievers and the hypocrites, and deal sternly with them. (Koran, 66:9). To further try to eliminate cultural bias, the book includes a comparative analysis of specific words between the New Testament and the Koran. For example, the words punishment and torture appear 600% more in the Koran while the word love appears 500% less. The author carefully examines the Prophet Muhammads life and outlines the gruesome details of his explosive success in the 7th century. The shrewd Prophet creatively found divine support from Allah for his banditry and mass murder. Sadly, more than one billion people believe those words today. Americans are woefully in the dark regarding the Koran. But few Americans have taken the time to read the Koran itself. Markus Aurelius challenges the American public to do just that. *Bleeding for Allah* is the perfect primer.

**The Message (The Holy Prophet of Allah)** Ja'far Subhani, 2004

**Oracle of the Last and Final Message** Mohsin Akhtar, 2008-05-09 This book reveals that over the millennia the revealed knowledge has evolved in accordance with the advancement of the human civilization. Accordingly by the advent of the Prophet Muhammad, it has been updated for the rest of the humanity till end of the world. Hence the prophet Hood has reached its peak and Muhammad remains the seal of the prophets till end of the world. The knowledge of revelation, endowed to the mankind remains over and above to their knowledge acquired through the instincts and the intuition. The purpose of the revealed knowledge is that God wants His supreme creature to qualify for the righteous end, duly prescribed by Him. He has therefore provided us the syllabus, the text Books and the teachers. The last and final after the books of Torah and Gospel is the Quran and after the Prophets Moses and Jesus is the Prophet Muhammad, peace be upon them all. Hence Islam is not a new religion, but the finalization of the Abrahams religion having the same purpose and the values meant by God through Judaism, Christianity and Islam. The author hopes that this book will work to bring all the three big nations, the Jews, Christians and the Muslim closer to each other quitting behind hatred hidden in their hearts and combine them together at the similar cause, that is obedience and supplication to the Gods Commandments and peace and love for the humanity leaving behind all the prejudices and hatred. May God, the Allah guide us for the right path, Amen.

*A Message for Our Time* Hazrat Mirza Masroor Ahmad, 2019-03-01 The western world is seeing a rise in intolerance, hate, and violence. The media exacerbates this by painting inaccurate pictures of immigrants, minorities, and of Islam and Muslims in particular. Consequently, there is a pressing need for clarifying what Islam is and is not, so as to foster mutual brotherhood amongst people of all beliefs. In four speeches delivered during a tour of the United States and Guatemala, His Holiness Mirza Masroor Ahmad, head of the worldwide Ahmadiyya Muslim Community, offers a formula for achieving peace in our communities, nations, and indeed throughout the world. His Holiness explains that the true purpose of mosques is to be a center of peace where Muslims join together in order to worship God Almighty and to serve humanity, irrespective of belief or background. Furthermore, the building of hospitals enables the service of mankind which itself becomes a form of worship. This cumulative spirit is the way to protect our future and enable us to leave behind a better world for our children.

The Message Ayatullah Ja'far Subhani, 2014-02-08 The study of the life of

Prophet Muhammad, the greatest of all men, is thought- provoking, awe-inspiring and self-enlightening. A chain of events before and after the birth of this great man provides food for thought for anybody who has even a slight grain of intelligence and sense of proportion. The birth of the Prophet as a posthumous child and the death of his mother, Aminah, when he was only six, and his upbringing first by his grandfather and then by his uncle are something extraordinary. After passing an eventful life, his confinement to the Cave in Mt Hira and the subsequent Divine Revelation, the invitation to the religion of Allah, the resistance of the infidels and idolaters, their oppression and persecution, his continued steadfastness in upholding the Message of Allah during the first thirteen years of his prophethood in Makkah until the time of his migration to Madina, are the events finish have no parallel in history. The last ten years of his life in Madina, his intensifying the efforts of his mission for the spread of Islam, his participating in the numerous battles with the infidels and the final conquest of Makkah are still greater events which are seemingly unbelievable, but have been recorded in history as miraculous achievements. Hundreds of books have been written on the life and mission of the Prophet but these cannot be taken as a complete treatise on his attributes and achievements. Especially the writings of the orientalist are punctuated with prejudices, errors and misinterpretations. This book not only presents an inspiring material but it is also based on authentic historical documents. One of its salient features is that the author has taken extreme care in narrating historical events and at the same time he has endeavoured as a research scholar, to approach them with an analytical mind also. Another interesting feature of this book is that it is absolutely free from heresies and concocted stories invented by vested interests. In other words, it is quite in keeping with the required standard of the historical veracity. In short, it is addressed to the Muslims in general without any bias and prejudice. We hope that this book will serve its noble purpose of enlightening the young generation who has a keen urge to acquire authentic and reliable information about the great Prophet of Islam, and trust our young Muslims will derive inspiration from this book in fashioning their lives in accordance with the dictates of Allah as well as the noble attributes of the Holy Prophet and his Chosen Descendants.

