Alpha and Omega Harry Turtledove, 2019-07-02 New York Times bestselling author Harry Turtledove reveals a new side of his potent imagination in a gripping speculative novel about the End of Days—and a discovery in the Middle East that turns the world upside down. What would happen if the ancient prophecy of the End of Days came true? It is certainly the last thing Eric Katz, a secular archaeologist from Los Angeles, expects during what should be a routine dig in Jerusalem. But perhaps higher forces have something else in mind when a sign presaging the rising of the Third Temple is located in America, a dirty bomb is detonated in downtown Tel Aviv, and events conspire to place a team of archaeologists in the tunnels deep under the Temple Mount. There, Eric is witness to a discovery of such monumental proportions that nothing will ever be the same again. Harry Turtledove is the master at portraying ordinary people caught up in extraordinary events, and what is more extraordinary than the incontrovertible proof that there truly is a higher force controlling human destiny? But as to what that force desires . . . well, that is the question.

Alpha and Omega Robert W. Jenson, 2002-07-29 The theology of Karl Barth, the world-renowned German religious philosopher, has won the interest of intelligent laymen as well as clergymen, seminarians, and students. This book is an analysis of the way in which Barth describes the existence of Christ as the beginning and end of human history. From the dominant cliché of modern theology--"Christianity is an historical religion"--it untangles three questions which it then directs to Barth's writings: 1. To what end does God rule human history? 2. In what sense does God have a history and what is the relation between His history and ours? 3. What does the Christian assertion that Jesus, an historical event, is the meaning of life, say about the meaning of reality? Through investigation of these questions, Alpha and Omega presents Barth's theology as an answer to the challenge presented by the loss of man's ancient belief in an eternal and unchanging framework and in a goal of life. The Church must speak to man as it finds him. Today it cannot assume that man already believes in "justice," "goodness," and "God." Christianity must learn to present Jesus Christ, in his unadulterated historical reality, as the meaning of man's life. Alpha and Omega shows that Barth's development of a proclamation in which Christ's life is seen as the unconditional goal of the history of creation, in which to live means to become Christ's brother and share in His story, is one of theology's few live possibilities--if not the only one.

Alpha and Omega: Cry Wolf: Volume One Patricia Briggs, 2012-10-02 Includes bonus material and a never-before-published version of issue #1! Patricia Briggs, the #1 New York Times bestselling author of the Mercy Thompson novels, "always enchants her

readers (Lynn Viehl). Now her Alpha and Omega series—set in a world of shifting shapes, loyalties, and passions—comes vividly to life in this collection of four comic books based on Cry Wolf, the first book in the series. Anna never knew werewolves existed, until the night she survived a violent attack...and became one herself. After three years at the bottom of the pack, she's learned to keep her head down and never, ever trust dominant males. Then Charles Cornick, the enforcer—and son—of the leader of the North American werewolves, came into her life. Charles insists that not only is Anna his mate, but she is also a rare and valued Omega wolf. And it is Anna's inner strength and calming presence that will prove invaluable as she and Charles go on the hunt in search of a rogue werewolf—a creature bound in magic so dark that it could threaten all the pack...

The Pro-Israel Lobby in Europe Elvira King, 2016-03-02 The activities of pro-Israel pressure groups and lobbyists in the US are well-known. But the pro-Israel lobby in Europe is less prominent in both academic and media accounts. In a unique account, Elvira King identifies the pro-Israeli groups which attempt to influence policy-makers and implementers in the EU, specifically examining Christian Zionist groups. Through a detailed study of the European Coalition for Israel (ECI), the only Christian Zionist lobby in Brussels, Elvira King analyses whether and how a religious group can (and can fail to) influence decision-makers in the EU. By exploring the context of European relations with Israel as well as the mechanisms through which pressure groups are able to influence EU-wide policies, King offers an analysis which demonstrates how the EU can be a site where religion and politics meet, rather than just being a secular institution. It therefore contains vital primary research for both those interested in the pro-Israel lobby as well as those examining the role of religion in politics more generally.

Runt of the Litter N J Lysk, 2019-07-31 A young insecure alpha, an older omega determined to keep his freedom, and the injustice neither of them can permit to go on. Lyall is failing at alphahood like a pro-he's presented, but he's still too skinny and too short, and nowhere near aggressive enough to put off his packmates' constant reminders that he looks a lot like an omega. They have him convinced he'll never be worth anything. Tristan doesn't want an alpha: he wants to give other omegas a chance at the freedom he's carved out for himself. He's figured out enough loopholes to keep himself unbonded and free to do it, but he's still only one person and there are a lot of people who need to hear what he is teaching. When he meets Lyall, he realises the young alpha would make an ideal assistant. Their meeting is brief, but their connection is undeniable and as they work together with an ocean between them, it gets harder to deny their own lives have been changed forever....A coming of age romance between a young alpha and the older omega who teaches him to believe in himself and learns to believe in them both in the process. A/B/O, age gap & other power imbalances between the couple, werewolves, half epistolary, bullying.
