(2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Campus Ghosts of Norman, Oklahoma Jeff Provine,2013-09-17 A study of supernatural activity in the halls of higher learning from the author of *Haunted Oklahoma City*. Since Norman's inception more than 120 years ago as a college town, it has gathered a shadowy history and more than a few residents who refuse to leave. Ghostly organ music and sinister whispers fill school buildings in the night. Patients walk the surgical suites of the old infirmary, which was once a quarantine ward for polio victims. Long-deceased sisters still occupy their sororities—one even requiring an exorcism—and dorms are notorious for poltergeists and unexplainable sounds. Professor Jeff Provine sheds light on some of the darker corners of this historic campus and the secrets that reside there.