The Prophets of Allah Suhaib Hamid Ghazi, 1996-03

**A Message of Peace and a Word of Warning** Hazrat Mirza Nasir

Ahmad, 2014-09-01 Hazrat Mirza Nasir Ahmad(rta) – Khalifatul-Masih III (the third successor of The Promised Messiah), in the capacity of Khalifatul-Masih, on his first visit to some countries of Europe and Africa delivered a public lecture on 28 July 1967 at the Wandsworth Town Hall, London. It was later published under the title A Message of Peace and a Word of Warning and is being presented here again. In this lecture Huzoor introduces the Founder of the Ahmadiyya Muslim Community and the Movement itself and after mentioning the purpose of coming of the Promised Messiah(as), he concludes his lecture with the wording of The Promised Messiah(as) O Europe, you are not safe and O Asia, you too, are not immune. And O dwellers of Islands, no false gods shall come to your rescue. I see cities fall and settlements laid waste. The One and the Only God kept silent for long. Heinous deeds were done before His eyes and He said nothing. But now He shall reveal His face in majesty and awe. Let him who has ears hear that the time is not far. I have

done my best to bring all under the protection of God, but it was destined that what was written should come to pass. Truly do I say, that the turn of this land, too, is approaching fast. The times of Noah shall reappear before your eyes and your own eyes will be witnesses to the calamity that overtook the cities of Lot. But God is slow in His wrath. Repent that you may be shown mercy! He who does not fear Him is dead not alive.

**Muhammad the Prophet of Mercy** Haya Muahammad Eid, Humanity today is in the direst need for the gentleness of this mercy and its pure dew. It is worried and confused, straying through the labyrinths of materialism, the hell of wars, and the aridity of souls and hearts. After presenting the meaning of mercy to humanity and fulfilling it himself, the Messenger of Allah (peace be upon him), as commanded, announces the essence of his Message, wherefrom mercy to all existence gushes forth: (Say, "It is revealed to me that your God is only one God; will you then be Muslims?") [Qur'an 21: 108] This is the original element of mercy in this Message; the element of absolute monotheism that saves humanity from the illusions of Jahiliyyah, the burdens of idolatry, the worship of creatures, and the pressures of delusion and superstitions. It builds life upon its solid foundations, connecting it with the entire existence based on clear constant laws, not fancies, inclinations, or interests. It guarantees to every human their right of standing with their head raised; for heads only bow to the Creator, The One, The Almighty. This is the path to mercy... so will you be Muslims?

**The Message of the Quran, Islam and the Life of Prophet Muhammad** Faisal Fahim, 2015-07-05 This book contains a summary of The Bible The Quran and Science 2014 of Dr. Maurice Bucaille, The biography of prophet Muhammad (pbuh), An Islamic prayer book according to Quran and Sunnah, and last but not least is that this book also contains The Qur'an & Modern Science: Compatible or Incompatible? 2014 by Dr. Zakir Naik and Mr. Faisal Fahim. This is an A to Z book on Islam, Quran, Bible, Torah, Science And it also includes the Islamic prayer book with a biography of the prophet. This book seeks to spiritually unite by highlighting similarities in the texts. It sheds new light and dispels many preconceived ideas in separating what belongs to Revelation from what is the product of error or human interpretation. (The Qur'an & Modern Science: Compatible or Incompatible?) Ever since the dawn of human life on this planet, Man has always sought to understand Nature, his own place in the scheme of Creation and the purpose of Life itself. In this quest for Truth, spanning many centuries and diverse civilizations, organized religion has shaped human life and determined to a large extent, the course of history. While some religions have been based on books, claimed by their adherents to be divinely inspired, others have relied solely on human experience. Al-Qur'an, the main source of the Islamic faith, is a book believed by Muslims, to be of completely Divine origin. Muslims also believe that it contains Divine guidance for all humankind. Since the message of the Qur'an is believed to be for all times, it should be relevant to every age. Does the Qur'an pass this test? In this booklet, I intend to give an objective analysis of the Muslim belief regarding the Divine origin of the Qur'an, in the light of established scientific discoveries. There was a time, in the history of world civilization, when 'miracles', or what was perceived to be a miracle, took precedence over human reason and logic. But how do we define the term 'miracle'? A miracle is anything that takes place out of the normal course of life and for which humankind has no explanation. However, we

must be careful before we accept something as a miracle. An article in 'The Times of India', Mumbai, in 1993 reported that 'a saint' by the name 'Baba Pilot' claimed to have stayed continuously submerged under water in a tank for three consecutive days and nights. However, when reporters wanted to examine the base of the tank of water where he claimed to have performed this 'miraculous' feat, he refused to let them do so. He argued by asking as to how one could examine the womb of a mother that gives birth to a child. The Baba' was hiding something. It as a gimmick simply to gain publicity. THIS BOOK HAS MUCH MORE ADDED INFORMATION ON THE NEW DISCOVERIES OF SCIENTIFIC INFORMATION FOUND IN THE HOLY QURAN & THIS INFORMATION IS ARRANGED AND ORGANIZED BY AUTHOR MR.FAISAL FAHIM. THE LATEST INFORMATIONS ARE ALL ADDED IN 2014 REVEIWD BY FAISAL.Allah (swt) Says: Invite to the Way of your Lord (i.e. Islam) with wisdom (i.e. with the Divine Revelation and the Qur'an) and fair preaching, and argue with them in a way that is better. Truly, your Lord knows best who has gone astray from His Path, and He is the Best Aware of those who are guided.[Quran 16:125]From author: To the people who loved reading & purchasing my book.Please share my book & tell others about it.And please write a positive review about my book on the website.I really appreciate it & thank you very much. Sincerely, Your author Mr.Faisal Fahim

**Gain Sense of Allah** Hyder Raza,2010-07-01 Why does the universe work the way it does? What is our purpose in life? Who created us and how we should worship him? This book answers all these questions and more, each with complete proof from verses within the holy Qur'an.

**English Translation of the Meaning of Al-Qur'an: The Guidance for Mankind (English Only)** Muhammad Farooq-i-Azam Malik,1997-01-01 Al-Qur'an, the Guidance for mankind, is a unique translation of the Holy Qur'an in contemporary American English. It includes the Biography of the Prophet Muhammad, peace be upon him, his mission as a Prophet, his ranking as in the human history. Text is paragraphed by theme and theme is written in the margins on each page for easy reference. Its features include - (1) Field Testing the Communication of Divine Message: The unique feature of this translation is its field testing for over 3 1/2 years to improve the communication and understanding of the Divine Message. Translation passages were given to the New Muslim and Non-Muslim high school and college students for reading under the supervision of various Ulema (scholars). After reading, the person was asked to explain as to what he/she understood from the passage. If his/her understanding was the same as is in the Arabic Text of the Holy Qur'an then we concluded that we have been successful in conveying the Divine Message properly. If his/her understanding was different than what the Qur'anic verses were stating, we kept on rewording the translation until those verses were understood properly. It was tremendous patience on part of the participants. May Allah reward them all. (2) Simplicity: In this translation Simple Language and Direct Approach is used for appealing to the common sense of scholars and common people. (3) Understandability: There are no foot notes to refer and no commentary or lengthy explanations to read. All necessary explanations have been incorporated right there in the text with italic type setting to differentiate from the translation of the meanings of Qur'anic Arabic Text. (4) Outline of Pertinent Information: Before the start of each Srah, information relating to its Period of Revelation, Major Issues, Divine Laws and Guidance has been presented as an outline. Then a summary of the preceding events has been tabulated for the reader to understand the

historical background to grasp the full meaning of the Divine Message. (5) Reviews, Input and Approvals: This project was started in 1991 and initial draft completed in 1994. Then the Translation was sent to different Ulema (Scholars) in Town and throughout United States for their review and input. After their reviews and input it was sent to Jme Al-Azhar Al-Sharif in Egypt, Ummal Qur in Saudi Arabia and International Islamic University in Pakistan for their review, input and approval. This translation was published after their reviews and approvals.

**The New Islamic Century** Munawar Sabir, 2021-09-04 The major issue with Islam today is illiteracy and lack of knowledge of the din. People lack understanding of the Qur'an and Allah's message. Islam is still strong, growing stronger and vibrant. There are more Believers in the world than ever in history. Yet there are many things that have gone wrong within Islam. Muslims are blinded by blinkers of self-deception and delusion, and they cannot see the fitnah amongst their own selves. Believers in isolation and in unity need to look within themselves, in their community, and in the Ummah and take a stock, objectively, of their place with Allah and in this world. In this unity of purpose and the unity of action, Believers require self-cleansing, to enable them to observe themselves clearly, free of delusion and self-deception. Such unity of purpose and action requires a clean Nafs with taqwa of Allah and knowledge of Allah. They need to understand each word of Allah's message and each Covenant they have made with Allah and to obey it diligently. They need to read and learn the Qur'an in their own language. Devotional reciting of the Quran should be in Arabic but for a clear understanding of Allah's word should read be in their own language. Similarly, in personal salaah and dua they may beseech Allah in vernacular and say communal prayers in Arabic. Over a short time, each person will have mastery of Allah's Word and understand their din, rights, and obligations. Qur'an is the din, Covenant, sharia, and the law. Twenty first century is the century of learning, understanding and communication. Such knowledge requires understanding of Allah's Word, the Revelations. Such understanding requires Allah's Nur within the Believers' heart. When the Blessed Nabi died, the era of Prophecy ended with him. There were to be no more prophets or en masse Revelations by Allah. When the blessed Nabi died, he bequeathed each Believer the Qur'an and the knowledge of Allah. With submission to Allah's will, each Believer has Allah in the niche of his heart. Allah speaks to the Believer through each aya and through each word of the Qur'an. The Nabi was a beacon of Allah's Nur on each Believer's Path to Allah. The Believer speaks to Allah through the Qur'an, salaah, and dua, and Allah responds in believer's heart and mind. This gives the Believer peace and tranquility. Submission Islam, gives Iman, and Iman promotes beautiful deeds, ihsan. Beautiful deeds bring the Believer closer to Allah. In closeness to Allah the Believer is aware of Allah's presence and he continues to perform wholesome deeds in the Taqwa of Allah. Taqwa of Allah shines the Nur of Allah on the Believer's Nafs, which blows away the smoke of desire and craving from the Nafs. And the Nafs shines in the likeness of a mirror with Allah's Nur. Fitnah is rooted in cravings and greed of the human. Desire and craving for the shiny goods of this world muddies the Nafs and the human cannot see Allah's presence within him. The human slips and he strays from the Path of Allah. Human is then lost. And the Qur'an speaks of such persons thus: These are they who have bartered guidance for error: but their traffic is

profitless, and they have lost true direction. Their similitude is that of a man who kindled a fire; when it lighted all around him, Allah took away their light and left them in utter darkness. So, they could not see. Deaf, dumb, and blind, they will not return to the path. Qur'an 2:15-18 When the people around the world see the wretched condition of Muslims today, they pose the question, 'What is wrong with Islam?' And the Muslims themselves wonder why after all the submission, prayer and humility the Muslims continue to be mired in the dust heap of humanity? Muslims continue to be poor, ignorant, and disunited. They cannot extricate themselves from the fitnah and oppression in Palestine, Syria, Kashmir, India, Chechnya, Afghanistan, and Iraq. Those with the taqwa of Allah, the muttaqeen are conscious that Fitnah is rooted in the cravings of the human. Cleansing of the muttaqeen begins with the knowledge that fitnah is set in the covetousness and cravings of the Muslims; that fitnah is rooted in the body politics of Islam; fitnah is embedded in the social fabric of Islam; fitnah is implanted in the way Muslims treat their mothers, sisters, wives and daughters, fitnah has roots in the way Muslims treat other Muslims. Fitnah is in the way Muslim nations undermine and subvert each other. Fitnah is in the ongoing sectarian Shia Sunni rift.

The Qur'an and Islam Anita Ganeri, 2003 The Holy Qur'an is the sacred book of the Muslims, who follow the religion of Islam. Muslims believe that Allah revealed His wishes for the world to a man called the Prophet Muhammad [characters not reproducible]. The messages sent from Allah to the Prophet Muhammad were later collected together to make the Qur'an. Book jacket.

**English Translation of the Message of the Qur'an**, 2006 The Quran, a book which brings glad tidings to mankind along with divine admonition, stresses the importance of man's discovery of truth on both spiritual and intellectual planes. Every book has its objective and the objective of the Quran is to make man aware of the Creation plan of God. That is, to tell man why God created this world; what the purpose is of settling man on earth; what is required from man in his pre-death life span, and what he is going to confront after death. The purpose of the Quran is to make man aware of this reality, thus serving to guide man on his entire journey through life into the after-life. The main themes of the Quran are enlightenment, closeness to God, peace and spirituality. The Quran uses several terms, tawassum, tadabbur, and tafakkur, which indicate the learning of lessons through reflection, thinking and contemplation on the signs of God scattered across the world. The present translation of the Quran and its explanatory notes are written keeping in mind these very themes.
